"That is milk of the city, that mixture, my dear. The milk of the chalk pit and water that is used."

The Quietest Thing on Record.

In Kraus's Fluid Lightening for Neuralgia, Headache, Toothache, etc. It does not blister or discolor the skin; requires but one application to banish all pain magically without using any greasy ointment or carrying your head in a poultice for weeks.

W. J. Guppy, druggist, of Newberry, writes:—"Dr. Fowler's Wild Strawberry is just the thing for Summer Sickness. I sold out my stock three times last summer. There was a good demand for it."

AYER'S Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs: none so trifling with the majority of sufferers. The ordinary cough or cold, resulting perhaps from a chilling or noxious exposure, is often but the beginning of a fatal sickness.

A Fertile Cough Cured. "In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctors gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength."

Group - A Mother's Tribute. "While in the country last winter my little boy, three years old, was taken ill with croup. It seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was procured. The child was cured in a few days, and is now as healthy as ever."

Can any one bring us a case of Kidney or Liver Complaint that Electric Bitters will not speedily cure? We say they can, as thousands of cases already permanently cured and who are daily recommending Electric Bitters, will prove.

Mrs. A. Nelson, Brantford, writes: "I was a sufferer from Chronic Dyspepsia for eleven years. Always after eating, an intense burning sensation in the stomach, at times very distressing, caused a drooping and languid feeling, which would last for several hours after eating. I was recommended by Mr. Poppelwell, Chemist, of our city, to try Northrop & Lyman's Vegetable Discovery and Dyspeptic Care, and I am thankful to say that I have not been better for years; that burning sensation and languid feeling has all gone, and food does not lie heavy on my stomach. Others of my family have used it with best results."
