MAGGIE'S GAIN AWA.

Oh, our dear friend! has been awa. An' we feel vera sair. We wish her counte laugh an' sang. An' wish her back ane mair. We're na outside awa to-day— Sic change ye never saw. We meet to sigh and only say "Poor Maggie's gain awa."

The house is vera still the day. We're feel rather queer. We're na sae bright as we might be. Gin Maggie were but here.

She's gien to join her ain kin folk. Wha lo her weel an' true. An' joyal will her greeting be. And muckle lit, so. An' weel the lass deserves it. Far she's baith guid an' kind. She's felt an' cannie an' primie— Her equals rare to find.

The house is vera still the day. We're feel rather queer. We're na sae bright as we might be. Gin Maggie were but here.

But when the snaw in' ornies falls Shall cover "banks an' braes," An' Parliament will sit in state To claim the nation's praise, We hope to see her here ane mair. We'll be light and gay. An' sing the lee lang day.

An' then the house will ring 'er gloe. An' 'er 'er 'er 'er 'er 'er 'er. We'll dress oursel's in our guid claes For Maggie will be here.

Humorous. No matter how light you step you can always hear a foot-fall. The young man who has it "down in" is the one with a maiden mischance.

Why is an advertisement for railroad ties like a Pullman car conductor? Both are tenders for sleepers.

Now that he is married, Oscar Wilde daughter raise some wild son flowers, if it be not un-aesthetic.

Pearls of Thought. Human nature is not so bad as we sometimes judge it to be.

Oh some expectation fails, and most oft there were most it promises.

He who sedulously attends, pointedly asks, calmly speaks, coolly answers, and ceases when he has no more to say, is in possession of some of the best requisites of man.

Love, in its varied phases, can acquire purity or dignity only when guided by an inward power over ourselves; that is in itself the very germ of virtue.

A Blunt Partisan. The patriots of New England, who labor to secure self-government for the colonies, had to encounter their neighbors who were devoted to the Kingdom Parliament.

Among these loyalists was found here and there, a clergyman who thought it his duty to preach the submission of subjects and the rights of rulers.

One of these clergymen was the Rev. Mr. Chase, of Portsmouth, N. H., who numbered among his congregation Capt. John Blunt, shipmaster and farmer. On the birth of the captain's sixth boy, it was determined, after a family consultation, to name him William, and he was carried to the church to be christened.

It happened on that Sunday morning that the Rev. Mr. Chase, bent on eradicating the growing dissoluteness of his people, preached a sermon in denunciation of Oliver Cromwell, as a blasphemous revolutionist.

Capt. Blunt, being an outspoken patriot, determined to resent the minister's attack on the Puritan hero.

"What's his name?" asked the clergyman, as the child was placed in his arms. "Oliver Cromwell," replied the captain, in a distinct voice.

"What—what did you say, sir?" asked the amazed minister, gazing as if he had been struck.

"Oliver Cromwell, sir," said the captain, in a voice as stentorian as if he were shouting in a gale. And the boy was christened Oliver Cromwell Blunt—'Tenth's Companion."

Thos. Sabin, of Edginton, says: "I have removed ten corns from my feet with Holloway's Corn Cure." Reader, go thou and do likewise.

A Reward. Of \$10 is offered in good faith for a hard case of corns that have stubbornly refused to be relieved by the use of Putnam's Painless Corn Extractor, the great corn extractor. Thousands in England, Canada and the States testify to the efficiency of this celebrated corn cure, and the proprietors are anxious to hear if there is a single case of failure. Address N. C. POLSON & CO., Kingston. Use Putnam's Corn Extractor, sure, safe and painless.

Thousands Say So. Mr. T. W. Atkins, of Grand, Kan., writes: "I never hesitate to recommend your Electric Bitters to my customers, they give entire satisfaction and are rapid sellers." Electric Bitters are the purest and best medicine I know and will positively cure Kidney and liver complaints. Purify the blood and regulate the bowels. No family can afford to be without them. They will save hundreds of dollars in doctor's bills every year. Sold at fifty cents a bottle by J. E. McGarvin.

A Walking Skeleton. Mr. E. Sprinker, of Mechanicville, Pa., writes: "I was afflicted with lung fever and abscess on lungs, and reduced to a walking skeleton. Got a free trial bottle of Dr. King's New Discovery for Consumption, which did me so much good that I bought a dollar bottle. After using three bottles, found myself once more a man, completely restored to health, with a hearty appetite, and a gain in flesh of 45 lbs."

