A Becent Cure of Scrofulous Sores. "Some months ago I was troubled with scrofulous sores (ulcers) on my lega. The limbs were badly swollen and inflamed, and the sores discharged large quantities of offensive matter. Every remedy I tried failed, until I used AYER'S SARSAPARILLA, of which I have now taken three bottles, with the result that the sores are healed, and my general health greatly improved. I feel very grateful for the good your Yours respectfully, Mrs. ANN O'BRIAN." 148 Sullivan St., New York, June 24, 1882.
