We tender our thanks to those of our patrons who responded to our request...

A FULL attendance of the members of Acton Lodge, L.O.O.F., is requested for Friday evening, as important business will be transacted.

LAST week we sent out a large number of copies of the FREE PRESS to residents of Acton and vicinity.

THE annual Ploughing Match of the Evening Agricultural Society will be held to-day, on the farm of Mr. Henry Hoffman, lot 11, con. 3, near Ashgrove.

Now that the fall fairs are all over, and we will have considerable more space at command, we hope our correspondents will sharpen up their pencils and send us all the local jottings in their different localities.

This week concludes the fair business for the season, and newspaper men—and the bulk of readers, too, we imagine—will not grieve at the absence of the columns of prime-late until next fall.—Guelph Herald.

AN exchange has the following kind words to say for the Oysters:—"Raw oysters are the only fruit which, eaten at night, won't get up in the small hours and kick the plastering all off the inside of a fellow's stomach."

A GREAT many complain that Thanksgiving was appointed at too early a date this year, and that farmers especially, were unable to attend the church services, owing to the fact that they were too busily engaged in taking in their roots.

THE heavy rain of the past week or so has begun to break up the roads, and it will not be long before we shall have our usual season of mud. Some of the country roads in this section are a disgrace to the municipalities through which they pass, all of them might be placed in a good condition at a very small expense.

THE Georgetown Herald says—"We understand that glaring violations of the present law respecting the closing of hotel bars from 7 o'clock Saturday evening till the following Monday are quite common. On Sabbath last, we have been informed, an Acton hotel keeper dealt out the liquor in the most open manner, whilst the same thing is constantly taking place here in Georgetown." Query: Who was the Acton hotel keeper who so openly put the excellent (?) Crook's Act at defiance.

THANKSGIVING Day was observed in this village and vicinity by the general suspension of business. The Thanksgiving Services in the Methodist, Presbyterian and St. Alban's Churches were very well attended. Collections were taken up in behalf of the poor. The majority of our citizens spent the day as a holiday. Some went out shooting, others visiting their friends, while a large number accompanied the Brass Band to the Erie Exhibition. Though cloudy and wet looking in the morning the day proved fine and pleasant.

WE OUP the following referring to Dr. Forster, who has taken up his residence in our midst, from the Berlin Daily News:—"We are very sorry to learn that Dr. M. Forster, of this town, is about to move to the village of Acton, where he has purchased the drug business and good will of practice of Dr. Morrow. Dr. Forster and family during their stay in Berlin, have made many warm friends who will join with us in regretting their removal. The Dr. is an excellent and successful practitioner of many years experience, and we are confident his services will be readily sought for. His absence will be severely felt in the Canada Methodist Sunday School, of which he has been the efficient superintendent."

