THURSDAY MORNING, Sept. 14, 1882.

YOUNG FOLKS CORNER.

Waiting at the Stile.

There is a way across the moorlands from the village to the well;
And there's a stile just where the path turns off to Hazeldell.
To there a stalwart youth is waiting. Why so long wait he?
For all this waiting at the stile some reason there must be.

There goes a village maiden from the village to the well;
She knows the stile just where the path comes up from Hazeldell;
And though she walks so slowly, her heart beats fast the while,
As she sees that there is some one who's waiting at the stile.

Said she, "I'm only going from the village to the well;"
Said he, "And that's the reason I came up from Hazeldell.
And there he told her other things; there was no list'ner near,
And so we cannot say what words he whispered in her ear.

So they came back together to the village from the well;
And some fine day, I fancy, they will live at Hazeldell.
And if you ask the youth why 'twas he waited such a while,
He'll tell you he'd a reason for that waiting at the stile.

To Poor Boys.

Never sit down despairingly and say, "It is impossible for me to rise in the world. I am only a poor boy, there is no chance for a man." Why, my boy, it is just such as you who have risen highest and become men whose names are known throughout the world—who thoroughly understood at the outset that their fortunes were in their own hands, and that hope and energy and effort were better than all the "family influence" in the world.

Inherited wealth seems to be actually enervating. Talents too often lie dissused in the hands of rich man's sons. What need of stirring! they think; competence is theirs; and often such men squander the fortunes they have not earned, and lives that began in luxury end in beggary.

"No living soul will ever give me a penny" seems to be about as wholesome a prophecy as a boy can read in a book of fate.

Despair because you are poor! Why, that is the very reason that should buoy you hope. The biographies of most great men, of most successful men, of most rich men, will tell you that, if you will but read them.

Where To Get out.

A boy of five years was "playing railroad" with his sister of two and a half. Drawing her upon a footstool he imagined himself both the engine and the conductor. After imitating the puffing noise of the steam, he stopped and called out "New York," and in a moment after, "Patterson" and then "Philadelphia." His knowledge of towns was now exhausted, and at the next place he called out "Heaven," His little sister said eagerly:

"Top, I des I'll det out here."

Hypocrisy becomes a necessity for those who live scandalously.

SMILE AND SMILE—But see your Teeth are as white as only "TEABERRY" will make them. Try a 5 cent bottle. what does Mark Twain say.

It is conquer or die with the good doctor; but the patient is expected to do the dying.

Kidney Disease.

Pain, Irritation, Retention, Incontinence, Deposits, Gravel, &c., cured by "Buchupaiba." $1.

If the mosquito would only stay to hum—but they do not; they stay to sting.

"Lydia E. Pinkham's Vegetable Compound ranks first as a curative Agent in all complaints peculiar to woman. Cures Kidney troubles of either sex.

William Tell had a narrow escape.

The bachelor's refrain—a lass! The maidens refrain—ah men.

A common, and often fatal disease is jaundice. Regulate the action of the Liver, and clense the blood with Burdock Blood Bitters, and the worst case may be speedily cured.

A woman who waits for her husband to return from the lodge has an object in view, and more than likely another in hand.

Decline of Man.

Nervous Weakness, Dyspepsia, Impotence, Sexual Debility, cured by "Wells' Health Renewer." $1.

A Mooley Cow has no horns; it is different from a man in this respect. The more "horns" he has the mulier he becomes.

Why go on day after day suffering with splitting *headaches* when a bottle of *Dr. Austin's Phosphatine* will cure you? If you do not believe it ask your druggist for a circular, and read what those who have used it say about it. Price $1.00.

Stoves are supposed to be a somewhat modern invention, but the Egyptians were warmed by Alexander the Great B. C. 300.

Hoods, scarfs, ribbons and fancy articles can be made any color wanted with the Diamond Dyes. All the popular colors.

"They tell me you had some money left you," said Brown. "Yes," replied Fogg, sadly, "it left me long ago."—*Boston Transcript.*

Too late too whet the sword when the trumpet sounds to draw it. But never too late to whet your appetite by taking Kidney-Wort, restoring health and making yourself a well, strong, hearty man. It is unequalled as a remedy for all liver, bowels and kidney diseases. all catggists keep and recommend it.

"Yes, said a farmer, "barbed wire fences are expensive, but the hired man doesn't stop and rest every time he has to climb it."

Flies and Bugs.

Flies, roaches, ants, bed-bugs, rats, mice, gophers, chipmunks, cleared out by "Rough on Rats." 15c.

"It is no use to feel me wrist, doctor," said Pat, when the physician began taking his pulse, "the pain is not there sorr, its in me hid entirely."

Dropsy is essentially a watery condition of the Blood, dependant upon disordered Kidney. Burdock Blood Bitters are strongly Diuretic, and consequently the best known remedy, acting as it does upon the entire Secretor System.

Samson lost his strength with his hair. Thousands of men and women loose their beauty with theirs, and very large numbers restore the ravages of time by using the famous Cingalese Hair Restorer. Sold at 50 cents per bottle by all druggists.

