THURSDAY MORNING, FEB. 12, 1885.

HOW.

How can a man on a dollar a day
Character a seat at a popular play,
And purchase cigars and tobacco, pray?

How can he sport an elegant tie,
Ask his dear friends to step out for a
"smile,"
And stable a 240 animal?
He can't.

How can he frolic with better-fed friends,
When in cold perspiration he's at his work?
He can't.

If his washwoman after her half-obliterated
suds?
He can't.

How buy perfume, handkerchiefs too,
The edges all stamped with a red kangaroo,
And change-linen cuffs every Sunday or
two?
He can't.

How can he claim his dear girls slender
and
And circle her finger with a glittering band,
When his cheque-book's so weak it can't
sustain it?
He can't.

How can he marry and furnish a wife,
With a meager salary?
He can't.

We must state the cold truth thought it cuts
like a knife.
He can't.

Interesting Items.

Remarkable Restoration.
Mrs. Adelaide O'Brien, of Buffalo, N. Y. was given up to die by her physicians, as incurable with consumption, it proved Liver Complaint, and was cured with Burdock Blood Purifier.

A Wise Conclusion.
If you have vainly tried many remedies for rheumatism it will be a wise conclusion to try Hagar's Yellow Oil. It cures all painful diseases when other medicines fail.

Horsemens Attention!
When your horse is galled, scratched or cut, or has an ugly sore, bath the daily, and apply McGregor & Parkie's Carboleum. It is undoubtedly the finest healing and cleansing application for it. Be sure you get McGregor & Parkie's. Sold for 25c. per box, at J. E. McGarvin's Drug Store.

Cholera Preventative.
In order to withstand Cholera, and such like epidemics a perfect purity of blood, and the proper action of the stomach are required. To insure that end, in the cheapest, most available and complete manner, use McGregor's Speedy Cure for Dyspepsia and Impure Blood. There is no purer, safer or more reliable remedy in existence for indigestion, Dyspepsia, Costiveness, etc. Ask your neighbor or any person who has used it. Sold by J. E. McGarvin. Trial bottle given free.

Fluid Lighting.
All sufferers from that terrible torment, Neuralgia, can be made happy in one moment by a single application of Fluid Lighting briskly rubbed on painful parts and without using any disgusting medicine day after day with little or no result. Fluid Lighting also cures an effectively toothache, lumbago, rheumatism, headache, and is only 25 cents per bottle at J. E. McGarvin's Drug Store.

What to do.
If troubled with an unyielding, slow-healing sore use McGregor & Parkie's Carboleum. You will find it invaluable for healing, cleansing and completely removing your trouble. If the blood is cut of order, take with it a few boxes of McGregor's Speedy Cure from J. E. McGarvin's Drug Store.

Pectoria: Pectoria: Pectoria is the great remedy for Coughs, Colds, Bronchitis, Sore Throat, Influenza, Hoarseness, and all affections of the Lungs and Throat or Chest. Pectoria loosens the phlegm and breaks up the cough. 25 cents per bottle. Don't give up until you have tried Pectoria. All Drugstores and General Storekeepers sell it.

Fluid Lighting.
There are but few that have never suffered almost intolerable pain from Toothache, Neuralgia, or like acute pains. For them such an instant relief as Fluid Lighting is an untold blessing in time of trouble. No disgusting offensive medicines to be taken or days. One application of Fluid-Lighting cures. Sold at J. E. McGarvin's Drug Store.

Hickles Anti-Consumptive Syrup is a combination of several medicinal herbs which exert a most wonderful influence on curing pulmonary consumption and all other diseases of the lungs, chest and throat. It promotes a free and easy expectoration and gives ease to the greatest sufferer. Coughs, colds, shortness of breath, and affections of the chest, attended with weakness of the digestive organs, or with general debility, seem to vanish under its use. No other remedy acts so readily in allaying inflammation or breaking up a severe cold, even the most obstinate cough is overcome by its penetrating and healing properties. When children are affected with colds, coughs, inflammation on the lungs, croup, whooping cough, and sore throat, this syrup is of vast importance. The number of deaths among children from these diseases is truly alarming. It is so simple that a child will not refuse it, and is put at such a price that will not exclude the poor from its benefits.

Prominent among the greatest medical discoveries, by the many cures it has effected, McGregor's Speedy Cure leads the van. Subjected to the minutest chemical analysis, it has been found to contain one of those injurious ingredients characterizing the worthless specifics daily offered to the public. Every ingredient possesses a peculiar adaptability to the various complaints for which it has been compounded, and its efficacy is being established by testimonials hourly received. We are therefore confident that we have a preparation which we can offer to the public with the assurance that it will be found not only a *well-earned* but an *absolute* cure for Dyspepsia, Liver Complaint, Indigestion, Constipation and Impure Blood. Free trial bottle at J. E. McGarvin's Drug Store.

HALL'S

HAIR RENEWER

This is the first preparation perfectly adapted to cure diseases of the scalp, and the first successful restorer of faded or gray hair to its natural color, growth, and youthful beauty. It has had many imitations, but none have so fully met all the requirements needed for the proper treatment of the hair and scalp. HALL'S HAIR RENEWER has steadily grown in favor, and spread its fame and usefulness to every quarter of the globe. Its unparalleled success can be attributed to but one cause: the *entire fulfillment of its promise*.

The proprietors have often been surprised at the receipt of orders from remote countries, where they had never made an effort for its introduction.

The use for a short time of HALL'S HAIR RENEWER wonderfully improves the personal appearance. It cleanses the scalp from all impurities, cures all humors, fever, and dandruff, and thus prevents baldness. It stimulates the weakened glands, and enables them to push forward a new and vigorous growth. The effects of this article are not transient, like those of other preparations, but remain a long time, which makes its use a matter of economy.
