### OLD RYE'S SPEECH.

I was made to be eaten, And not to be drank; To be threshed in a barn, Not soaked in a tank.

I come as a blessing. When put through a mill: As a blight and a curse When put through a still.

Make me into loaves, And your children are fed; But if into drink, will starve them instead

In bread, I'm a servaut, The eater shall rule; In drink I am master, The drinker a fool. . -

Then remember the warning : My strength I'll employ, II eaten, to strengthen, If drunk, to destroy.

### Licensed to Sell

We are growing weary of the meaningless sign. "Licensed to retail spiritous liquors" Would not the rumseller give us a true idea of what his license grants him, and what the true nature of his business? To help him towards this end I would suggest the following as a correct translation of the common and seemingly harmless inscription which we see over the doors of "Our Family Vaults "-

Licensed to hush the voice of right; Licensed to bid all honor fice; Licensed to make a sin seem light; Licensed to make lives disagree, Licensed to kill the maiden's blush Licensed to dull the fear of shame, Licensed to bid her conscience hush, Licensed to give a tarnished name; Licensed to lead our youth astray. Licensed to coax him from his toil. Licensed to give his passions away, Licensed to lead him into brawl; Licensed to take the workman's hoard. Licensed to make his arm grow weak, Licensed to rob the children's board. Licensed to blanch the mother's cheek Licensed to make us need the police; Licensed to tax our houses and land; · Licensed to bid all crime increase; Licensed to form the robbers' band; Licensed to crush the drunkard low, Licensed to bid his mad talk flow, Licensed to set his brain on fire; Licensed to fill a drunkard's grave; Licensed to bring a widow woe; Licensed to make a woman a slave; Licensed to be the children's foe; Licensed to give a prison life; Licensed to bid a felon lurk; Licensed to whet assassin's knife; Licensed to give the hangman work; Licensed to work in sin like leaven; Licensed to live a ne'er-do'-well; Licensed to shut men out of Heaven; Licensed to shut men up in Hell,

Thank heaven the "License Curse" has been banished-we trust forever-from within the clouds of our noble county-
