

THE FREE PRESS.

THURSDAY MORNING, Oct. 13, 1881.

TO THE FARMERS... When in Acton call on Geo. Hynde...

A SPLENDID OFFER.

In order to increase our already large circulation we have decided to make the following liberal offer...

LOCAL MATTERS.

ROCKWOOD Show to-day.

LOOK out for cold weather.

LEAVES, nuts, and temperatures, are falling.

LOOK out for Artist Hill's new advertisement week.

THE days are getting cold and dark and dreary.

THE fees of the Sheriff of this county amount to \$1,698.

JACK Frost got in some pretty solid work on Monday night.

REPAIRS were made to part of the sidewalk on Main street last week.

THE tramp now tells you that he was burnt out in the Michigan fires.

MR. Wm. Leichman is erecting a house on Mill street, north of the G. T. R. depot.

PURCHASE your goods from those who advertise in the FREE PRESS if you want a gain.

THE Walkerton Herald says the net receipts at the Northern Exhibition amounted to about \$14,000.

THANKSGIVING services will be held in St. Alban's Church on the evening of Thanksgiving Day, at 7 o'clock.

MR. HUGH Cameron has disposed of his property on the corner of Church and Fifth streets to Mr. Abram Stanfield.

THERE was quite a little snow upon here on Monday, but the bright rays of the sun soon caused "the beautiful" to disappear.

A FEW loads of short wood are wanted at this office. Those who wish to pay for their paper in wood should bring it in at once.

MR. Thomas Cameron won seven first prizes and two seconds, and a diploma, on his sheep, at the Northern Exhibition, Walkerton, last week.

THE cold snap has been very severe, not only in Canada but throughout the Eastern States. Snow fell at many points throughout the country.

THE old gentleman from St. Mary's, who was injured by falling through the culvert west of the G. T. station, died on Sunday last.—Georgetown Herald.

WE are informed that Mr. James Goodall has purchased the property of Messrs. Brown & Hall, on Queen street, and that he will erect a dwelling house thereon.

WE HAVE received from the Shober & Carverville Lithographic Co., of Chicago, Ill., a splendid engraving of the late President Garfield, and one of his autograph letters.

NO MAN should be allowed to keep his horses standing in the street without having them tied. It not only endangers his own property, but also the life and property of others.

Knox Presbyterian Church, of Mill ton, has secured the services of Dr. Wild, Toronto, to deliver his famous lecture, "The Seven Miracles of 1882," in the Town Hall on the evening of the 24th inst.—News.

THE slaughtering of cattle, pigs, etc., on the stock trains at the west gate, G. T. R., near Mill street in that vicinity in a very unwholesome state. A culvert should be put in by either the G. T. R. authorities or the village council.

A TORONTO printing company printed 30,000 circulars for Mr. James Matthews, of this village, last week, and through careless proof reading an error occurred which rendered them useless and the company were compelled to duplicate the job.

THE Frederick street sidewalk has at last been completed. Egin street hasn't been commenced yet. If the street and sidewalk committee don't intend to build it this year they had better have the lumber properly piled, as the way it is lying at present causes it to assume all manner of shapes.

WE beg to extend our sympathy to Mr. & Mrs. C. S. Smith, of this village, on the death of their infant daughter. It being their only daughter the loss will be more severely felt, but their great consolation is in the thought that it is saved from the afflictions, sorrows and sufferings which befall all whose lives are precious. The bereaved parents have the sympathy of this community.

THE town council at its last session fixed the rate of taxation for 1880-81 at 16 mills on the dollar. An effort was made to raise the rate, on account of the loss to the revenue of the tavern licenses amounting to over \$300, but the majority were of the opinion that by reducing the tax on the streets that the town might increase its income year after year, a rise would be inevitable.—Milton Champion.

OWING to "no quorum" there was no meeting of the Village Council Tuesday evening. This is the second time the council have failed to meet within a month. Isn't the new town hall business being neglected? Come, gentlemen, the people of our village are looking to you to transact the business of the municipality in a business manner. We presume, however, it is owing to the illness of a couple of the members that no meetings have been held.

Get your status in order.

HURRAH for Acton Brass Band.

Did you see the snow storm on Monday?

THE turkeys are fattening. Thanksgiving is coming.

A COUPLE of drunken men, both strangers, paraded the streets on Monday.

THE prize list of Halton County Exhibition and Brantford Township Show will appear in our next issue.

THE monthly fair last Thursday was very poorly attended. A good deal of grain came in that day, however.

A THANKSGIVING service will (D.V.) be held in the Methodist Church here, at 10:30 o'clock, on Thursday next, 20th inst.

MILTON's rate of taxation for the current year is 16 mills on the dollar. It is expected that the rate will be much higher next year.

THE editor of the Walkerton Advocate desires wants somebody to get up a pumpkin pie social. Must be some Yankee about you, Bro. Buchanan.

AN OLD gentleman, name unknown, received an ugly cut on the face by attempting to get off a train while in motion, at the G. T. R. depot, on Friday evening.

THAT winter is at hand might have been easily guessed during the past week by the number of men to be seen on the streets carrying home pieces of stovepipe.

