THURSDAY MORKING, July 21, 1852

At Geo. Hynds, Acton. Knices, Spoons and Furks, Butter Knives, Craets, Pickle Stands, Picket Knives, Wade & Batcher's Razors. The only store in town that keeps a selection of these goods. Inst opened out another stock of Express Wagnus for the little folks. Call in aud S. Smith's property.

BITS OF BREVITY.

ric of the pen and scissors for readers of the Free Press.

Harresting has commenced.

see them.

Very oppressing weather of late. Beechauts will be very plentiful this

new potatoes.

Cricket is now engrossing the attention of local sportsmen.

Mr. Adam Dickson is giving his resi ence a coal of paral.

Considerable new hay has been brough In during the past week. Creelman Bros. Georgetown, are shipping

knitting machines to England. Mrs. R. Stone is having her house reneered with brick. It will make quite an improvement. Scren-twelfths of 1882 gone already.

Why the year will have passed away before we are aware of it. "Our Little Ones and the Nursery," for

August, is received, and overflows with in terest ag things for the little folks. Strive to impress on your children that

the only diserace attached to horiest workis the diserace of doing it badly. It is amusing to see the weather probable

codering about these days in a vain hope of hitting it about once or twice a week. If you are not a regular subscriber to this paper, become one at once. We will do

our best to give you all the local news. We learn that Messis. D. Camp'ell and P. Rae arrived safely at home in Manitolia, on the Sanday morning after leaving here.

Harvesting has commenced and farmen are busy garnering the golden grain Laborers are scarce and good wages in offe ed good men.

The Dresden Times has entered upon it eleventh rolume. The Time is a lical paper of na ordinary merit, is neatly printed, and should be well received by its

Several of our citizens threaten to sum mon the village council to appear before the P. M., if the thistler and weads are not soon out on Queen street east, and adjoining streets.

Now is the time when the young belle taketh her young man across the water t the calm retreat of the shady wood, doubless to secure that quictude which the front parior doth ant afford.

On Wednesday of last week Mr. John Anderson of the 6th line Erin extempted to Now for it, gentlemen. pry up a plank in the baru floor when the beam upon which he was standing broke, precipitating him into the root house below. severely injering his hip and fracturing the collar-bone. Under Dr. Lowry's care Mr. Anderson a doing as well as could be ex-

pected. We have believed that the fashionable young gent-ir lady-of the period always desires to teet the fashion in dress, &c., ye they invariably feel chagrined to find their siyle copied by those beneath their level in society. We berefore extend our sympathr to poor Frank, whose style is duving his hair cut has been so closely followed by the ten or twelve young men of our village and who is thable in our language to ex pras his indignation-h-rest

might have been seen driving along Mill Millon News. street with the bit of the bridle hanging lossely below the corses mouth. We gazed awestruck at this grand spectacle of utter independence until two late to pir the youth with questions, and have been unable so far to learn whether it was his being so intent with his teavetaking in the darkness sure unding the front gate, with his dearest dear the night before, or the sweet thoughts of a happy day with her in the cool retreat of the parcetal parler, was the cause and games of old kinds hold a prominent parts played by each :- J. OUR COUNTY - The following most fuvorable report of our noble little county is the opening paragraph of a letter from a Globe mails to friends in distant lands. It is as special correspondent :- " Halton is one of the leveliest counties in the Province ; and Enamelled, Granite and Brass SALE & BOARD its splendours this year are increased by the prospects everywhere apparent of a bountiful harvest. With the exception of oue or two narrow localities, a somewhat extensive ran theough the western counties of Ontario leads us to the belief that this year it will prove itself nearly if not quite the premier county of the Province, so far as the extent and value of its agricultural Cistern and Force Pumps kept in preducts are concerned. All the grains promise well, the rest crop is fairly good, day going to be held this year? Some and the almost general feilure of the larger places have already set a day apart for that fruit crop is very much less pronounced

BAND CHANGES .- Since the arrival of Mr. been a few changes made in our band. The GROUNDS RANIED. - Now that sports following is the list of members and the Ed. Lucas, 1st B-fist Cornet; M. Smith, 2nd B-flat Cornet; W. Smith, ic., 8rd B-flat Cornet ; G. H. Brown, solo E-flat Worden, 2nd E-flat Alto; Ed. Nicklin, jr., 1st B-flat Tenor ; H. Jenner, jr., 2nd B-flat Tenor; C. T. Hill, jr., B-flat Baritone; J P. Worden, B-flat Bass; W. Williams, CRICKET .- A club of players of this E-flat Bass; J. A. Speight, E-flat Bass; P. ensuly game is being organized here. Many Kelly, jr., Snare Drum, and L. Francis Bass years age Acton had a cricket club which Dram & Cymbals. The above comprises one of the best brass bands we have ever

> ACTON CRICKET CLUB.-A meeting of Messrs. C. S. Smith and J. E McGarvin. went to Teroute and purchased a full supply, at an outlay of \$45. There is yet a few dollars to raise, and we hope that at !. the meeting to-night a sufficient number of members will be edded to the list to enable the club to begin operations fully conipped weth money with which to conduct the affairs of the alub. Let there be then a good ternout of all those who would like to see this pleasant game prosper in our village.
