## IRONING SHIRTS.

"Ironing my husband's shirts," said she, "with a motion of easy grace, As over the linen she moved her face, While the white light swept her hair, Little she thought how those simple words Stirred within me the love of old: How the pain shot through me to think of them, So long in their grave so cold."

That bosom so white, that earnest care That never a crease or seam Should mar the lines to her so fair, Was to me like an old-time dream.

As I dully saw the time days go by, As with weary hands I strove, I have wished there were not so many to call For a wife or a mother's love.

And often I said, as the sun sank low, "Oh! I'm glad my work is done; So many, so many!" alas! poor hands! They have now not even one.

Ah! wives, be patient, and mothers be strong, For the toil that comes to-day; 'Tis easier far for the heart to bear Than to have them far away.

—Francis D. Gage.

## Warning and Comfort.

Joseph Rusan, Percy writes: "I was induced to try Dr. Thomas' Electric Oil for a lameness which troubled me for three or four years. And I found it the best article I ever used. It has been a great blessing to me." Friends may imitate Dr. Thomas' electric Oil in appearance and name, but in everything else they are dead failures.

If you have a cough or cold do not neglect it; many without a trace of that hereditary disease have drifted into consumptive's grave by neglecting what was only a slight cold. Had they used Bickle's Anti-Consumptive Syrup before it was too late, their lives would have been spared.

Mr. A. W. Levy, Mitchell, writes: "I think Bickle's Anti-Consumptive Syrup the best preparation on the market for coughs and severe colds. About six years ago I caught a severe cold which settled on my lungs, and for three months I had a cough. I had a physician attending me, but gradually grew worse until I was on the verge of consumption, and had given up hope of being cured, when some one had taken one bottle of Bickle's Syrup. Before I had taken one bottle I found myself greatly relieved, and by the time I had finished the second bottle I was completely cured. I always recommended it for severe colds and consumption."

What to do. If troubled with an unhealthy, slow-healing sore use McEregor & Parkes' Carbolic Ointment. You will find it valuable for healing, cleansing and completely removing your trouble. If the blood is cut of order, take with it a few drops of McEregor's Speedy Cure, from J. E. McGarvin's Drug Store.

Field Lightning. There are but few that have never suffered almost intolerable pain from toothache. "Numbness, or loss of power," to be such an unpleasant relief as I had in taking an ungodly blessing in time of trouble. A disgusting offensive medicine to be taken for days. One application of Field Lightning cures. Sold at J. E. McGarvin's Drug Store.

Pectoral. Pectoral! Pectoral! the greener for Coughs, Colds, Bronchitis, Sore Throat, Influenza, Hoarseness, and all affections of the Lungs and Throat or Chest. Pectoral loosens the phlegm and breaks up the Cough. 25 cents per Bottle. Don't give up until you have tried Pectoral, all Druggists and General Storekeepers sell it.

If a few grains of common sense could be infused into the thick maddles of those who perpetually and alternately irritate and weaken their stomachs and bowels with drastic purgatives, they would use the highly accredited and healthful laxative known as Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, which causes "good digestion to wait an appetite, and health on both."

## AYER'S Cherry Pectoral.

Prominent among the greatest medical discoveries, by the many cures it has effected, *McEregor's Speedy Cure* leads the van. Subjected to the minutest chemical analysis, it has been found to contain one of those injurious ingredients characterizing the worthless specifics daily offered to the public. Every judicious physician or chemist adaptability to the various complaints for which it has been compounded, and its efficacy is being established by testimonials hourly received. We are therefore confident that we have a preparation which we can offer to the public with the assurance that it will be found not only a relief but an absolute cure for Dyspepsia, Liver Complaint, Indigestion, Constipation and Impaired Digestion. Free trial bottles at J. E. McGarvin's Drug Store.

## CATARH—A NEW TREATMENT.

Perhaps the most extraordinary success that has been achieved in modern medicine has been attained by the Dixon treatment for Catarrh. Over 2,000 patients treated during the past six months, fully ninety per cent. have been cured of this stubborn malady. This is none the less startling when it is remembered that not five per cent. of patients presenting themselves to the regular practitioner are benefited, while the patient medicines and other advertised cures never record a cure at all. Starting with the claim now generally believed by the most scientific that the disease is due to the presence of living parasites in the tissue. Mr. Dixon at once adapted his cure to their extermination—this accomplished, he claims the Catarrh is practically cured, and the patient's system restored, as evidenced by him four years ago, and now still. No one else has ever attempted to cure Catarrh in this manner, and no other treatment has ever cured Catarrh. The application of the remedy is so simple that it can be done at home, and the present season of the year is the most favorable for a speedy and permanent cure. The majority of cases being cured at one treatment. Sufferers should correspond with Messrs. A. H. DICKSON & SON, 305 King Street West, Toronto, Canada, and enclose stamp for their treatise on Catarrh. —*Frederick Day, Nov. 17, 92.*

## Itching Piles—Symptoms and Cure.

The symptoms are moisture, like perspiration, intense itching, increased by scratching, very distressing, particularly at night, and if in the rectum; the private parts are sometimes affected. If allowed to continue very serious results may follow. "SWAYNE'S OINTMENT" is a pleasant, sure cure. Also for Itching, Itch, Salt Rheum, all scaly, crusty Skin Diseases. Sent by mail for 50 cents; 6 boxes, \$1.25, (in stamps). Address, DR. SWAYNE & SON, Philadelphia, Pa. Sold by Druggists.

