NOT GOING TO MANITOBA

But I'm going to stop right here in Acton, and intend to do the largest trade this season I have ever done because I have the goods to do it with, and the prices are closer than ever.

The question is often asked, "How can GREEN sell so cheap and still make money?" My answer is just this: I buy close and keep a sharp look-out at all times for bargains, and bay everything that a farmer offers for sale, and my customers invariably get the benefit of it.

I have a Full and Complete line in GROCERIES. All Fresh, Clean and New. The Largest Stock of CROCKERY AND GLASSWARE Ever Shown in Acton.

DISHES, any color, any price, or any style you want. Special attention given to the Provision line. Cash paid for Produce of all kinds. American Silver and Nickels taken at par for goods.
