THURSDAY MORNING, August 17, 1882 POBTRY.

The Editor's Summer Vacation The tired editor sat in his chair,

Perspiringly breathing the hot sultry air,

And writing up "Personals" & column or so, Of folks who are gone, and others to go, To the summer resorts, to the mountains and To the breezy old ses, or cool woodland ril's. And he wrote that Miss Gush had gone with some

To summer at Newport and hear the waves roar While young "Mr. Guen had gone to Nahant, Along with his misters and cousins and aunt," And "Mr. Fitzscoolle is going away. To sweet Saratoga, so lovely and gay." Miss Biff and Miss Baff have gone to the lakes.

Mr. Snob to the mountains to take a short rest Mr. Spub has decided to take in the West." Mosers, Fairfax McDougal and Patrick McGoe are going to Long Branch to bathe in the sea." Etc. etc. He wrote another lot Then this editor laid down his pencil and thought, "I sit here and sweat, get no thanks for my pains.

While these people possessed of more money than Go off to these places to stay and keep cool While I stay at work : I'm a regular fool ; I've got lots of passes, but here I must stay. For the paper will dwindle if I go away." Then he looked at the ceiling then frowned a

at home the floor. ind made "cestre shot" in the old cuspidore; Then jumped to his feet and excitedly said : "I'm going; the paper may go to Old Ned. fear not the 'boss,' nor his ficree indignation. He surely can't kick if I take a vacation." And without preparation, sans collar, sans socks, He took his radation:

## OUR STORY.

He walked 'round the block.)

ON THE BRIDAL TOUR

ney and the woman who was to be his bride, in manuag out plans for their wedding tour, determined to keep from the world the fact that they were but newly

lover because he was a big, overgrown, such arrangement. She was afraid that he ence : band-shouldered fellow who weighed about | actually would get left. 100 pounds more than herself -" lovey. why can't we act like old married people that Burney and his bride showed any of while on our wedding tour ! I declare it the actions of old married people. When will make me feel uncomfortable to know I they did commence, however, in their zeal

watch bride-, don't they f' to be watching every motion a bride makes, | The last time he was so savage that the and I'm sure I don't want them watching bride, forgetting for an instant that his me. And then it would be so murb fun to roughness was only assumed allowed the deceive them. I declare, it will be just tears to spring to her eyes. At this instant splendid for as to act like old married peo- a gentleman sitting in the opposite seat ple while we are on our wedding tour. arose, stepped over, put up the window

Now we can can't we !" "Why, yes, I suppose we can. Before he said :

"O, no; don't let's act that way. If you a woman as you have done to the lady sitand Gold Cases. should speak cross to me I'd cry-I know ting by your side." "But you must remember that I'm not feet, "who are you addressing ?"

each other the more fun we will have firmly. "You are a big man, sir, but you laughing about it when we are alone.,' let's think how we will act. Will I have your faw." to scold you occasionally !"

"No : why do you ask that ?" a pleasant word. I asked ma what makes reached New York. At the hotel, Barney | horrid piece of distortion of the Queen's | follows to a representative of a portinent

had grown into." married a uple spent two hours rehearsing presented their cards to the bride and tried a few of the many incivilities so common to persuade her that she ought to get a the apple "we might orange ourselves matic remedies, without recieving any apamong married people.

you, you must exclaim in a loud voke : with him.

tion of the programme perfect. Neither trip they allowed the warm arder of young sake," says the melon, "this state of things my ailment. of them appeared to be very apt scholars. lovers to assert itself regardless of what among friends is lemontable in my opinion." for as soon as they were side by side they the world might say. began hugging each other. As soon as one hug was ended another was commerced, and this they kept up for over fifteen mines Finally Burney remembered it was married life and not courtship that they ought to be rehears'ng, and decided to go and is comparatively safe in doing so. We have recently published a new | back to the question before the house. After the bride had learned how to call her husband a bear in a surly tone, Burney

p oce ded to rehearse another portion of the programme be bad mapped out. "After you are seated," he said, " if the window is down ask me to put it up. You had better ack in a whining tone, and then I'll reply, very gruffly, 'Oh, don't bother me. You are big enough to wait on yourself.' If I'm reading, ask me numerous

questions. Every time you do so I'll either not reply stiall, or else speak very snappishbothering me, and then I'll finally get up in that man's lying !"

very well in the cars, but at the hotels we canuol pursue the same little schemes. The hotels are what I dread the most. We must have some scheme for keeping the people

"Oh," said Burney, "that will be easy enough. Whenever we go out I'll slip out one door and you slip out the other. We can arange a meeting place far enough away to keep the people at the hotel from getting down to our scheme. And then at the table instead of noticing me you'll be looking at every other woman in the room Remember, dear, it is at the table where most couples on their wedding tours attract the most attention. We musn't consuit each other about the bill of fare, and we musn't order the same dishes. I'll leave you to shift for yourself, and you must ap- love ! pear not to concern yourself about me. And by the way, you musta't dress like a

"Ob, dear, can't I wear that lovely white sounet I'm going to be married in ?"

"No, that will at once proclaim you to be a bride." "But I de want to wear my bonnet .- I

can't wear it on my wedding tour I don't wan't the tour." After considerable talk it was decided that the bride could wear her lovely white

honnet, but the bridal veil was to be left Burney was married early in the morning, and the happy couple were at once whirled to the Broad street station to take a train for New York. Toeir tickets were

already purchased, and they passed direct "Now remember," said Burney, as be sealed his wife, "remember that we are to act as old married people. Bon't forget

Burney sat down roughly, but there was no growl. "Why don't you growl ?" he said.

to growl when I sit down."

"Why, dear, I forgot what to say." "Hush, not so load. Don't, whatever A few days before the solemn event, Bar- you do, don't call me dear again. That isu't the language old married people use when they address each other."

It was several minutes before the train would start, and Barney wanted to saunter married. It was the bride that suggested | cut into the depot, and come rushing back just as the trate was moving off. But the "Lovey," she said - she called him newly-made bride wouldn't hear to any

It wasn't until after the train started "Yex, I believe they do," said Barney. | asked Burney to put up the window, and | said : "Well, I don't think persons have a right ! three times he gave her a very surly reply.

and then looking Burney fair in the eyes, others we can be grum and suriy towards .. Sir, you are a brute. No man with the least spark of honor would act towards

"Sir," said Mr. Burney, spring to his in earnest. The more surly we act towards | "I'm addressing you," said the man,

are a coward, and if I hear you talk to your "Yery weil," said the bride. "Now, wife again as you have talked I'll break "Yes, and we'll help him!" shouted four man to be an engineer."

men springing to their feet. "Because that's the way ma and pa act | Alarmed at the sensation they had sucwhen they are travelling. I declare it's ceeded in creating, the newly-married sometimes a half day before they exchange couple kept remarkably quiet until they them act that way, and she said she didn't ; again overshot the mark.
