THE MUNICIPAL ELECTIONS.

A Lively Contest in the Election

of Councillors. ELECTIONS ELSEWHERE.

The bracing air of Monday apparently nerved the fracuas of the candidates for municipal honors - both in the village and township -to active exertions, and the result was on all sides a comparatively keen contest. As far as our own municipality is concerned, however, the excitement anplied only to the election of Councillors. the Reave having been elected by acclamation. For the office of Councillors five candidate; were in the field, and it was naturally the desire of each that some one other than himself should be the "left" man. This made a lively contest, and the counting of the ballots revealed the fact

that "plumping," by one's two's and three's had been the order of the day. Notwithstanding the enthusiastic nature of the election, we are pleased to be able to state that everything was confected with the best of feeling on the part of the candidates and their apporters. The following is the result of the polling. Mr. John Kenney being the candidate elected to remain a private citizen

private citizen:				
CANDIDITE.	rei_ sea.	se. 1.	No. 2.	TOTAL
Henderson.			49.	107.
Cameron	46.		45.	91.
Smith	39.		40.	79.
Ismord,	46		34.	78.
Kerrey,	33.		85.	64.

The connell for the present year will consequently be:

REF.E -W. H. Storey.

Cornellors-D. Henderson, C.S. Smith Wm. Ismond and Donald Cameron. Thus we have the council of 1833, with the exception that Mr. Camerob has chang-

ed places with Mr. Kenney. With our municipal business in the hands of the Council elected for 1884, we feel confident that everything will be attended to with a view to the best interests of the municipality, and with a reasonable anxlety for economy in finances.

MARVELOUS STORY

"Bentlemen: My father resides at Olover, Vt. He has been a great sufferer from ferof-tile, and the inclosed letter will tell you what a marrelous effect

Ayer's Sarsaparilla

has had in his case. I think his blood satur years; but it did not show, except in the form of a scrofulous sore on the wrist, until about five years ago. From a few spots which appeared at that time, it gradually spread so as to cover his entire body. I assure you he was terribly afflicted, and an object of pity, when he began using your medicine. Now, there are few men of his age who enjoy as good bealth as he has. I could easily name fifty persons who would testify to the facts in his case.

Yourstruly, W. M. PRILLIPS." a duty for me to state to you the benefit I

have derived from the use of

Six months ago I was completely covered with a terrible humor and scrofulous scree. The humor caused an incommant and intolerable itching, and the skin cracked so as to cause the blood to flow in many places whenever I moved. My sufferings were great, and my life a burden. I commenced the use of the SARSAPARILIA in April last, and have need it regularly since that time. My condition began to improve at once. The sores have all healed, and I feel perfectly well in every respect - being now able to do a good day's work, although 73 years of age. Many inquire what has wrought such a care in my case, and I tell thom, as I have here tried to tell you, ATER'S SARSAPARILLA. Glover, VL. Oct. Yours gratefully, HIBAN PRILLIPS."
