Credit . One of the mercantile agencies, after reporting the generally favorable out look for business in this country, takes occasion to atter a timely word of our tion against the expension of credit, always the lane of prosperous times, and the source of vast calamities whenever reverses come; the locking up of unavailable in time of need; the increase of business and personal expenses, and now be settled in full and resolves

The Suffering President

It is almost too soon to congrutulate ourselves upon the recovery of Presi dent Garfield, but according to the latest advices he is making steady point is said to have been passed. It home in Nassagaweya during the week, of the appreciation in which the reis exruestly hoped by all that these and under the skillful treatment of Dr. medies were held by his Highness. predictions may be fully realized and Winn, is progressing as favorably as Thus is the cureer of Thomas Holloway that the progress so far may be marked by still greater improvement. Mean while the feeling in the country is one of intense indignation against the author of this atrocious crime and his abettors, for many, who should have more judgment, will insist that the President was nearly the victim of a foul conspiracy of which Guitesu was merely the tool.

The Twelfth

Reports from all parts of the country concerning processions on "The - Twelfth," state that everything passed off orderly, and quietly, a fact which ing out of the drowning of the com must be gratifying to all. We hope plainant's daughter from the steamer the time is past when people of different Victoria on the 24th of May last. The religious creeds, will harbor ill feelings; defendants were manager and captain toward each other during their celebratives, and criminal prosecution tions, picnics, etc., and that good-will, was taken after the verdict of the to men will always be an established coroner's jury was returned.
