A Lesson in Spelling.

The following short sentence was dictated by the late Lord P. Ineraton to eleven British cabinet ministers...

It is disagreeable to witness the embarrassment of a harassed peddler...

And Lord R. Cecil, in the House of Commons some time ago, quoted the following lines which he said were given...

In regard to the last nine lines, the following is true:—A young man who had been working as a hired hand...

John's Reason. A circus came in town, and every body knows how the towns and city...

"No, sir," answered Johnny, "father don't like 'em."

"Oh, well, I'll give you money to go," Johnny said to the man.

"Father don't approve of them," answered Johnny.

"Well go in for once and I'll pay for you."

"No, sir," said Johnny, my father would give me the money if he thought 'twere best...

"I'd go, Johnny, for once; it's wonderful the way the horses do," said the man.

"I can't," said the boy.

"Now why?" asked the man.

"Cause," said Johnny, twirling his bare toes in the sand, "after I've been to the circus, I can't see any more of 'em."

Tidy and Neat. As a general rule for living neatly and saving time, it is better to keep clean than make clean.

In working, if you make a practice of putting all the ends of your thread into a division of your work...

Before Taking many other Diseases, you should first take Gray's Specific Medicine.
