THE PRIZE LIST MULIANOE

county show peres lists will commence | Nassagaweya. It has burned a bridge with the exhibitions but we trust the Wellington stethat point. The fire has day is not far distant when the officers also run over about 180 keres, but the of these exhibitions will not rely upon the generosity of the publishers of their danger therefrom decreased since the at J. C. Hill's. local papers for the publication of list of the prizes awarded, but wil consider it their duty to publish the prize lists at the expense of the societies holding the exhibitions. The present system is undoubtedly unjust to a large number of readers who have no interest whatever in the prize lists, and it is also an annual bore on the publishers, who are obliged to spend a day in 'securing the necessary information, to. therewith.

THE PRICE OF GRAIN.

Wheat has attained a very satisfac fory price and is likely to continue at a good figure for, some time. Several trouble atising from a cut received on causes have contributed to the rise, the thumb some time previous, from Among these the most important is the which blood polsoning ensued, and this shortness of the croft of the current with a complication of other troublesyear. In Canada the yield has been notwithstanding that all that medical sold cheap. above the average, but nowhere else, wid and the most careful attention of mated falling off of 15 per cent., in -terminated his existence at a period at Pearson's. Germany (and other continental countries of from 10 to 15 per cent. on the him; and most by those with whom he will be still worse, for, although in the a brother he was most affectionate and Henderson & Co's. Rare value. early part of the season, there was every as a son most dutiful, and it was promise of a good harvest, some weeks apparent to many that he exercised Wellington Marble Works, Goelph, are ago the rain set in and it "rained much self-denial in order to make as ing them with their orders. If you need every day," so that much of the grain comfortable at possible the declining anything in their line becare and remember has been -destroyed. The English years of his aged and widowed mother. farmer is thus in a worse plight than ever. Three successive had harvests together with high rentals and the competition brought about by the breadstuffs from this side of the of bankrupter. The attention of the little of his attention and recognizing cultivation of crops which are com Division he was re elected at the openparatively safe under uncertain conditions of weather, and with which the products of America and the continent the annual nomination of village of Europe can not successfully com-

TORONTO HOTEL REEPERS

And Their Action is Refusing to the contest. accommodate the Jubiles Singers

The Montreal Wilness says :- Canada has again been disgraced by its hotelkeepers. The Toronto licensed victualers have relused admittance to the Fisk Jubilee singers, as all but the best hotel in Montreal did. Vulgarity can ordinarily be passed over in con- field was carried to the grave on Monday tempt; but when it involves a disgrace with so great a funeral display and to the country, and a refusal of the attended by such a multitude of mournsimple rights of the country's guests, ers as must ever make the event action seems necessary, and until some memorable. It was certainly the chief writes:—"I wish to inform you of the wonderful qualities of Dr. Thomas' Eclec tric (ii). I had a horse so lame that he perilogs for a hotel to act the part of a also the saddest. Over 300,000 persons hooding the country was in dishonored by this action.