## Merit Proven.

Dollar upon dollar is frequently spent on the faith of recommendations for articles entirely worthless. Not so with McEregor's Speedy Cure. You are not asked to purchase it until it has taken one bottle to find yourself greatly relieved, and by the time I had finished the second bottle I was completely cured. I always recommended it for severe colds and consumption."

## AYER'S Cherry Pectoral.

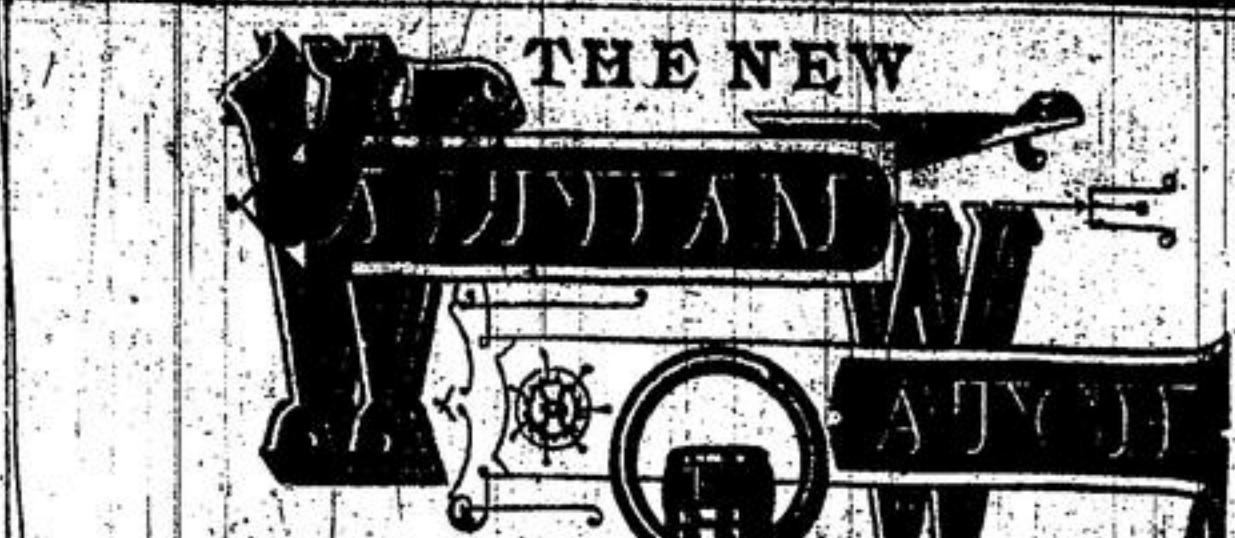

No other complaints are so insidious in their attack as those affecting the throat and lungs; none so tried with by the majority of sufferers. The ordinary cough of cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal attack. AYER'S Cherry Pectoral has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

## A Terrible Cough Cured.

"In last I had a severe cold, which affected my lungs, and a terrible cough, and I was kept at night without sleep. The doctors said it was a case of Consumption. I had tried many remedies, but they all failed. I then tried AYER'S Cherry Pectoral, and after using it for a few days, I was completely cured. My cough was cured, and I was able to sleep at night. I am now 64 years old, hale and hearty, and am satisfied your Cherry Pectoral cured me."

## Group—A Mother's Tribute.

"While in the country just winter my little boy, three years old, was taken ill with croup, it seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL. A bottle of this was always kept in the house. This will cure in small and frequent doses, and to our delight in less than half an hour the little patient was breathing freely. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude?" Sincerely yours, Mrs. Emma Gray, 159 West 128th St., New York, May 15, 1882.

## MANHOOD

### HOW LOST, HOW RESTORED.

We have recently published a new edition of the Celebrated Dr. Williams' Pink Pills for Pale People, which is a complete and reliable guide to the treatment of all the diseases of the Nervous System, Mental and Physical Incapacity, Impediments of Marriage, etc., resulting from excessive study.

The celebrated author, in this admirable Essay, clearly demonstrates from thirty years' successful practice, that the most serious consequences may be radically cured without the dangerous use of internal medicine or the use of the knife; pointing out a mode of cure at once simple, certain and permanent, and which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically. This lecture should be in the hands of every youth and every man in the land.
