Drunkards, Bummers, and Dead Beats Not Wanted.

(In Detroit at a late convention of liquor dealers it was decided to post signs at all high-toned liquor stores, like the heading of this article.

Wanted, no drunkards, or dead beats, or bummers,
No whelps that boys we want, and new comers,
Just fresh from their homes, the school or the college,
Healthy and wealthy, and well stocked with knowledge;
Food mothers' sons and food sisters' brothers—
High-toned recruits we want, and no others.
Tired of the drunkard whose substance is wasted
(He never tires of the drink he has tasted);
And dead beats and bummers are noisy, unsightly,
Not tempting signs to the youths who come nightly,
Never expecting some time to resemble
These stranded wrecks who totter and tremble,
And hang round our doors with red bloated faces,
Why don't they infest saloons and low places?
Can they not see that our dealings are sealed
Where they to drunkards and sots have descended?
Let them begone, for they seem to upbraid us,
Questioning all who pass by with "Who made us?"
We cannot be our dead beat brother's keeper—
Let him haunt places where liquor is cheaper.
Young men, in you our best hopes are implanted,
Drunkards, and bummers, and dead beats not wanted.

The dark ages—Those of ladies no longer young.

If a few grains of common sense could be infused into the thick noddles of those who perpetually and alternately irritate and weaken their stomachs and bowels with drastic purgatives, they would use the highly accredited and healthful laxative and tonic, Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, which causes "good digestion to wait an appetite, and health on both." 23

Mrs. A. Nelson, Brantford, writes: "I was a sufferer from Chronic Dyspepsia for eleven years. Always after eating, an intence burning sensation in the stomach, at times very distressing, caused a drooping and languid feeling, which would last for several hours after eating. I was recommended by Mr. Popplewell, Chemist of our city, to try Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, and I am thankful to say that I have not been better for years; that burning sensation and languid feeling has all gone, and food does not lie heavy on my stomach. Others of my family have used it with best results."

Holloway's Pills.—Sudden changes, frequent fogs, and prevading dampness sorely impede the vital functions, and condüce to ill-health. The remedy for such disorders lies in some purifying medicine, like these Pills, which is competent to grapple successfully with the mischief at its source, and stamp it out, without fretting the nerves, or weakening the system. Holloway's Pills extract from the blood all noxious matter, regulate the action of *every* disordered organ, stimulate the liver and kidneys, and relax the bowels. In curing chest complaints these Pills are remarkably effective, especially when aided by a free local application of the Ointment. This double treatment will ensure a speedy and beneficient progress, and lasting health will soon be re established.

AYER'S PILLS.

A large proportion of the diseases which cause human suffering result from derangement of the stomach, bowels, and liver. AYER'S CATHARTIC PILLS act directly upon these organs, and are especially designed to cure the diseases caused by their derangement, including **Constipation, Indigestion, Dyspepsia, Headache, Dysentery**, and a host of other ailments, for all of which they are a safe, sure, prompt, and pleasant remedy. The extensive use of these PILLS by eminent physicians in regular practice, shows unmistakably the estimation in which they are held by the medical profession.

These PILLS are compounded of vegetable substances only, and are absolutely free from calomel or any other injurious ingredient.

A Sufferer from Headache writes:

"AYER'S PILLS are invaluable to me, and are my constant companion. I have been a severe sufferer from Headache, and your PILLS are the only thing I could look to for relief. One dose will quickly move my bowels and free my head from pain. They are the most effective and the easiest physic I have ever found. It is a pleasure to me to speak in their praise, and I always do so when occasion offers.
