Who contemplate emigrating to  
Australia, will find the following  
information of great service:—The  
adventures of Mr. John T. McNaul, who  
has been demonstrated, by long  
experience, that the young man who has  
spent six months or a year in the Gold  
Fields of Australia, may, at the end of three  
years, be a wealthy man. Before he has had  
such a course of training which is indispensable  
to success in business, he will have  
acquired a knowledge of the English lan-
