Rev. Father Wilds' EXPERIENCE.

The Rev. F. P. Wilds, well-known city missionary in New York, and brother of the late eminent Judge Wilds, of the Massachusetts Supreme Court, writes as follows:—

"I am 64 years old, New York, May 10, 1882. My name is F. P. Wilds, and I was troubled with a most uncomfortable itching, burning and itching, more especially my limbs, which led to a loss of sleep, and to a general debility, that I could scarcely bear any clothing over them. I was also a sufferer from a severe catarrh, and my system a good deal run down. Knowing the value of AYER'S SASSAPARILLA, by observation of many other cases, and from personal use in former years, I began taking it for the above-named disorder. My appetite improved almost from the first dose. After a short time the fever and itching were relieved, and my general health greatly improved, until it is now excellent. I feel a hundred per cent stronger, and I can now do all the work of the use of the SASSAPARILLA, which I commenced with all confidence at the best blood medicine ever devised. I took it in small doses three times a day, and in ten days I was completely cured. These facts at your service, hoping their publication will do good. Yours respectfully, F. P. WILDS."

The above instance is but one of the many constantly coming to our notice, which prove the perfect capability of AYER'S SASSAPARILLA to cure all diseases arising from impure or impoverished blood, and a weakened vitality.

Ayer's Sarsaparilla cleanses, enriches, and strengthens the blood, stimulates the action of the stomach and bowels, and thereby enables the system to resist and overcome the attacks of all Scrophulous Diseases, Eruptions of the Skin, Rheumatism, Gout, Gravel, Dropsy, and all disorders resulting from poor or corrupted blood and a low state of the system.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists; price \$1, six bottles for \$5.
