THURSDAY MORNING, JUNE 25, 1884.

THE DAYS BEYOND RECALL.

Glad sun of summer shining Upon a thousand fields. Beneath the crimson rose Its sweetest perfume yields. But O! the other roses That bloomed in years gone by...

A male does not commit suicide when it blows out its brains.

The Star Dye are unexcelled for cheapness and brilliant fast colors.

Worms cause feverishness, moaning and restlessness during sleep. Mother Graves, Worm Exterminator is pleasant, sure, and effectual.

The success with which the Triangle Dyes have met proves them the most remarkable Dyes of the past or present.

A trying moment—when your next coat comes home from the tailor's.

Mr. J. E. McGarvin, your Druggist, says Flint's Tooth powder, the peerless dentifrice, surpasses any dentifrice he has ever offered for sale.

The need of merit for promoting personal aesthetics is due to J. C. Ayer & Co., whose incomparable Hair Vigor is a universal beautifier of the hair.

A worthless check—The rain that hitches a horse's head too high.

For constitutional and scrofulous catarrh, and for consumption induced by the scrofulous taint, Ayer's Sarsaparilla is the true remedy. It has cured numerous cases.

Is there anything more annoying than having your corn stepped upon? Is there anything more delightful than getting rid of it? Holloway's Corn Cure will do it.

If you want to find out whether a man is a bachelor, or a man of a family, give him a baby to hold.

The Triangle Dyes are such as one friend can take pleasure in recommending to another. Mark well that you get a three cornered package, for they are the only reliable Dyes in the market.

Oh! how tired and weak I feel I don't believe I will ever get through the Spring house-cleaning! Oh yes you will if you take a bottle or two of Dr. Carson's Stomach Bitters to purify your blood and tone up the system.

Riches are less wealth than is learning, for wisdom cannot be stolen or lost; it is therefore the best friend.

WORK LIKE MAGIC. Flint's Mandrake Balm—Cure Liver and kidney diseases. It reaches every part of the human body and driving out disease they have no equal.

To be permanently esteemed any article must have virtues so marked as to be plainly apparent. The good name of the Triangle Dyes is evidence of merit.

The fruit of liberal education is not learning, but the capacity and desire to learn; not knowledge, but power.

Mr. Phipps Bolles, Ottawa, says: "I was radically cured of piles, from which I had been suffering for over two months, by the use of Thomas' Electric Oil. I used it both internally and externally, taking it in small doses before meals and on retiring to bed. In one week I was cured, and have had no trouble since. I believe it saved my life."

There are lots of people going around grubbing, and half sick at the stomach all the time; who might be well and happy, if they only used Dr. Carson's Stomach Bitters occasionally. It is a splendid Blood Purifier. All Druggists 50 cents.

An economical gentleman, wanting to have his portrait "done" in oils, asked the artist if it would not be cheaper painted with paraffine.

Failure is not always followed by failure, and although you may have tried remedies repeatedly without benefit, don't doubt that you will find the right thing yet. Putnam's Painless Corn Extractor is a positive remedy for corns, and once used at once cured. This fact has been vouched for by thousands who have used it. Sold by druggists. N. C. POIRSON & CO., Kingston, Proprietors.

Salt Rheum Cured. Are you troubled with Salt Rheum, Rough Skin, Pimples or Canker Sores; if so, go at once to J. E. McGarvin's Drug Store and get a package of Calvert's Carbolic Ointment. Price twenty-five cents. It is never known to fail.

"My husband," began the lecturer, "I want to know if you could proceed further than you have done." "We'll trade with you, mister." "We'll trade with you, mister for that." "The citizens thought you were going to open a grocery store."

Before he could proceed further a lady of the audience, in a low, sweet voice, asked the lecturer, "What is the name of the medicine you are using?" "The name of the medicine," replied the lecturer, "is 'Holloway's Pills'."

D. Sullivan, Malcolm, Ontario, writes: "I have been using Dr. Thomas' Electric Oil for some years, and have no hesitation in saying that it has given better satisfaction than any other medicine I have ever used. I consider it the only patent medicine that cures more than it is recommended to cure."

Field Lightning. There are but few that have never suffered almost intolerable pain from Toothache, Neuralgia, or like acute pains. To them such an instant relief as Field Lightning is an untold blessing in time of trouble. No disgusting offensive medicine to be taken for days. One application of Field Lightning cures. Sold at J. E. McGarvin's Drug Store.

A Great Discovery. Mr. Wm. Thomas, of Newton, Ia., says: "My wife has been seriously affected with a cough for twenty-five years, and this spring more severely than ever before. She had used many remedies without relief, and being urged to try Dr. King's New Discovery, did so, with most gratifying results. The first bottle relieved her very much, and the second bottle has absolutely cured her. She has not had so good health for thirty years."

Are you troubled with Salt Rheum, Rough Hands, or old Sores of any kind that cannot be healed? Even though it be of years standing, McGarvin's Carbolic Ointment will cure it beyond the shadow of a doubt. It is the best healing compound ever known. Boils, Festerings, Frost Bites, Burns or any Skin Trouble, are all cured by it. Sold at 25 cents by J. E. McGarvin's Drug Store.

Miss Mary Campbell, Elm, writes: "After taking four bottles of Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, I feel as if I were a new person. I had been troubled with Dyspepsia for a number of years, and tried many remedies, but to no avail, until I used this celebrated Dyspeptic Cure."

If a few grains of common sense could be infused into the thick skulls of those who perpetually and alternately irritate and weaken their stomachs and bowels with drastic purgatives, they would use the highly accredited and healthful Laxative and Tonic, Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, which causes good digestion to wait an appetite, and health on both.

Never Give Up. If you are suffering with low and depressed spirits, loss of appetite, general debility, disordered blood, weak constitution, headache, or any disease of a bilious nature, by all means procure a bottle of Electric Bitters. You will be surprised to see the rapid improvement that will follow your use.

Advice to Mothers. Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of Mrs. Winslow's Soothing Syrup for Children Teething.

Not and count it to the suffering. "Brown's Household Panacea" has no equal for relieving pain, both internal and external. It cures Pain in the Side, Back or Bowels, Sore Throat, Rheumatism, Toothache, Lambeago and any kind of a Pain or Ache.

The Great Sale at the Right House is an Immense Success.

The exceeding low prices which the goods are now selling off at attract thousands of customers, who through these enormous stores to that frequently there is scarcely a room at the counters for them all, and the whole length of both stores, 275 feet long, is crowded daily. This great sale has been got up on the principle of giving every customer extra good value in all they buy, while some hold lotteries in which only one in perhaps 5,000 will get anything, while the principle of depending on the wheel of fortune for our wants has an immense influence on all who do so, and is ruinous to both the public and private welfare.

Hamilton, June 12, 1884.

MANHOOD

HOW LOST—HOW RESTORED. We have recently published a new and complete work on the subject of Manhood, and its restoration. It is a complete and practical treatise on the subject, and is the only one of its kind. It is written in a plain and simple manner, and is so arranged that every man can understand it. It is a most valuable work, and is one that every man should have in his possession.
