-Wuar do you think of the revised cw Testament !

-Considerable promonading is indulged in these fine evenings. -Tue streets presented an unusuali tirring appearance on Saturday evening.

-A NEW culvert has been put in near Stephenson's blacksquith shop, on Main

-THE shower which fell on Monday

evening, though very light, seemed to par ricor into all the crops. -MR. R. Little, P. S. I., reports

very creditable condition. -OAKVILLE lets cows run about the streets to give the place a rural air, for the

purpose of stirscting sammer visitors. - Ex. -THE wind during Monday evening's storm wrenched off the large gate leading into Mrs. S. A. Secord's garden on Mill

-Cornespondents will please ocar in mind that all communications must be in not later than Tuesday evening, to insure insertion.

-MESSES. McCrae & Co., Guelph, forwarded on Friday last, per express, over 600 pair of hose as a domation to the suffer- weeks. ers of the Quebec fire.

-THE body of Willie Walker, of Guelph, who was drowned five or six weeks ago, was found in the river last week in an

-MR WALTER McKey, late Georgetown, now of Portage La Prairie carried off the prize offered by the latter

town, for the best plan of a market house. -WE HAVE received the prize list of the Third Annual Dominion Exhibition, to be held in Halifax, N. S., commencing on Wednesday, Sept. 21st, and closing on Friday, Sept. 30th. Cash prizes amounting to \$15,000 are offered.

-Ir was stated in the Presbyterian that the Rev. L. Cameron; of Thamesford, Monday. formerly of Acton, had resigned his charge there. This is incorrect. Mr. Cameran has no intention of resigning, but he intends to leave for Scotland this week on a visit.

Milton; on the creaing of Tuesday the 21st inst. Besides local talent, a number of ladies and pontlemen from Hamilton will

take part ja the performance. - Champion. -IF EVERY man would make it his business to but the grass in front of his provement to the appearance of the streets, served a most beautiful view in the western and the grass, on which cows are not allow. hips. The remainder who were on the ed to pasture, could be gathered in and thus

utilized for winter food. -THE eclipse of the moon took place early on Sunday morning, and was witnessed by a number of our citizens. The eclipse began about 12:15, reaching a total obsciration at 1:17; attained the middle of the eclipse at 1:58, and continued until 2:35,

when the moon appeared. -IN RESPONSE to an invitation from number of Pedo-Baptists, Rev. T. Wilkinson has consented to deliver a course of lectures on the nature, subjects and mode of Baptism, in the Presbyterian church, Everton, commencing on Monday evening,

20th inst., and continuing five nights. -THE work on the new Preshyterian Church in this village is progressing favorably, and when completed, will be a valuable acquisition to the public buildings of the place, as well as a comfortable edifice for the large congregation who weekly assemble together to worship God. The cor-

-THE Acton FREE PRESS says that "the town and villages in all parts of the country are following Acton's good example and passing prohibitory by-laws." Would it not have been a good thing if the FREE Press could have included Eria .- Eria Adricate. Had the Advocate copied correctly what the PREE PRESS said, the item would have read, " prohibitory cow by-laws."

-WE ARE informed that Mr. Wm. Stephenson, of the late Acton Plow Co .now of Jurdan-has invented and received letters patent for a ground anger, for boring poet holes or wells. It is claimed that it will work successfully in the hardest clay road in the dryest season, and is capable of boring a hole three feet deep in three min

-Ix our last issue it was incorrectly stated that Capt. Kerns and Lieut, Breckor had resigned their commissions in the 20th Battalion. Capt Kerns has been promoted to the office of Major, and Lieut. Breekon retains his position. Col. Murray and Capt. JIR WK S. Smith, for the past McMaster have resigned. Major Allan of this village now hold the office of Col., and is in command of the regiment.

> -ME. R. LITTLE, P. S. Inspector for this county, inspected Milton Mochanics' Institute this week, and kindly furnished total number of vols. on stock book, 2,729; total number in the library including 96 rela.-of sessional papers, 2,233; total numnumber in the hands of readers, 250; total

> nuscounted for, 139."-News. -THE LAST issue of . Grip contained the following rich hit on the Mercury :-"In the city column of the Guelph Mercury

THE REVISED NEW TEXTAMENT .- T. J. Day; having an eye to the spiritual welfare Spring Wheat, (Glasgow ... of the printers of the Mercury, has presented a number of the employees with a revised of the New Testament. They are converged of the bookstore.

-Ox THURSDAY last while Mr. W Husband and wife, of Kassagawoya, near Knatchbull, were absont from home, burglars entered their residence and abstracted therefrom the sam of \$170, part of which belonged to the Methodist church, Mr. Husband being Treasurer for that body. Two sous of Mr. Husband were hauling

manure from the stable to a field near the

house, but sax nothing of the burglars. It

is generally supposed that the perpetrators

were well acquainted with the promises.

-Ix ax advertisement in the Halton -THE SIDEWALK on Main and Mill Directory just published, the editor of the street is now being pushed forward with Georgetown Herald has the audacity to state that the Herald is "The Halton Temperance Organ." Wonder who gave him authority to call his journal " The Tempersace Organ." There are three or four other papers in the county who have the same right to assume that they are "The Temperance Georgetown Mechanics' Institute to be in a Organ." The Herald should at least try to keep to the truth if it is only in an adver-

> -THURSDAY morning last Mr. Isanc Orr, an employee in Mesers. S. Moore & Co's stave factory, met with a severe accident. The stave-cutter had been unwell for a week or more and the factory had not been running in consequence, and to save further loss of time Mr. Orr concluded to try to fill very well for about an hour, when by some means his left hand slipped into the machine and he lost about half an inch off both the second and third fingers. Mr. Orr thinks he won't try stave-cutting again for a few