"Prisoner, this is the third time this year that you have appeared before this court. What has brought you here now, eh?" "The police, sir."

Erysipelas, Scrofula, Salt Rheum, Eruptions, and all diseases of the skin and blood can be promptly cured by Burdock Blood Bitters. It purges all foul humors from the system, imparting strength and vigor at the same time.

This bit of conversation, which we find in an exchange, is rank timely and expressive: "I think this ice cream tastes a little coarse," said he. "More than likely, sweetie."

Nervous debility is a result of indiscretion in the mode of living. Heed nature's unerring laws and take Burdock Blood Bitters, the great System Invigorator and Blood, Liver and Kidney regulator and tonic. Sample bottle 10 cents.

A trade journal gives directions for "preserving harness." Preserved harness may seem tolerably palatable, but we don't want a bit in our mouth.

Proclaim it far and wide that Dr. Van Buren's Kidney Cure not only immediately relieves all kidney diseases, but what is more important to the unfortunate sufferer, will ultimately cure him effectually. Sold in Acton by J. E. McGarvin.

You can knock a hotelful of folks silly by sliding into the kitchen and putting a cat's claw into the hash. All the evidence in the world that the hash was made upon honor wouldn't convince them it was O. K.

S. Chadwick, of Arcadia, Wayne Co., writes: "I have had severe attacks of asthma for several years. I commenced using Dr. Thomas' Electric Oil. The first dose relieved me in one hour. I continued taking it in teaspoonful doses for a few days, and have not had an attack of it since, now nearly one year."

A Convict says he went to prison for being dishonest, and yet he is compelled every day to eat out pieces of pasteboard, which are put in between the cheap shoes made there and palmed off on the innocent public as leather.—*Philadelphia News.*

A. M. Hamilton, Wentworth, writes: For weeks I was troubled with a swelled ankle, which caused me much pain and annoyance. Mr. Maybee of this place recommended Dr. Thomas' Electric Oil for it. I tried it, and before one bottle was used I was cured. It is an article of great value.

A teacher was trying to make Johnny understand the science of simple division. "Now, Johnny," she said, "if you had an orange which you wished to divide with your little sister, how much would you give her?" Johnny thought a moment and replied: "A sack."

After many years of patient investigation Dr. Van Buren, of Germany, finally succeeded in perfecting a Kidney Cure that would permanently relieve all cases of Kidney Disease. Be sure and ask your druggist for Dr. Van Buren's Kidney Cure. Sold in Acton by J. E. McGarvin.

A lady from Syracuse, writes: "For about seven years before taking Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, I suffered from a complaint very prevalent with our sex. I was unable to walk any distance or stand on my feet for more than a few minutes at a time without feeling exhausted, but now I am thankful to say I can walk two miles without feeling the least inconvenience." For Female Complaints it has no equal.

Rest and Comfort to the Suffering.

"Brown's Household Panacea" has no equal for relieving pain, both internal and external. It cures Pain in the Side, Back or Bowels, Sore Throat, Rheumatism, Toothache, Lumbago and any kind of a Pain or Ache. "It will most surely quicken the Blood and Heal, as its acting power is wonderful." "Brown's Household Panacea," being acknowledged as the great Pain Reliever and of double the strength of any other Elixir or Liniment in the world, should be in every family handy for use when wanted, as it really is the best remedy in the world *for* Cramps in the Stomach, and Pains and Aches of all kinds," and is for sale by all Druggists at 25 cent a bottle.

WILL YOU **EXCHANGE** a case of Dyspepsia or Biliousness for 75 cents? It is awfully unwise to agonize under these many ailments arising from Dyspepsia, Indigestion, Disordered Stomach and Liver, when this offer is made to you in your own home in all sincerity, with an absolute certainty of curing you.

ZOPESA (from Brazil) cures Dyspepsia and Biliousness. A single dose relieves; a sample bottle convinces; a 75 cent bottle cures.

It acts directly upon the Stomach, Liver, and Kidneys. Cleansing, Correcting, Regulating, Zopesa gives energy and vim to the Brain, Nerve, and Muscle, simply by working wonders upon the Digestion, and giving activity to the Liver.

Cut this out, take it to any dealer in medicines, and get at least one 75 cent bottle of Zopesa, and tell your neighbor how it acts. It is warranted to cure Dyspepsia and Biliousness.

Kendall's Spavin Cure

Freemont, Ohio, Jan. 21st, 1881.

DR. B. J. KENDALL & Co., Gents:—I think it my duty to render you my thanks for the benefits and profits which I have derived from your invaluable and far famed Spavin Cure. My cousin and I had a valuable stallion worth $1000, which had a very bad spavin, and was pronounced by four eminent Veterinary Surgeons beyond any cure, and that the Horse was done forever. As a last resort, I advised my cousin to try a bottle of Kendall's Spavin Cure. It had a magical effect. The third bottle cured it and the horse is as well as ever. Dr. Dick of Edinburgh, the eminent Veterinary Surgeon, was an uncle of mine, and I take great interest in assisting his profession.

Yours truly,
JAMES A. WILSON,
Civil Engineer

I have since been well and free from lameness. It is very valuable for man as well as beast.

Yours truly,
