Deaf mutes converse by signs because actions speak louder than words. Jay-Eye-Sec and Mand S. are very fast

but Dr. Tanner was a faster. The most verdant young man of the period was the one who attempted to cut

be a bank book. A man has been arrested in London for simply laying up something for a rainy day. In his room over nine hundred

umbrellas were discovered. "Another cool wave," as the young man said when his two sisters and three consins standing in front of an ice cream salcon beckoned him to come over.

Warning and Comfort.

Hard and soft corns cannot withstand Holloway's Corn Cure ; it is effectual every time. Get a bottle at once and be happy. Jacob Loochman, Buffalo, says he has been using it for rheumatism. He had such a lame back that he could do nothing; but one bottle entirely cured him.

Worms derange the whole system. Mother Grave's Worm Exterminator deranges worms, and gives rest to the sufferer. It only costs twenty-five cents to fry it and be convinced.

It is a remarkable fact that Dr. Thomas Eclectric Oil is as good for interal as external use. For disease of the lungs and throat, and for rheumatism, neuralgia, crick in the back, wounds and sores, it is the best known remedy, and much trouble is saved by having it always on hand.

About a year ago he had an attack of bilious fever, and was afraid he was in for another, when I recomended this valuable medicine with such happy re

efforts to throw off or resist serious diseases. it is essential that an impulse should I given to functions which growing ill health suspends or weakens, namely, the action of the bowels, bilious secretion, and digestion. If a few grains of common sense could be infused into the thick noddles of those who perpetually and alternately irritate and weaken their stomachs and bowels with drastic purgatives, they would use the highly accredited and healthful laxative and tonic, Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, which cause "good digestion to wait an appetite, and health on both."