It rained partly all week. Its all around town—mud. Next Monday night is Halloween. Cabbages are scarce this year. Numerous changes of residences are being made by citizens at present. Astronomers promise a big display of meteors on the 13th of November. Rev. J. H. Lowe has been engaged to the pastorate of the Baptist congregation in this village. A number of the sporting citizens are making arrangements for the organization of a curling club. The usual Quarterly Services will be conducted in the Methodist Church here a week from next Sunday. SATURDAY the town wore an aspect of business bustle and activity that spoke volumes for the revival of trade. Mr. Wm. Heston has leased the farm in this village of the late Samuel Moore, Esq., for a term of years. Moore's shingle and stove factory resumed operations yesterday, after having been closed for about three months. An "Elgin street frequenter" addresses a few words in another column, to the Council and Street and Sidewalk Committee. THE Disciples are re-shingling and otherwise improving the driving shed in connection with their church, on Church and John streets. THE Moore's are making arrangements for the erection of a finishing shop in connection with their carriage and wagon manufactory. DR. Forster is removing his stock of drugs, etc., from the shop recently occupied by Dr. Morrow, to Mr. E. Crook's store. He will have much more room in the latter place. A LITTLE bird tells us that the editor of the Georgetown Herald is paying his attentions to one of our Acton girls. We all ways thought the Georgetown girls were at a discount. OWING to the bad roads, and being a very busy season with the farmers, the special services conducted by Rev. T. L. Wilkinson at Crook's Corners, have been closed for the present. THERE is something peculiarly sad dening in the bleak, dreary days of October, when the smile is gradually fading away from the face of nature, and the stern realities of life are becoming more painfully apparent. THE trustees of the Methodist Church intend improving the heating apparatus in their church by adding two more registers. It is also contemplated to remove the orchestra from the back of the pulpit to the end gallery. CHRISTMAS week is not very far distant, and amid the busy toil of life the days will pass us by until December 25th shall unfold the holy memories of childhood which unweave the hearts of all our readers. LAST Tuesday evening was the regular night for meeting of the Village Council, but no meeting was held. You'll have to give a better account of yourselves, gentlemen. The ratepayers are watching you, and election time is coming. ADVERTISING is the fashion this year. There is money in it. The advertiser who advertises most, makes most cash. His balance sheet, at the end of the year, shows the best result. He may congratulate himself. He has good standing at bank. MR. J. E. McGarvin has let the contract for the enlargement of his drug store. He intends to have a two story addition put to his present building, and will have his shop extended back about sixteen feet further. Additional shelving will be put in and the shop generally improved. Mr. McGarvin is determined to have a drug store second to none in the county. THE grain market in this village has been considerably more lively this week than for some time previous. Wheat and barley have both taken a rise in price, which no doubt accounts for the increased amount of grain offered. The prices this morning are:—Fall Wheat, \$1.20 to \$1.28; Spring, \$1.28 to \$1.29; Barley, 90 to 94c; Peas, 70 to 75c; oats, 80 to 85c, and Rye, 80 to 87c. THE following is the Georgetown Herald's report of the Teachers' Convention recently held in this village. We are sure they will be proud of the "send-off" the Herald gives them:—"The Hallow Teachers' Association met at Acton on Thursday and Friday last. With words of learned length and thundering sound, the astonished rustic sat amazed that the heads of the learned dominies afforded space enough for the superabundance of knowledge which emanated therefrom. The teachers had a good time, especially the unmarried portion, who wished this life were one teachers' convention continuous. FIRE. The residence of Mr. H. E. Grimston, on Mill St., narrowly escaped destruction by fire this morning. About two o'clock the inmates were aroused by hearing the crackling of burning wood, and upon examination found that the back kitchen was in flames. The alarm of fire was given and a large number of citizens were soon on the spot. By their strenuous efforts the fire was confined to this part of the building. The furniture was removed from the house, and the most of it was saved in good condition. Several carpets and two stoves were burned. IT is our pleasant duty to announce in this issue the union in matrimony of Mr. C. W. Hill, Photo Artist of this village, and Miss Emma McGarvin, eldest daughter of Dr. N. McGarvin, of Georgetown, formerly of this village. The ceremony was performed on Wednesday evening, at six o'clock, at the residence of the bride's father, by the Rev. G. W. Calvert, of St. Catharines. Mr. Hill and his bride are both natives of Acton, and have always been held in the highest esteem by the young people of the village. THE FREE PRESS congratulates the happy couple, and wishes them every blessing of heaven and earth.

Mr. John Ahern returned home on Tuesday. Mr. R. F. Hughes has returned to Muskoka. Mrs. E. Cook is visiting her friends in Watford. Miss Ellen Nicklin, of Harrison, is visiting her friends here. Mrs. Chas. Dean spent several days this week with friends in St. Mary's. Mr. and Mrs. J. R. Hughes returned on Saturday from their visit to Acton. Mr. P. C. Flourey of Markham, spent several days this week with his Acton friends. Mrs. W. T. Smyth and Miss Lizzie Moore spent several days this week with friends in Brantford. Messrs. E. Farley and H. Finch, of Toronto, spent Thanksgiving Day with their Acton friends. We are glad to see that Mr. Alex. H. Brown, who was laid up for about six weeks, is able to be about again. We are pleased to learn that Mr. Davidson, of the Guelph Mercury, is fast recovering from his recent illness. Mr. Fred Calkoden, of Indianapolis, Ind., made his sister, Mrs. S. A. Record of this village, a short visit this week. Mr. Thos. Kennedy and wife, of Parry Harbor, are visiting their friends here. Tom's jolly as ever, notwithstanding his becoming a bachelor. Mr. Wm. Finlayson, of Toronto, who has been engaged in Birmingham, England, during the past year, in connection with the business of Messrs. W. H. Storey & Son, was in town on Friday last, and called upon us.
