If You Don't Believe It, Ask Any Doctor. And he will convince you that St. Jacob's Oil is the most wonderful remedy that has ever been brought before the public.

Ask your dealer for "Castorine" Machine Oil, and see that the Barrel is branded "Castorine," as none other is genuine.

Use "Castorine" Machine Oil for all kinds of machinery. It is also excellent for harness or leather, making it water proof.

"A SOUND MIND IN A HEALTHY BODY."—The old Roman idea of the highest degree of happiness. The Liver rules the most important organs in the body.

"I have much pleasure in recommending Dr. Thomas' Ecodic Oil, from having used it myself, and having sold it for some time. In my own case I will say for it that it is the best preparation I have ever tried for rheumatism."

"Brown's Household Panacea" has no equal for relieving pain, both internal and external. It cures Headache, Neuralgia, Toothache, Lumbago, and any kind of Pain or Ache.

Holloway's Pills.—Important for the delicate—it is difficult to determine which is the more trying to the human constitution, the damp, cold days of autumn and winter, or the keen, dry, easterly winds of spring.

The great results which have attended the regular use of Quinine Wine, by people of delicate constitution and those affected with a general prostration of the system, speak more than all the words that we can say in its behalf.

The only certain, safe, and effectual cure for Catarrh, built up the system and drives all other diseases at the same time. Adams, 300 St. John Street, Montreal.
