When you want any of these goods it will pay you to call on Geo. Hynde's Jewellery and Fancy Goods Store, Acton, Ontario.

Local and Other Gossip.

—Excellent sleighing.
—Write up your diary.
—Read our story on first page.
—School opened on Monday morning.
—Leap year has gone and the young unmarried men rejoice.

—Don't be alarmed, friends, we'll have warmer weather before next Christmas.
—A good thing to have at this time of the year is a receipt for a year's subscription to the Acton Free Press.

DIED.—Peter Cole, the man referred to in the Free Press, who was so lately frozen, died on Wednesday last, and was buried in Georgetown on Thursday.

FINDING STOCK.—Messrs. G. & E. Tolton, grain buyers, have rented the stable of Mr. R. Warren, north of the T. E. depot, and have a man employed in fattening cattle for export.

CUSTOMS RECEIPTS.—The customs receipts at the port of Geolph for the month of December, 1880, amounted to \$2036.02, showing an increase of \$1578.22 over corresponding month of last year.—*Herald.*

NEEDS REPAIRING.—The piece of sidewalk on the Willow street side of Messrs. A. Secord & Co's store, is very badly in need of repair. Some of the planks are loose, others are broken, and it is very dangerous to pedestrians at night. The proper authorities should have it repaired.

RIBS BARREN.—On Thursday last Mr. Henry Cole and family were returning from their attending the funeral of the late Peter Cole, the "sleigh expert." Mrs. Cole had several ribs broken, and Mr. Cole was badly hurt about the shoulder. The other occupants of the vehicle were more or less injured.

CANADA GLOVE WORKS.—After a week's holidays the glove works of Messrs. W. H. Storey & Son were reopened on Monday last. This firm did a very extensive business last year, and they commence the new year with every prospect of a continually increasing trade. Messrs. Storey & Son give employment to a large number of our citizens, and we wish them a prosperous year.

CARNIVAL.—On account of the severe cold weather, the carnival on Wednesday evening was not as largely attended as it would have been. The Acton Brass Band notwithstanding the cold weather, filled their engagement to the letter, and disconcerted plenty of sweet music to the delight of those present. We believe Acton boasts of a village band second to none.—*Evening Advocate.* Certainly the doc.

VICK'S FLORAL GUIDE.—This work is before us, and those who read 10 cents to James Vick, Rochester, N. Y., for it will be disappointed. Instead of getting a cheap thing, as the price would seem to indicate, they will receive a very handsome work of 142 pages, and perhaps 500 illustrations, on the very best colored paper, and as an extra to those who purchase a beautiful Colored Plate that is worth twice the price of the book.

PROPOSED SEPARATION.—The farmers within the limits of Milton school section strongly object to paying the same rate of school tax as the people within the corporation do. Last Friday they held a meeting in the Temperance Hall, and passed a resolution to the effect that they would make an offer to remain with the town at a reduced rate. If the council will not accept of their offer, they will build a school for themselves, outside of the corporation.—*Champion.*

Ferocious.—Mr. Eli Snyder and wife visited their friends in Milton and Trafalgar this week.

Misses Belle and Tena Kennedy, of Glen Williams, paid their friends here a visit this week.

Miss Aggie Allan, head milliner for Christie, Henderson & Co., left for her home at Zimmerman last week.

Mr. Harry and Misses Maud and Emma Ataley, of Geolph, spent New Year's day with their Acton friends.

Mr. Henry F. Hill, who has been in Moore, Mich., during the past year, returned home on Tuesday evening.

Messrs. James and George Smyth have been appointed teachers of Lowville public school. They commenced their duties on Monday.

Mr. John Moore, Jr., left on Monday for Georgetown College, which institution he proposes attending for a few terms. We wish him every success.

Mr. Charles Kees, of the Cordovan laundry, who went to New York last week on business, returned home on Monday evening. Mr. Kees had a very pleasant trip.

—The election agony is over.
—Read Mr. M. Speight's card.
—Did you vote for the right men.
—Date your letters January—1881.

PROFITABLE.—The merchants of our village, especially those who invited customers through the columns of the FREE PRESS, report that they did a very extensive and profitable trade during the holiday season.

BIG HOOKS.—Mr. John Irwin, of East Flamboro, killed two pige recently, which weighed 517 lbs. and 465 lbs. respectively. They were 15 months old, and were purchased from Mr. W. H. Durland of Trafalgar.—*Champion.*

—An exchange very correctly remarks:—"How few realize the constant, ceaseless expense of a paper, even in the country. Many who are benefitted by the paper being published in their town will sponge its reading in a store, and let their family go without, while they neglect to give the paper any support."

RISK IT!—"An Indiana girl who was kissed suddenly at a party has become insane." This paragraph was read by Charles to his lady love the other evening, and then queried: "Do you think that is true?" She blushed slightly, and then like a true girl replied: "I don't know, but I think I'd risk it."

EAT OYSTERS.—On Tuesday evening last at Mr. James Warren, with a number of others, were eating oysters in Messrs. B. & E. Nicklin's oyster parlor, he came across a hard substance and thought it was a large grain of shot. On closer examination with the aid of a microscope it was found to be a very fine oyster pearl.

PORTRAIT PAINTINGS.—We had the pleasure yesterday of examining a couple of portrait paintings, executed by Mr. John Chapman, of this village. The subjects are Mr. Chas. Keeser and Mrs. Chapman. The portraits are exceedingly well executed, and very truthfully represent the persons intended, in form and feature. The coloring is cool and the finish is excellent and the general appearance of the paintings surpasses any amateur work we have seen. We congratulate Mr. Chapman on his fine work.

LARCENY.—On Friday evening a robbery of Jewellery was perpetrated in B. Savage's Jewellery store, Geolph. The theft occurred between six and seven o'clock while Mr. Savage was at home at supper. At first no clue could be obtained as to who the thief was, but subsequently facts were learned which led to the arrest of Benjamin Sallow, for some time a resident of the city. The articles he had stolen, valued at \$14, were all recovered, some of them being in his own possession and some in the possession of his friends.

NEW YEAR'S DAY.—The new year was ushered in by the ringing of bells, and quite a number of citizens sat up to see the old year out and the new year in. The day was a most pleasant one and delighting being excellent that nature was much indulged in. The skating rink was open in the afternoon and quite a number enjoyed themselves there, while in the evening it was crowded. The band played a number of splendid pieces, and every person present seemed to enjoy themselves.

DEBATE ON BAPTISM.—As announced by posters, Rev. H. McDermid, M.A., of Toronto, and T. L. Wilkinson, of Acton, have agreed to hold a public debate on Baptism, in the Methodist church, Acton, commencing on Monday evening, January 10th. Four propositions will be discussed, and each proposition will probably occupy two or three evenings. The debate will commence each evening at 7:30 o'clock and continue until ten.

Since the public has been made aware of the above meeting a rumor has been circulated to the effect that the Methodist Church was defective, and would not sustain the weight of the large number of people who would assemble to hear the debate. To assure the public that such a statement was utterly unfounded, the trustees of the church have had the building closely examined, and it has been pronounced substantial in every respect, and capable of sustaining any strain to which its capacity may be put.
