THE FREE PRESS.
THURSDAY MORNING, April 14, 1881.

Local and Other Notings.

Remember if you vote against the Scott Act you make yourself jointly responsible with the rum business, for all the evil done by it.—Adv.

- FULL moon to-night.
- BANG out your pistols.
- GOOD Friday to-morrow.
- VERY little demand for wood now.
- DON'T fail to hear Prof. Foster to-night.
- COXCEL meeting next Tuesday evening.
- OUR list of subscribers is steadily increasing.
- Prof. Foster in the Methodist church to-night.
- Mrs. Rev. J. Bradley, of Gorrie, is visiting her Acton friends.

Vote for the Scott Act and you will feel better.—Adv.

—All the hotels in the county are to be closed next Tuesday.

—The monthly fair was not very well attended last Tuesday.

—SRAISE is here for certain. The organ grinder arrived on Monday.

—EDGE Anderson preached in the Disciple church on Sunday last, morning and evening.

—For neat and cheap job printing call at the Free Press office. A lot of new type just received.

—Is that pure maple sugar? is the unending question of customers at the confectionery stores.

—It is astonishing how few unmarried ladies are over 25 years of age—at least so the census enumerators say.

—EASTER SERVICES.—Service will be held in St. Allan's church to-morrow morning at 10:30, and in the evening at 7:30.

Vote for the Scott Act and lessen paymaster.—Adv.

—SWEET harbingers of spring! The feathered songsters are beginning to arrive, and soon the air will be filled with their rich melody.

—At the Guelph Easter cattle show 757 cattle entered and were paid for on the cattle ground. It is estimated that over 1,000 cattle were shipped from the city that day.

—THE Executors of the estate of the late R. Adams, desire to state to those having business with the estate that, to avoid confusion, business will be attended to on Friday only of each week.

—HERE are some April Proverbs:—A cold April the lawn will fill. An April flood carries away the frog and his brood. April showers make May flowers. When April blows his horn, it's good for hay and corn.

—NEARLY DROWNED.—On Monday last Dr. Morrow's horse broke through the ice on the pond when found was almost drowned. Several men went to its assistance and it was rescued after having been in the water for several hours.

Vote for the Scott Act and you can eat better.—Adv.

—MUST BE CLOSED.—Questions have been asked whether the opening of places where intoxicating liquors are sold is legal after the close of the polls on the day of the Scott Act election. The law distinctly says that no liquor can be given away or sold during the entire day, and all such houses must be kept closed until next morning. The penalties are heavy.

—THE Montreal Star has the following astonishing advertisement:—"Wanted, a Christian corner player. Address, 'B., 1231, Star office.' We know of several young men in Acton who could fill the bill, only they don't profess to be Christians. No Christian could conscientiously ignore the fact that his duty as a neighbor is to be quiet now and again. But to some corner players there is no rest.

—FIRE ENGINES.—The Milton town council purchased a second hand fire engine a few weeks ago, and having done so without any particular investigation, they now rue their bargain. At a trial of its capacity last week the Champion says:—"It just rained a feeble stream over a fence, and was beaten by the old engine, which was tested with new hose. If the fire company don't discover some way of working the machine to some purpose, the town will be in a position to advertise quite a stock of second hand extinguishers for sale."—Moral to councils: Don't deal in second hand squirt guns.

What better is the man who licenses a wrong than the man who commits it?—Adv.

—HURRAH for the Scott Act.
—SELECT your garden seeds.
—SPLENDID moonlight nights.
—FINE weather during the past week.

—The streets looked lively on Saturday.
Vote for the Scott Act and lessen crime.—Adv.

—Spring plowing hasn't commenced in this vicinity yet.

—The G. T. R. offers reduced rates for the Easter holidays.

—The snow has disappeared very rapidly during the week.

—Two on three of the young men of our village intend to leave, in a few days, for Colorado.

—The exercise called skating, being too violent for warm weather, is being dropped for a time.

—Mr. C. S. Smith's auction sale on Tuesday was well attended. The stock sold for good prices.

Vote for the Scott Act and you can pray better.—Adv.

—HOTEL keepers in this county are doing considerable in the treating business just now. Doesn't that satisfy their voters?

—MEMORIAL CARDS.—We have just received a fine assortment of memorial cards, with envelope to match. Call and see our samples.

—OUR merchants and business men are spending our columns with their spring advertisements. They will undoubtedly reap a rich harvest.

—We are constantly adding new type, etc., to our stock, and are better prepared than ever to do all kinds of plain and fancy printing. Give us a call.

—THE DUTCH MAIL.—The Guelph Herald says, the "Dutch Mail" is now the best furnished train on the G. T. R. It has been furnished with new cars throughout.

