FOOTING FOLKS CORNER.

LITTLE FIDGET.

Little Fidget was a child.
Little Fidget was a child.
Of his mother in the house,
In the kitchen making pies.
"Oh, my dear, my dear, my dear,"
"Oh, my dear, my dear, my dear,"
"Oh, my dear, my dear, my dear,"
"Oh, my dear, my dear, my dear,"
"Oh, my dear, my dear, my dear,"
"Oh, my dear, my dear, my dear,"

Mary's Prayer.

Dear God, bless my two little eyes
and make them think I am happy.
Bless my two little ears and help me hear my
mother call me. Bless my two lips,
and make them speak kind and true.
Bless my two hands, and make them
good and not touch what they mustn't.
Bless my two feet, and make them go
where they ought to. Bless my heart,
and make it love God and my Father,
mother and George and everybody.
Please let ugly sin never get hold of me
—never, never!

The Spool of Cotton.

Once a young man with very little
money opened a small store in a New
England city. So few people come in
to buy his goods that he became dis-
couraged, and said to himself, as he
sat up his store one Friday night, "I
didn't have more customers to-morrow
I'll give up and go away."

Just then a little girl came along
looking at him and said:
"Are you the man that keeps this
store?"
"Yes," he answered, "this is my store;
but it is closed and locked up now."
"Well," said the little girl, "won't
you please open it again and sell me a
spool of number seventy cotton? All the
stores are shut up, and mamma wants
to finish my dress to-night, so that I
can go to visit my auntie to-morrow."

The young merchant could not refuse
the child's pleading voice; so he un-
locked the store, and went in, lit his
lamp, looked for her spool of thread,
and took her six cents. She went hap-
pily on her way home; and next day
her mother came in with two other
ladies, thanked him for his kindness,
and bought some goods, as did the other
ladies also, who had heard the story.

Perhaps they told it to others, for
more customers came in, and from that
day his store was successful. After
wards he became rich, and used to say,
"I owe it all to that spool of cotton."
But it was the kindness, more than
the cotton, which won him friends and
success; for who would rather buy
of a kind and pleasant person than one
who seemed selfish and careless of
others?

A man loses his grip of good resolutions
as soon as he gets tight.

Mr. A. Harrison, chemist and
Druggist, Dunville, Ont., writes: I can
with confidence recommend Northrop &
Lyman's Vegetable Discovery and Dyspeptic
Cure for Dyspepsia, Impure Blood,
Pimples on the face, Biliousness and
Constipation—such cases having come
under my personal observation.

try Dr. Thomas' Electric Oil. It relieved
the pain almost immediately, and in
four days the wound was completely
healed. Nothing can be better for fresh
wounds."

Strange as it may seem, the thin man has
often more capacity than a fat one.

Pleasant to the Taste.
Children and persons with weak con-
stitutions have always found great diffi-
culty in taking God Liver Oil, and from
this fact it has not been untriedly used,
but with Northrop & Lyman's Emulsion
of Cod Liver Oil with Hypophosphites of
Lime and Soda this objection is removed.
It is thoroughly disguised so that you can-
not detect the Cod Liver Oil. (One phy-
sician writes us that it is used almost as
a sverage in his family; another person
informs us that he had to hide the bottle
from his children. For Coughs and Colds,
broken down constitutions, and all lung
diseases, it has no equal.

"A customer who tried a bottle of North-
rop & Lyman's Vegetable Discovery
says it is the best thing he ever used;
to quote his own words, 'it just seemed
to touch the spot affected.' About a

able medicine with such happy results."

itan says:
I have been troubled with Dropsy and
Liver Complaint for over 20 years,
and have tried many remedies, but never
found an article that has done me as
much good as Northrop & Lyman's
Vegetable Discovery and Dyspeptic
cure.

CLARA E. POSTER.
Mr. George Toulon, Druggist, Green-
hurst, Ont., writes: "My customers who
have used Northrop & Lyman's Veg-
etable Discovery and Dyspeptic cure say
that it has done them more good than
anything they have ever used." It has
indeed a wonderful influence in purifying
the blood and curing disease of the Di-
gestive Organs, the Liver, Kidneys and
all disorders of the system.

HONESTY.
It is commonly said that you cannot
make an honest man believe that white
is black and vice versa, but those who
have grey hair, by using the "CASCARET
Hair Renewer" will find that this ap-
parent difficulty is easily overcome. For
sale by J. E. McGavin, 50 cents per
bottle.

Had Suffered many Physicians
and grew no better but rather worse.
Mr. D. H. Howard, of Geneva, N. Y.,
after dismissing his physicians, tried
nearly half a gross of the various blood
and liver remedies advertised, with no
benefit; when one bottle of Burdock
Blood Bitters cured him of Paralysis
and General Debility. At the advanced
age of 60, he says he feels young again,
and is overjoyed at his wonderful re-
covery.

A Public Meeting should be called
of the citizens of every city, town and
village in the Dominion, to consider
what should be done to prevent the
hair from turning grey, and falling out.
If this important question received their
earnest consideration they would unani-
mously decide that science had at last
discovered something that would prevent
this purpose—and furthermore would
recommend Cascaret Hair Renewer as
being this something for restoring the
hair to its natural color, and prevent its
falling out. 50 cents per bottle, at J.
E. McGavin's.

ed, as its name is its title and does not

Kendall's Spavin Cure
Freeport, Ohio, Jan. 25th, 1881.
Dr. B. J. Kendall & Co., Gentlmen:—I think
it my duty to tender you my thanks for the
benefit and profit which I have derived
from your invaluable and far-famed Spavin
Cure. My own horse and I had a valuable sta-
tion worth \$100, when he had a very bad spavin,
and was pronounced by four eminent Veteri-
nary Surgeons beyond any cure, and that
the horse was done for ever. As a last resort,
I directed my coachman to try a bottle of Ken-
dall's Spavin Cure. It had a magical effect,
the third bottle cured it and the horse is as
well as ever. Dr. Dick of Edinburgh, the emi-
nent Veterinary Surgeon, was an uncle of
mine, and I have great interest in watching
his profession.
Yours truly,
JAMES A. WILSON,

year ago I fell in the road on some ice and

Spavin Cure. I applied it with regularity

tober, and it effected a perfect cure. I have
since been well and free from lameness.
It is very valuable for man as well as for
horses.
