HAIR RENEWER

was the first preparation perfectly adapted :) cure diseases of the scalp, and the first successful restorer of faded or gray hair to its estural color, growth, and pouthful beauty. It has had many imitators, but none have to fully met all the requirements needful for the proper treatment of the hair and scalp. HALL'S HAIR REXEWER has steadily grown in favor, and spread its fame and usefulness to every quarter of the globe. Its unparalleied success can be attributed to but one eause: the entire fulfilment of its promises.

The proprietors have often been surprised at the receipt of orders from remote countries, where they had never made an effort for is introduction.

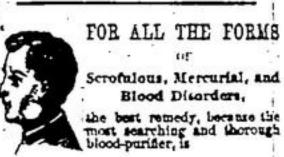

The use for a short time of HALL's HAIR RENEWER wenderfully improves the persoual appearance. It cleanses the scalp from ill impurities, cares all humors, ferer, and dryness, and thus prevents baldness. It stimulates the weakened glands, and enables them to jush forward a new and vigorous growth. The effects of this article are not transfent, like those of alcoholic preparations, but remain a long time, which makes it are a matter of comonly.