MR. J. O. Barber, Georgetown, had three colts killed and one badly injured by a N. & N. W. train on Thursday morning. The G. F. company will have to pay the bill as it was owing to the fence being out of repair that the horses got out on the track.—Herald.

ONE of the grain buyers on Guelph market has been caught cheating the farmer by light weights. The case was taken into court and judgment given against him. The Mercury says: "A few more cases like this would be better for both farmer and buyer. The difference in this being over two bushels in forty-three, shows the necessity for strict buyains."

THE wise business man (remarks the Toronto News) not only advertises, but advertises wisely. "Littering the streets with dodgers, and thrusting hand-bills into the face of the passerby, who either tears them up or throws them away unread, is not wise advertising. The way to reach the public is through the columns of a live newspaper, which the people take home to read, and having read, discuss."

MR. R. R. Rio, G. T. R. Agent, who had his arm broken while visiting friends near Newcastle, returned home on Friday evening. Mr. Rio had been out driving with a friend, and the horses becoming unmanageable overturned the carriage, throwing Mr. Rio into the ditch, by which he had the left arm fractured a few inches below the elbow. The broken arm is mending very satisfactorily, and we hope he will soon be able to resume his official duties.

WE have received from the author, Rev. William Williams, Guelph, a copy of a sermon on "The Death of President Garfield," preached in the Norfolk street Methodist Church, Guelph, on Sabbath evening, 25th Sept. The sermon is a most able and interesting one from Isaiah xlii: 12, "I will make a man more precious than fine gold, even a man than the golden wedge of Ophir," and is published in compliance with the request of a number of the citizens of Guelph. For sale at the bookstores.

THE Erin Advocate of last week says: "A great many attribute the failure of Equipping fall show to the fact that Acton and neighborhood claim a right to the exhibition every alternate year, and fail in this, become careless and disinterested. Let Acton have a trial trip and see what kind of a splutter she can make." If Acton is favored with the Township fall exhibition, it will no doubt do her utmost to make the show a credit to the township, and to sustain her reputation for making anything she takes an interest in a complete success.

THE Oakville Express has changed hands the second time within a year, Mr. Amos having disposed of the paper during the past week to Mr. Joseph Joyce, an old Oakville boy, who says he has for twenty-five years had an ambition to become possessor of the Oakville Reform Journal. It is not a very prosperous sign, to see a journal change hands so frequently, but we trust that under the new management it will prosper, and we will rejoice to see Bro. Joyce succeed in his long desired and at last acquired situation.

ACTON Brass Band have given a most creditable account of themselves as in this week, by winning the First Prize and \$35.00 cash in the Band Competition at the County Show held at Milton yesterday. The honor is apparently much greater when it is considered that they had for opponents the Battalion Band of Halton Co. Rifles, of Oakville, who were awarded two prizes, including five first prizes. The Brass Band were also present but this time had to be contented with third place in the competition. Our boys played very well, many doing their own part with the utmost precision. Bro. Joyce's splendid arrangements were well received by all, but each member deserved equal credit. The judges were all experienced musicians, and each one came to the same conclusion, viz: "That Acton had off the best playing during the contest." Our citizens should, and no doubt will feel proud of their band, and we trust a deeper interest in their welfare will be established.

We congratulate you, baby boys.

EVERYBODY looked blue on Tuesday morning.

Don't fail to read all the advertisements this week.

Are you satisfied with the site chosen for the new Town Hall? If not, why not?

THE Equipping Show which was crowded out of last issue, appears on our last page.

FARMERS or others wanting to sell or rent their property, will find it greatly to their advantage to call on us.

Quite wintry like this week. Hope Vesper's getting a good old fashioned Indian summer ready for the early part of November.

The directors of the Georgetown Mechanic Institute at a late meeting voted \$200 for the purchase of additional books for the library.

A STRANGER in Acton complains to us of the sweepings from the streets being cast upon the streets. He says it is a disgrace that such is allowed by the corporation authorities. If there be ground for this complaint, he is right.

REFERRING to the Brass Band competition at the Equipping Show the Georgetown Herald says: "A good deal of interest centred in the Band competition, the sympathy of the crowd being with the 'vocal boys.' We must say that we hoped to see Norval ahead, but we must honestly confess that the Acton boys did the finest playing both as to time and harmony. Their music drummer is A. I. We hope to see Norval wear the honors from Acton ere long." Acton Brass Band will no doubt be ready and willing to meet Norval at any time or place when they think they can "wrest the honor from Acton."

THE Semi-annual Convention of the Teachers' Association of this county commences at the Public School this morning. A very interesting programme has been prepared. Two sessions will be held in the school building to-day and Wed. W. Ross, Esq., M. P. of Stratford, will lecture in the Methodist church this evening, subject: "Intellectual Forces." Tomorrow two sessions will be held at the school, and Rev. J. Thompson, M. A., of Ayr, will lecture in the Presbyterian church in the evening, subject: "Music." The last session of the convention will be held on Saturday forenoon. We trust all our citizens who possibly can will attend the various sessions of the convention and show by their presence that they take an interest in the education of their children.
