Answer to Many Correspondents.

In reply to numerous inquiries from our readers, concerning the wonderful qualities of the Great German Remedy, St. Jacobs Oil,—mentioned in our last issue,—we would inform them that the article may be obtained from our retail druggists, or by their aid. Ask for St Jacobs Oil, and if the dealer does not keep it in stock, he will be able to procure it in a few days from the wholesale houses. We understand there is existing an immense demand for the remedy, which is not so very surprising when it is considered what it is daily accomplishing in the way of relief and cures, bordering, in some instances, on the miraculous.

Ask your dealer for "Castorine" Machine Oil, and see that the Barrel is branded "Castorine," as none other is genuine.

Manufacturers of Reapers, Mowers, and Threshing Machinery, prefer "Castorine Machine Oil to any other. It will outwear lard, seal and elephant, and is warranted not to gum.

Use "Castorine" Machine Oil for all kinds of machinery. It is also excellent for Harness or Leather, making it water and weather proof.

To indite well and to write well are valuable accomplishments, but a good pen is helpful to the one, and indispensable to the other. Those of Esterbrook make are well known and widely appreciated.

A lifetime of torture is often endured by the rheumatic. Their pangs may, however, be promptly relieved and the disease eradicated with Dr. Thomas' Eclectric Oil, which is, moreover, a swift and thorough remedy for neuralgia, lame back, sores, bruises, frost bite, corns, excoriated nipples, inflamed breasts, liver complaint, and all affections of the breathing organs.

W. W. MCLELLAN, Lyn P. O., writes:—"I was afflicted with rheumatism, and had given up all hopes of a cure. By chance I saw Dr. Thomas' Eclectric Oil recommended. I immediately sent (fifty miles) and purchased four bottles, and with only two applications I was able to get around, and although I have not used one bottle, I am nearly well. The other three bottles I gave around to my neighbors, and I have had so many calls for more, that I feel bound to relieve the afflicted by writing to you for a supply."

Holloway's Pills.—Nervous Irritability.—No part of the human machine requires more constant supervision than the nervous system—for upon it our health—and even life—depends. These Pills strengthen the nerves, and are the safest general purifiers of the blood. Nausea, headache giddiness, numbness and mental apathy yield to them. They dispatch in a summary manner those distressing dyspeptic symptoms, stomachic pains, fulness at the pit of the stomach, abdominal distension, and regulate alike capricious appetites and confined bowels—the commonly accompanying signs of defective or diminished nerve tone. Holloway's Pills are particularly recommended to persons of studious and sedentary habits, who gradually fall into a nervous and irritable state, unless some such restorative be occasionally taken.

THE ALEMBIC OF THE BODY.—The stomach is the alembic of the human system. In it those wondrous chemical changes take place which result in the transmutation of food into blood. When it is vigorous the necessary processes of digestion and assimilation go on uninterrupted, and the system is suitably nourished. When it is feeble or disordered, they are obstructed, and being in consequence ill supplied with blood of a vitalizing quality, the physical organism becomes weak and feeble, the nerves suffer, the liver and bowels are semi-paralyzed, and appetite and sleep fail. These disastrous consequences may, however, be prevented or remedied with the supreme stomachic and aperient Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, a medicine of rare purity and efficacy, which reforms a disordered and repairs a weakened state of the digestive organs, overcomes biliousness, relieves the bowels when obstructed without straining or weakening them, and promotes the exit from the system of impurities which infect the blood, which cause serious organic maladies. No objectionable mineral contaminates it, and its value is not marred by a subsequent re-action prejudicial to the general health. Far preferable is it to the ordinary nauseous drugs used to produce a similar effect, but which are frequently ineffective, as well as unpleasant; nor is it a cheap and valueless medicine puffed into existence. It is used for dyspepsia, biliousness, affections of the blood, kidney complaints, female weakness, lumbago, etc., and in all blood diseases it is unequalled. Price $1.00. Sample Bottle, 10 cents. Ask for Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure. The wrapper bears a fac-simile of their signature. Sold by all medicine dealers.

THE VERY NEWEST STYLES OF MILLINERY at the RIGHT HOUSE

Although Watkins is not going to have an OPENING DAY on account of his immense staff of clerks being driven to their utmost ability in waiting on the vast number of customers which throng his capacious stores, and in marking and getting his enormous stock into the various departments to which it belongs, yet he never had a more suitable richer or more effective stock to make one of the richest and most imposing displays of the season with, only it would be a cruelty to his clerks to ask them to remain late at night for several nights to get the goods placed in showy and attractive positions, and then there is no necessity for it, as the exceeding low prices, good qualities, fast colors, and great durability of his goods only require them to be shown to customers in a quiet, polite manner to insure their sale. Then the knowledge that customers have, that if any mistake occurs or anything is wrong, it will be made right on application to the principal; and that as all goods are marked in plain figures at the lowest prices, there will be no over-charging, or advantage of any kind taken of any person, so that a child can buy as cheap as a grown person. He is particular to have his woolen goods dyed BY THE BEST DYERS IN THE WORLD. HIS BLACK CASHMERES are dyed by the celebrated French dyers, CHAPPAT & CIE, OF PARIS, and are warranted perfectly fast shades of beautiful blue, and jet blacks, and are fully 10 per cent. better value than last year. He keeps them in both 36 and 45 inch widths, and gives much finer Cashmeres in the 36 inch widths, than he can in the 45 inch width for the same money. He has imported by far the richest, most stylish and really beautiful stock of FRENCH FLOWERS this season that he ever had. His stock of OSTRICH AND FANCY FEATHERS is enormous, in black, white, and all the new colors and shaded styles. All shades, colors and qualities of Satins, Silk Velvets, Plushes, Ribbons, Laces and Ornaments for Millinery and Dress purposes. Mantles of all prices, Mantle Ornaments, Fringes, Gimps, Cords and Tassels in great variety, and the very latest Paris styles. Carpets of all qualities in Brussels, Tapestry, Ingrain All-wool, and Union and Hemp Carpets from the lowest priced to the very best. Carpets laid and made in the best manner.
