Byron Forsythe was unconscious! Tears are to be looked at not as

Good Humor. Good humor is rightly reckoned a most valuable aid to a happy home life. An equally good and useful faculty is a sense of humor, or the the humdrum cares and works of lite. How it will brighten up things generally to have a lively, witty companion, who sees the ridiculous points of things occasion for laughter! It does a great deal better to laugh over some domestic mishape than to cry or sculd about them. Many homes or lives are dull because they are allowed to become too deeply impressed with a sense of the cares and responsibilities of life to recognize its bright and especially its

mirthful side. Into such a honsehold, good but dull, the advent of a witty. bamorous friend is like sumshine on a cloudy day. While it is always oppressive to hear persons constantly stricing to say witty or funny things. it is comfortable, seeing what a bright ener a little fun is, to make an effort to make some at home. It is well to

turn off an impatient question, sometimes and to regard it from a humorous point of view, lostead of being irritated about it. Laughter is better crived as he entered. His careworn said Elith, in a faltering tone, reaching than tears. Let us have a little more
