## YOUNG FOLES CORNER.

### A SONG FOR THE BABY.

Put away the bubble and the bid,  
Suck out the flowers in the crib,  
Lay the baby's feet.  
Take the little sheet -  
Sing a song in the bed.  
With a kiss and a tap -  
And a dream little tap -  
We will go, we will go.

To the Landy-and-pandy  
Or Noddy-and-pandy.  
To the Landy-and-pandy  
Or Noddy-and-pandy.

### A Curious Transposition.

The title of the lesson was "The Rich Young man," and the Golden text was, "One thing thou hast lost." The teacher has a primary class in a Sunday school sometimes in New Jersey, asked, is was his custom every Sunday, for the children to give her the Title and the Golden Text. Instantly little-four-year-old Alice, and looking steadily at the free gift of the young Lady who was her teacher, said "One thing thou hast lost—a rich young man."

She had it all, but somehow or other it had begun so curiously transposed as to be very dull, and somewhat suggestive.

### Punctuality Revived.

A p. o. box for several years will be here to receive a sum certain sent every evening as the church clock approaches six o'clock, and a very good will see what was always taking down there at the time of day.

Her lesson is always passed, and "earns" right to Good Morning, sir, and "earns" that they never spoke in each other's presence.

Suddenly the old gentleman died, and the young man found he had left him the whole of his business. Punctuality and diligence had commended itself to the merchant, and the once poor apprentice became a rich man and professor of vast wealth, which he used to God's glory and the benefit of his soul creatures.

BRIGANDS AND SCALD HELL.—People often do not know what to do for those troubles. For a speedy cure see Chittell's Ointment. Price 25 cents.

Fairfax, were you a man when you ran in America? asked the externalization doctor. "No your honor; I was a brat-slayer."

Nothing so simple and perfect for colds as the Diamond Dye. For colds, rags, batter and cheaper than an ordinary eye stuff.

### WILL YOU EXCHANGE

for a case of Dyspepsia or Billiousness for 75 cents?

It is awfully unwise to agonize unnecessarily over such ailments arising from

Dyspepsia, Indigestion, Disordered Stomach and Liver when such a simple remedy as

is made to you in your own home in all certainty of curing you.

ZOPES—(from Breath cures Dyspepsia and Billiousness. A single dose relieves; a sample bottle convinces; a 75 cent bottle cures.

It acts directly upon the Stomach, Liver, and Kidneys.

Cleaning, Correcting, Regulating, and toning the Liver, and giving to the Nerves, Nervous, and Muscle, simply by working wonders upon the Digestion, and giving activity to the Liver.

Cut this out, take it to any druggist, and pay him 75 cents, at least one 75 cent bottle of Zopes, and tell your neighbor how it acts. It is warranted to cure Dyspepsia and Billiousness.

Holmes' Ointment and Pills—Sore Head.—The weak and emaciated suffer severely from nervous affections when storms of electric discharges agitate the atmosphere. Natural gouty pains, and biting pains, yet distressing to a degree, may be readily removed by rubbing this Ointment upon the affected part after it has been fomented with warm water. The pills, taken occasionally in the doses prescribed by the instructions, keep the circulation in order, excite a free flow of healthy bile, and regenerate the impoverished blood—wanting which, the system must inevitably soon sink into feeblenes, and the delicate find it difficult to maintain existence. Holmes' Ointment and Pills are invaluable remedies.

The doctor is still telling the pastor about the boy, pointing his pen, and the pastor inquired: "Young man, did they?" Well, what did you say?" "Stop this way a moment," said the boy, "I'd rather where it long."

"Rough on Rats."

Cleans out rats, mice, roaches, flies, ants, bed-bugs, skunks, chipmunks, gophers, &c. Druggists.

A New Idea.—A Toronto firm are putting up a pure vegetable cathartic pill, in ten capsules, to be taken in doses of one or two at a time. It will cure the rough and sallow skin of the bronchial tubes, and lungs, and eventually remove all putrefaction. Complaints, such as Asthma, Bronchitis, Whooping Cough, &c.

G. W. Mingay, Parkdale, Toronto, writes:

"My wife has suffered very severe attacks of constipation, the result of the use of the Laxative, Unsound, and its unpleasantness to take. I gave her two bottles, and she has had an attack since, and her health much improved." For sale by all druggists.

Ames Hudgin, Toronto, writes: "I have been a sufferer from Dyspepsia for the past six years. All the remedies I tried proved useless until Northrop & Lyman's vegetable Diocerote and Drapone. Once was brought under my notice. I have used two bottles with the best results, and can with confidence recommend it to those afflicted in like manner."

Many people take advantage of their neighbor's difficulties to annoy them. Mean diseases, such as piles, rheumatism, constipation, dyspepsia, matrics, lame-luck, etc., take advantage of people's exposures and attack them. It is then that Ridgy Wop appears on the field and by its timely agency puts to rout this flock of evil ailments. It is a friend in need and therefore a friend indeed.

Friends of all ages who suffer from loss of appetite, from imperfect digestion, bad spirits and nervous debility may have life and health renewed and indefinitely extended by the use of Mrs. Lydia E. Pinkham's remedies for all complaints incident to the female constitution. We have not only a living faith in Mrs. Pinkham, but we are assured that her medicines are at once most agreeable and efficacious.
