BITS OF BREVITY.

Local and otherwise, prepared for the use of the pen and scissors for readers of the Free Press. -Some pretty hard weather during the week. -A little moderation in the weather is desirable. -Mr. L. G. Matthews is about to open a flour and feed store. -Dominion Parliament will re-assemble on the 8th of February. -The managers of the rink will give another carnival shortly. -Prescriptions were the rule rather than the exception on Monday. -The political campaign has opened and public meetings are already announced. -Wouldn't it be a good idea for some of our young folks to form a snow shoe club? -Have you seen the new reply postal cards? Acton post office has a supply of them. -Mr. J. P. Warden has opened a barber shop in the office lately occupied by Dr. Foster. -Business is business. Read the advertisements for they are the trademarks of live business men. -An election took place in Acton during the week. It was the hanging of the new town hall bell. -The thermometer registered 22 degrees below zero on Tuesday, and by a good honest thermometer, too. -Thus far the present week has been one of extreme cold weather. The thermometer has not risen above zero. -Jumbo's case. His master has sold him to a stranger. Our streets seem to be some without his majestic presence. -We are glad that Mr. D. D. M. has finally left this village. It was a credit to the present Mayor to have been so. -Mr. A. Smith, of Hamilton, (father of Mrs. W. H. Storey), has removed to this village, and is anxious to see his future home. -The County Council will be held for this month in connection with the election and the election of the County Council. -A large quantity of ice has been landed over the sidewalk at the G. T. H. tank, which renders it positively dangerous for pedestrians. -A good many calves in town are found to have been unable to resist the common fever, and a large number of complaints about frozen calves is the result. -At eleven o'clock Sunday night a warm rain was falling, and by two o'clock Sunday morning the weather had so completely reversed that the thermometer stood 14 degrees below zero. -The Glasgow Herald says the County Sabbath School Association will be held on Monday and Tuesday, 15th and 16th February at your almshouse, bro., and you will find it Thursday and Friday. -Farmers and others desiring a general illustrative agency business, by which \$5 to \$20 a day can be earned, send address at once, on postal, to H. C. Wilkinson & Co., 109 and 117 Fulton Street, New York. -Let's see. We hear that a certain shoe maker in town had his ears frozen on Monday night, and that a hand loader, and a glove maker, and a dispenser of pills, and an editor, also met with the same fate. We sympathize with these poor sufferers. -It is said that the Czar of Russia has signed a decree abolishing all social societies in his dominions. Judging from fact events the news that the secret societies had passed a decree abolishing all Czar, would be likely to be a truly enforced. -It is surprising to see an awkward individual standing or rather floundering at the rink and in his uncouth motions knowing young lady over and then pass on without even apologizing or helping her regain her feet, as might have been witnessed last Monday evening. PERSONALS. -Mr. John Beckett has returned from Montreal. -Reeve Storey was in Ottawa this week on business connected with his establishment. -Mr. Alfred Watson, late editor of the Montreal Standard, paid us a friendly call on Monday. -Messrs. James Moore and Wm. Hemstreet spent several days during the week with friends in Walkerton. -Mr. Richard Ross of Monticoulin Island, and Mrs. G. A. man, of Detroit, were the guests of Principal Moore, of Acton Public School, during the past week. The County Council. The first meeting of the County Council was held on Tuesday. The following is the proposition of the council for the present year: MEMBERS. ACTON, W. H. Storey, Reeve. BERTINGTON, R. G. Baxter. GEORGETOWN, W. McLeod. MILTON, Dr. Freeman. WILKINSON, W. E. Chisholm. REQUESTING, N. Lindsay. do J. Warren, 1st Dep. do H. Graham, 2nd Dep. NASSAGAWAY, J. Menzies, Reeve. do D. Whorlhan, Dep. do H. Beech, Reeve. do W. Watson, Dep. TRAFALGAR, H. Mr. Henry Robinson, of Trafalgar, was elected Warden at the opening meeting of the County Council. Surely Acton's turn will come next year. Vital statistics. During the year just closed there were registered at the office of Mr. J. E. McGarvin, Village Registrar, 29 births, 10 deaths, and 5 marriages. Entertainment. The members of St. Alban's Sabbath School will give an entertainment in the Temperance Hall next Wednesday evening. A very pleasant evening is in store for those who attend. Commissioners. His honor the Lieutenant-Governor has appointed the following commissioners, under the provisions of the License Act of 1876, for this county:—Henry Williams, William Hardbottle and John Ramsay. Nassagaway Council. The Municipal Council met on Monday, 15th inst., and after organization proceeded with the usual routine of business necessary at the inaugural meeting. The next sitting of the council will take place on the 10th of February. Change of Train Time. The morning express from Toronto now arrives here two minutes earlier than usual, the present time being 9:20. Remember this and you will save yourself the perplexity of being just two minutes too late some bright morning. The Pulpit. Rev. George A. Bull, Rural Dean, of Hamilton, will preach in St. Alban's Church next Sunday evening. He will preach in St. John's Church, Rockwood, in the morning. Rev. Mr. Pigott will occupy Rev. Mr. Bull's pulpit at Hamilton. Acton Reform Association. At the annual meeting of this association last Friday evening the following officers were elected for the current year:—D. D. Christie, President; James Goodall, 1st Vice-Pres.; Wm. Ramsay, 2nd Vice-Pres.; R. R. Fox, Sec.