News and Jottings about Home.

-Having in a few weeks.

-ALL nature seems jayous.

-Our streets are in good trim. -New moon last Sunday night.

-Is the weather warm enough for

-Poraro buge are numerous al-

-WE had a systendid shower on Saturlay afternoon.

.- THE crops are coming on with wonderful rapidity.

-Our village never looked in better trim than it dees now.

THE shady side of the street is the one chosen these hot days,

sell off the streets this year. The cow by-

ity this year.

-" How am I going to spend the summer holidays!" is the next question to -MR. C. T. Hill is giving his shop

front a coat of paint, which will greatly improve its appearance. -Mr. II. McDermid is building a

blacksmith shop on the lot at the southwest corner of Mill and Wilber streets.

-THERE will be a total colipse of to 45c. the moon on the night of the 11th inst., at 12:15 a.m. Get your smoked glass ready. -- A PARTY of Acton nimrods went

caught six or eight dozen 'speckle lbeauties.' -Tue towns and villages in all parts of the country are following Actou's good example and passing probabitory cow

-HILL, the photographer, is dis- B. Watson of this village,) and J. E. Mosatisfied with the way we arrange the advertisements. See his etyle of type setting in

-An exchange thinks, "Its all mistake to suppose that whiskey roles a min the tighter he gets."

. -- The young maples planted on Bower Avenue den't seem to thrive very well. Afraid too much time elapsed after receiving them from the nursery before they were planted.

- MR. John Secord, Laving secured the agency of a number of Fire, Life and Accident Insurance Companies, Money to Loan, and Steambost Lines, is fitting up a convenient office on Mill street and will be ready for business in a few days.

-Ux Thursday morning a Grand secure good pasture for a month. Trunk special train made up of nine passengers, and an equal number of freight cars, passed through Acton for the west. The passengers were all French Canadians bound for Chicago, the Black Hills and Emerson.

- OUR LITTLE ONES " for June is one of the best numbers yet issued. Our Little Oaks if the Queen of Juvenile Magazince, and should tind a welcome in every family where there are children. Published by the Russell Publishing Co., Boston,

alord for redress from the cow nuisance but friends were in great consternation and there seems no man in the Council with learched in every direction. She was displack and independence enough to propose covered near the woods at the south end of such a law." Send your town council down Main at, by a man who was coming to here, Bro, News, and our village fathers town who brought her home, -Georgetourn will give them some practical advice on this Herald.

-Farring operations have been carried on under unusually favorable circomstances this year. The heavy frosts of the winter pulverized the soil to an unusual depth. The land works very cisily, and hardly an hour of unpropitions weather has passed since the commencement of the working senson. The rain his started vegetation nicely, and the present indications of an abundant crop are most estisfactory.