Best and Comfort to the Suffering. "Brown's Household Panacea" has no equal for relieving pain, both internal and external. It cures Pain in the Side, Back or Bowels, Sore Throat, Rheumatism, Toothache, Lumbago and any kind of a Pain or Ache. "It will most surely quicken the Blood and Heal, as its acting power is wonderful." "Brown's Household Panacea," being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Liniment in the world, should be in every family handy for use when wanted, "as it really is the best remedy in the world for Cramps in the Stomach, and Pains and Aches of all kinds" and is for sale by all Druggists at 25 cents a bottle.

Advice To Mothers. Are you disturbed at night and broken of your rest by a sick child, suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of Mrs. Winslow's Soothing Syrup for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers, there is no mistake about it. It cures dysentery and diarrhoea, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. Mrs. Winslow's Soothing Syrup for Children Teething is pleasant to the taste, and is the prescription of one of the oldest and best female nurses and physicians in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle.

The Proper Channel for the escape from the system of impurities, which would, if they remained, poison the blood, is through the bowels. When this outlet is obstructed it may be disencumbered with Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, a remedy which regulates the system, invigorates digestion, and is pure and safe as well as effective. It cures all diseases arising from Impure Blood.

If a few grains of common sense could be infused into the thick waddles of those who perpetually and alternately irritate and weaken their stomachs and bowels with drastic purgatives, they would use the highly-accomplished and beautiful laxative and tonic, Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, which causes "good digestion to wait an appetite, and health on both."

Mr. B. C. Winslow, Toronto, writes: "Northrop & Lyman's Vegetable Discovery is a valuable medicine to all who are troubled with Indigestion. I tried a bottle of it after suffering for some ten years, and the results are certainly beyond my expectations. It assists digestion wonderfully. I digest my food with no apparent effort, and am now entirely free from that sensation, which every dyspeptic well knows, of unpleasant fullness after each meal."

Holloway's Pill.—In order that the slightest indisposition may not rapidly run its disastrous course from bad to worse, the afflicted of every age and class should give it immediate attention. A few doses of those thoroughly purifying and strengthening Pills will always be beneficial when the least disorder regains or when nervous fears oppress the mind. Two or three Pills at bed time have the happiest effect in promoting perfect digestion, whereby the muscles are rendered more vigorous, the spirits more buoyant, and the entire frame more hardy. Holloway's medicine increases the quantity of nutrient derivable from a given quantity of food, and so the quality of the blood is improved, the tone of every fibre throughout the body is heightened, and the disposition to fall into disease is reduced to a minimum.

Few are the remedies whose beneficial qualities and real merits have made them so popular with the public, and increased from year to year their consumption, which whilst possessing the most valuable remedial properties, are yet so simple in their compound, and so easy to take, as the Quinine Wine, prepared by Northrop & Lyman of Toronto. This article is prepared from the pure Sulphate of Quinine, combined with fine Sherry Wine, and choice aromatics, which relieves the Quinine of its bitter taste, and does not impair in the least degree the efficacy of its action upon the patient; whilst small doses, frequently repeated, strengthen the pulse, increase muscular force, and invigorate the tone of the nervous system, and thus, by the general vigor which it imparts, creates an appetite, which gives to the stomach tone and energy, and fortifies the system against all infectious diseases. Ask for Northrop & Lyman's Quinine Wine; sold by all druggists.

KING'S EVIL Was the name formerly given to Scrofula because of a superstition that it could be cured by a king's touch. The world is wiser now, and knows that SCROFULA can only be cured by a thorough purification of the blood. If this is neglected, the disease perpetuates its taint through generation after generation. Among its symptoms are Eczema, Cutaneous Eruptions, Tubercular Ulcers, Pustules, Boils, Carbuncles, Herpes, and all kinds of skin diseases. If allowed to continue, it may lead to Consumption, Liver Disease, Tubercular Consumption, and various other dangerous or fatal maladies, as produced by it.

Ayer's Sarsaparilla Is the only powerful and always reliable blood-purifying medicine. It is so effective an alternative that it eradicates from the system Hereditary Scrofula, and the kindred poisons of contagious diseases and mercury. At the same time it enriches and vitalizes the blood, restoring healthy action to the vital organs and rejuvenating the entire system.

Regenerative Medicine Is composed of the genuine Honduras Sarsaparilla, with Yellow Dock, Sillitop, the Jodine of Potassium, and Iron, and other ingredients of great potency, carefully and scientifically compounded. Its formula is generally known to the medical profession, and the best physicians constantly prescribe AYER'S SARSAPARILLA as such.

Absolute Cure For all diseases caused by the vitiation of the blood. It is concentrated to the highest practicable degree, far beyond any other preparation for which like effects are claimed, and is therefore the cheapest, as well as the best blood purifying medicine in the world.
