Revenue vs. Temperance.

Considerable comment is being made in the English journals at present to letters on the falling off of revenue, the imperial finances of England being just now in rather an unsatisfactory condition. The expenditure is not being curtailed, but, on the contrary, it is evident will there is no increase to [illegible]. While [illegible] the decrease in the revenue is due to the increase and progress of temperance, which prevents the liquor tax [illegible] from yielding as much as they used to do. The fact is but another illustration of the old saying that "it is an ill wind which blows nobody good." If there is less money in the public treasury from this source, it must be that individuals have more in their pockets, and the fact is not to be lamented. The *Pall Mall Gazette* says:—"Fortunately for otherwise, we may hug ourselves out of our national burdens." And this progress of temperance principles, shows no signs of diminution. The Government financiers will now have to look for other sources from which to derive taxes besides those of intoxicating beverages.

Board of Education.

The Board of Trustees of Acton School Division met on Monday evening 16th inst. pursuant to adjournment.

Present Messrs. James Matthews, chairman, D. Henderson, James Moore and Dr. Lowry.

Minutes of last meeting read and confirmed.

Miss Jennie K. Grant sent in a communication requesting the trustees to recommend the extension of her certificate from the present until next midsummer holidays.

Moved by D. Henderson, seconded by James Moore that Mr Thomas T Moore be engaged to teach the senior Department of Acton Public School for ensuing year, at the salary of $550, with free house, same as current year.—Carried.

Moved by D Henderson, seconded by James Moore that the Secretary be hereby instructed to advertise for two female teachers, holding second or third class certificates for second and third departments of Acton Public School, services to commence at expiration of Christmas vacation.

Halton County Show.

As we mentioned last week, the fall exhibition of this county this year, was the best ever held. The entries far exceeded those of any previous year, and the attendance was also larger than before, upwards of $1,000 being taken in at the gates.

The exhibits throughout were excellent. In the horse ring there was a display which, it is safe to say, is rarely equalled at any of the big fairs, while the show of cattle, sheep, pigs and poultry was very good. Halton almost surpassed herself in the show of grain and roots, and the dairy products were first class. The show of ladies' work was good, and a large number of entries rendered the work of the judges very laborious and difficult. The fine art department was much better filled than last year; and some really excellent works of art were displayed.

A number of prizes come to Acton vicinity, among which are, A. Stauffer, second prize for two year-old entire colt.

A. Waldie second for leicester shearling ewes; second for ewe lambs, and third for aged ewes. Third for swede turnips, second for onions, first for foliage plants.

W. Waldie, second for yearling ram and third for shearling ewes.

D. B. McNair first for silk patchwork Quilt; second for pair socks.

C.W. Hall first for collection of photographs and first for large photographs.

Owing to our limited space we are obliged to crowd out the general prize list.

Milton Band, the only one present, secured the first money.

Eramosa Fall Show.

The annual fall show, of the Eramosa Agricultural Society was held at Rockwood on Thursday and Friday, 12th and 13th. The weather on the first day was fine and the second good until about five o'clock, when it began to rain slightly, and shortly afterwards came down in torrents. The show, taken as a whole, was the best that has ever been held in Rockwood. There must have been from 3,000 and 4,000 people on the grounds, many of whom came from a considerable distance, and also a large number from Guelph, Acton and surrounding towns and villages.

The show of horses was exceedingly good, and [illegible] could be [illegible] to the credit of the society [illegible] by the exhibit of [illegible]. Fat cattle were also a good competition was keen. There was not a very large show of pigs and poultry. The grain, roots and dairy products were splendid and the ladies department was well represented. The receipts for entries and admission were most satisfactory. Acton Brass Band furnished excellent music during the day.