—ASSESSMENT.—Mr. D. Kennedy has completed his duties as assessor of this village for 1881, and has returned his roll. The total assessment is put down at \$131,510, and the population at 1052.

Vote for the Scott Act and you can sing better.—Adv.

—FOUR CRUISED.—One day last week as Mr. Samuel Laird was engaged in unloading a car at the G. T. R., a heavy plank fell on his right foot, crushing it badly. He has been unable to attend to his duties since.

—OUR ADVERTISERS.—By looking over the columns of the Free Press this week will notice a number of advertisements which have been changed and enlarged, which fact shows that our advertisers value their advertising medium, the Free Press.

—TEMPERANCE SERMON.—As has been announced by posters, Rev. Lachlan Cameron, formerly of this village, will preach a temperance sermon in the Methodist church on Sunday evening next, commencing at 6:30 o'clock. A very large attendance is expected.

—CREDITABLE.—The street and sidewalk commissioners have workmen employed already, repairing the village sidewalk. This looks as though they are anxious to attend to the public comfort of our citizens without any tardiness, and they will no doubt receive the thanks of the community for their foresight.

Vote for the Scott Act and you can sleep better.—Adv.

—HALLOW DIRECTOR.—Messrs. W. H. Brown & Co., of Hamilton, are canvassing this county for the purpose of getting out a directory. The post office addresses of the farmers, and classified business directory of professions, trades, manufacturers, mercantile and other business will form prominent features of the work.

—SCOTT ACT MEETING.—The services of Rev. Lachlan Cameron have been secured for Monday evening, 19th inst., when he will deliver a lecture on the subject of Temperance Legislation. The place where the meeting is to be held will be made known on the evening of Prof. Foster's lecture. Rev. John Smith, of Toronto, was expected to be present, but has not been able to complete arrangements.

—TOWN HALL.—The Shelburne village council have decided to submit a by-law to the ratepayers to authorize the issue of debentures to the amount of three thousand dollars for the purpose of erecting a town hall. The voting on the by-law will take place on Saturday, the 19th. We hope to be able to announce in a few weeks that Acton village council have decided to submit a by-law for the same purpose.

You might as well whittle yourself as to authorize another to do it.—Adv.

—WARNING.—An exchange sounds the following warning note, as follows:—"We have been informed that patent right agents are in the country victimizing farmers. They sell the patent right of a certain agricultural article for the county and take a note for the amount. The sale is repeated as often as possible in the one county, the amount realized by each transaction being \$100. Farmers in the eastern counties have been victimized to a great extent."

—SPRING OPENING.—We would remind our lady readers of the important fact that Messrs. John Hogg & Son's spring opening takes place on Tuesday next, April 19th, when the display of millinery, mantles, etc., will far surpass any former effort. The Wonderful Man has considerably enlarged and refitted the show room, and it is now one of the finest, and without doubt the best lighted room in the city. We would advise our lady friends who wish to see a fine display of all the latest novelties, to visit the store of John Hogg & Son, Guelph, on Tuesday next. Refer to advertisement for further particulars.

—The Scott Act cannot be enforced, says the rumrunner. If not, it is because whiskey makes outlaws. Temperance men will keep it.—Adv.

—Mr. Yenor, writing to the Albany Argus, says:—"The Spring will be fairly early; hot and dry, and the midsummer cool and wet. The autumn promises to be open, dry and fine. There is likely to be a great deal of sickness, during the year, but the weather—except in a few isolated sections—will be favorable to agricultural pursuits. The winter of 1881-2 bids fair to be open and generally mild, with few, and those short-lived, storm periods."

—In its list of the things it would like to see the Berlin Daily News of Monday has the following:—"We would like to see the Acton Free Press man outdoors for the concoction of headings. For the old style of heading them 'Born,' 'married' and 'Died,' he has substituted 'The Cradle,' 'The Altar,' and 'The Grave.' Why not put it 'Hated,' 'Matched,' and 'Dispatched.'—We are well satisfied with our present headings, but have no objection if the News wishes to use the last mentioned, in his columns."

It is not so much a question of dollars and cents as of bodies and souls,—merely ad religion. If you favor the latter, sweep out the whiskey with the Scott Act broom.—Adv.

I have been selling Perry Davis' Pain-Killer for the past six years, and have much pleasure in stating that its sale in that district has been larger than any other patent medicine that I have on my shelves, and in those years I have never heard a customer complain but words of the highest praise in its favor. It is an article that seems to have combined in it all that goes to make a first-class family medicine, and as long as I have a house and store, Perry Davis' Pain-Killer will be found in both.