-Treas. Rained at Varsity. Early Saturday morning burglars entered the residence of Dr. Wagoner, of Nassagaway, and stole from his study a large quantity of books, and a number of other valuables. Sabbath School Convention. The annual convention of the Sabbath School Association of this county, will be held in Oakville on Thursday and Friday, the 15th and 16th of February. A very interesting programme has been prepared, and a profitable meeting is anticipated. Auction sales. On Thursday next two auction sales will take place in this village, when the largest hold goods of Messrs. B. Allen and H. Jenner will be disposed of, the former at ten a.m. and the latter at two p.m. On Saturday a quantity of cordwood, straw, &c., will be sold at Agnew's hotel at two p.m. Wm. Hemstreet is auctioneer in each case. Extra Duties. The Municipal Assessors will have considerable extra work this year. By a law passed at the last session of the Legislature four additional columns have to be put on the assessment roll, viz.:—For acres of woodland; for acres of swamp, marsh or waste land; for acres of orchard and garden; and for number of acres under fall wheat. Severe Accident. Last Thursday afternoon as Mr. Thos. Smyth, who is engaged in the Cardston Tannery, met with an accident by which he is temporarily disabled. In trimming a hide he accidentally drew the knife across his left wrist, severing one of the cords and making a gash which required several stitches to be put in. Tom says he will be all right in a week or so. Complimentary supper. On Monday Mr. Abram Matthews of this village entered upon his eightieth year, and his friends improved the occasion by tendering him an oyster supper. The friends met at his residence Monday evening and took possession for the time being. A very pleasant evening was spent. The old gentleman, though feeble, very often walks down as far as the post office, and occasionally attends divine service. His health is comparatively good for one who has attained so advanced an age. The Candidates. The candidates for the Local Election in this county have been chosen, Major Kerns, of Burlington, for the Conservative party, and Dr. Robertson, of Milton, the present member, by the Reformers. Both gentlemen are most eligible for the position, and either would fill the office with credit. It now remains for the electors of the county to make their choice. Public meetings will no doubt be held throughout the county before the election takes place, and every elector will have an opportunity of choosing his man. Farewell Supper. Last evening a number of young friends of Mr. Lewis R. Fox, entertained that gentleman at the Royal Exchange Hotel with an oyster supper, prepared by Mr. Jas. Campbell in his usual first-class style, in the eve of his removal to Toronto. A very pleasant evening was spent, and all expressed their regret at the removal of Mr. Fox from Acton. He has been accountant for Messrs. W. H. Storey & Son for eighty-four years, but has received a more important appointment in Toronto. Mr. G. Clark succeeds Mr. Fox in Messrs. W. H. Storey & Son's office. Stafford's Acoustic Telephone. The telephone, recently invented and patented by Mr. C. Y. Stafford, of this village, has during the past two or three weeks been greatly improved in construction. Its appearance is now much superior to that of the original pattern, and it will stand for any length of time in the country, as far as grace, beauty and utility are concerned. The agents who are traveling for Mr. Stafford report most satisfactory progress, and there is now every evidence that the invention will prove most profitable to the gentleman controlling it. Apparently alarmed at the decision of the village council, the "solled doves" have it we, and our little town again assumes to a large extent her former character. We imagine, however, that the moral atmosphere would be still more improved if a certain class of young men had flown at the same time. Our Town Bell. The bell has at last been placed in position in the new town hall tower. It has a very sweet and distinct tone, and our citizens seem to be well pleased with it. As soon as the hall is completed and a care taker appointed, the bell will peal forth its joyous notes morning, noon and night. Very Odd Case. An exclaiming wants to know "What is home without a newspaper?" and another replies: "It is a place where old hats are stuffed into window panes; where children are like young pigs; the housewife like a savage, and the husband with a panorama of the dismal swamp painted on his shirt bosom with tobacco juice." Our Advertising Column. To an intelligent reader, who wishes to keep up with the times, no part of a live newspaper is more interesting than the advertisements. A gentleman, who has passed three-score years and ten, tells us that for forty years he has made a practice of reading all the miscellaneous advertisements appearing, and has found this a profitable and useful study. Try it. The Carnival. The first carnival of the season was held on Monday evening, but owing to the extreme cold weather the attendance was not as large as it would otherwise have been. The ice was in excellent condition and the skaters seemed to enjoy themselves. A number of tastefully artfitted outcomers were present. During the evening a five minute race for all over 30 years of age was entered by five of those youthful gentlemen, which created considerable amusement to the onlookers, and was won by our friend of the owl and last, Mr. W. Williams. Several frozen ears are reported as a result of the evening's sport. Prohibitory Convention. The Fourth Annual Meeting of the Ontario Branch of the Dominion Alliance will convene in the Temperance Hall, Temperance Street, Toronto, on Tuesday and Wednesday, the 29th and 31st of January, 1883. The principal object of the Convention is to hold a thorough consultation upon the present and future of the temperance work in Ontario, and other important matters. The railroads, by special arrangement, will pass all delegates to and from Toronto at one and one-third fare. A Mass Meeting will be held in one of the Public Halls on the evening of the 29th. Further particulars will be given in the daily papers of preceding Saturday. The delegates will be invited to attend a breakfast, to be furnished by friends of the Alliance, on the morning of the 31st. For certificates for railroad rates, and all other information, address the Secretary of the Alliance, Wm. G. Fox, No. 61 King St. East, Toronto.
