ATER'S SARAFABILLA in many similar

cases, and he has never yet heard of its fallure to effect a radical cure. Some years ago one of Mr. LELAND'S farm laborers bruised his log. Owing to the bed state of his blood, an ugly scrofulous swelling or lump appeared on the injured limb. Horrible itching of the skin, with burning and darting pains through the lump, made life almost intolerable. The leg became enormously enlarged, and running plears formed, discharging great quantities of extremely offensive matter. No treatment was of any avail until the man, by Mr. LELAND's direstion, was supplied with ATER'S SAREAPA-RILLA, which alleyed the pain and irritation,

We have Mr. LELAND's permission to invite all who may desire further evidence in regard to the extraordinary curative powers of ATER'S SARSAPARILLA to see him personally either at his mammoth Ocean Hotel, Long Branch, or at the popular Leland Hotel, Broadway, 27th and 28th Streets, New York. Mr. LELAND's extensive knowledge of the good done by this unequalled eradicator of blood poisons enables him to give inquirers much valuable information.
