

TRUSTWORTHY TESTIMONY

From the English Opinion Upon an Important Subject of Great Value to Every Reader.

The day for pretenses has passed. Men are judged by what they can do, not by what they say they can do. The reading public to-day is too discriminating to be long deceived by the spurious. If an article have merit it will become popular; if it is unworthy it will sink into oblivion. For years the people of England and America have put to the severest tests a compound regarding which most ambitious claims have been made. Under such ordeals as it has been subjected to, nearly every known preparation would have failed, but this one did not. In England and the United States to-day, it is the most widely known and popular of all public preparations. In verification of which note the following:

In September last, one of the English forerunners of India returned to London, England, broken down and debilitated from further service by reason of what the examining physicians pronounced incurable kidney disease and dropsy. He was comparatively a young man, and felt depressed over the situation. Incidentally learning, however, of the power of Warner's Safe Cure, which has attracted so much attention of late, he began its use. Within three months he was thoroughly restored to health, passed medical examination and sound mind and is to-day discharging his duties as well as ever in the trying climate of India.

J. D. Henry, Esq., a near neighbor of the late Thomas Carlyle, Chelsea, S. W. London, England, became very much emaciated from the continued kidney and liver disease, the treatment he had sought from the best medical authorities working only temporary results. He then began the use of Warner's Safe Cure, and in May 18th last, declared, "I am now feeling physically a new creature. A Cure for kidney, liver and various diseases, also speaks of it in the highest terms."

R. C. Sturtevant, Helena, N. B., was obliged to relinquish his professional duties because of a severe kidney and liver complaint. After using a dozen bottles of Warner's Safe Cure he says: "I am to-day better than I have been for twenty years, and I cheerfully recommend the Safe Cure to all who are suffering from these diseases."

Mr. William Jones, 16 Wellington street, Cambridge, Eng., says that he was thoroughly treated in St. Bartholomew's hospital, London, Eng., for urinary disorders and weakness. He used Warner's Safe Cure and he says: "I am like a new man." It cured him of indigestion, troubles of the bowels, excessive urination and nervous prostration. He adds: "I was taking various medicines for over two years from the best doctors, and all in vain, but after taking Warner's Safe Cure for only four weeks I was brought from death to life."

Mr. L. Gann, 125 Broad street, London, W. Eng., suffered for years from female weakness, skin eruptions and impure blood, but after using Warner's safe cure, she says: "My health is better now than it has been for years."

Mr. W. Clarkson, Hartington, Villas, Spital, Chertsey, Eng., used Warner's Safe Cure for liver complaint, dyspepsia, flatulence, vomiting of bile, and general depression. January 15, 1883, he writes: "After using the 6th bottle I feel better than for many years. It is an invaluable medicine."

Mr. J. Hitchcock, station master, Taft Vale railway, Navigation station, was cured of disease of the kidney, calculus or stone, discharge of pus, etc., by thirteen bottles of Warner's Safe Cure. "I had long and faithfully tried some of the ablest medical men in South Wales, in vain, one of these remarking that medical science has failed to find a remedy for confirmed kidney disease. The Safe Cure dissolved and brought away about two ounces of stone. I can never praise the Safe Cure too highly."

Mr. Robert Patrick, New Delaval, Eng., was much overcome by severe inflammation of the bladder. "I had to urinate about every five or ten minutes with great pain and suffering. My water was full of matter and blood. Both kidneys and liver were affected, and in addition I had a bad cough and heart trouble, all presumably the secondary effect of the kidney and bladder disorder." He says that after curing his bladder, kidney and liver trouble by Warner's Safe Cure, his cough and palpitation are quite gone.

William Simpson, Esq., Daughy Mill, Kitching, N. B., suffered for years from Bright's disease of the kidneys and consequent dropsy. His body was dreadfully swollen. His appetite was feeble, he was full of rheumatic pains, his urine burned in passing and was full of mucous and thick dust sediment; his pulse was weak, his heart was irregular in its action, his breathing was very much impaired, in short he had all the painful symptoms of that dreadful disorder. He spent 17 weeks in the Royal Infirmary, of Edinburgh, under the skill of the best physicians who, having exhausted all agencies at their command, discharged him as incurable. He says: "I passed water every hour, day and night, having great pain both doing so. It was nearly white as milk, with albumen, and when it stood for an hour, the deposit was a quarter of an inch thick in the bottom of the vessel." "When in this despondent condition he began to use Warner's Safe Cure—the only known specific for Bright's disease of the kidneys—"I have used twelve bottles. It has cured me and I shall be able to do my duty as usual."

stored that he adds: "I bless the day when I read that Bright's disease was curable, and for so little cost."

The following persons of quality in London and other parts of England, are a few of the thousands who have used and have commended Warner's Safe Cure, the great specific for kidney, liver, urinary, female and Bright's diseases:

Hon. Freeman H. Morse, 8 Park Villas East, Richmond.

Captain F. L. Norton, Gillingall Villa, Lee Road, Blackheath, Kent.

Hon. S. B. Packard, 74 Alexandra Drive, Liverpool.

Hon. A. D. Shaw, United States Consul, Manchester.

The Rev. C. G. Squirrel, Stratton-under-Fosse, Rugby.

Such testimonials, from such unquestionable sources prove the value of this remedy, which is sold in every drug store, beyond the shadow of a doubt. They prove that it is the greatest of all modern medicines for these terrible kidney and liver diseases. What it has done for one it will unquestionably do for others, and as such it commends itself most warmly to public confidence.

Highly Agreeable. One very valuable feature of Dr. Low's Pleasant Worm Syrup is, that it is highly agreeable to take, and all varieties of worms tape-worms included, can be safely expelled by it, without recourse to harsh and sickening drugs.

A. M. Hamilton, writes: "For weeks I was troubled with a swollen ankle, which caused me much pain and annoyance. Mr. Maybee, of this place, recommended Dr. Thomas' Electric Oil for it. I tried it, and before one bottle was used I was cured. It is an article of great value." Beware of Electric or Eucalypt Oil, as they are imitations of Dr. Thomas' Electric Oil.

Be Careful What You Eat. The best medicine authorities declare that worms in the human system are often increased by eating too freely of uncooked fruit and too much meat, cheese, etc. Whatever may be the cause, Freeman's Worm Powders are speedy and safe to cure; they destroy the worms, and contain their own cathartic to expel them.

A Paralytic Stroke. W. H. Howard, of Geneva, N. Y., suffered with palsy and general debility, and spent a small fortune in advertised remedies, without avail, until he tried Burdock Blood Bitters. It purified and revitalized the blood, caused it to circulate freely, and quickly restored him to health.

S. Cludwick, of Arcadia, Wayne Co., writes: "I have had severe attacks of Asthma for several years. I commenced taking Dr. Thomas' Electric Oil. The first dose relieved me in one hour. I continued taking it in teaspoonful doses for a few days, and have not had an attack of it since, now nearly one year."

The best Proof.—This globe. "I sell more Burdock Blood Bitters than I do of any other preparation in stock," says B. Jackson, druggist, Toronto. If he read or will ask any druggist in the city he will get a similar answer to his query—a proof that it is the most popular medicine for the blood, liver and kidneys known.

There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States.
