

Acton Free Press.

THURSDAY MORNING, FEB. 26, 1885.

LIKE MOTHER USED TO MAKE

"I was born in Indiana," said a stranger... "I was born in Indiana—more'n forty year ago..."

MISCELLANEOUS.

The sack is an appropriate coat for a rejected lover... "If poetry has feet it's wonder it don't offend kick its writer..."

Purely vegetable. A superior cathartic for family use... "If you don't observe so many cuts about the head..."

Dr. Starr's Corn and wart solvent removes hard and soft corns... "My affections are wasted on you," he softly remarked to her...

There is no place like your home," says the poet... "It is a good rule to accept only such medicine as have..."

There are cheap panaceas for various human ailments... "The only powerful and always reliable blood-purifying medicine..."

Ayer's Sarsaparilla... "It is composed of the genuine Honduras Sarsaparilla..."

Pearls of Thought.

Honesty sometimes keeps a man from becoming rich... "As the sword of the best-tempered metal is most flexible..."

Persons extremely reserved are like old enamelled watches... "The greatest folly," said Sancho, "that a man can commit..."

No," said the dying punster, with a grim smile... "Experience may be a dear teacher," remarked a clergyman...

A Good Record... "Among the many thousand bottles of Haygarth's Yellow Oil..."

Useful to know... "In the chilling winds, the damp atmosphere and suddenly checked perspiration..."

KING'S EVIL... "Was the name formerly given to Scrofula because of a superstition..."

SCROFULA... "can only be cured by a thorough purification of the blood..."

Regenerative Medicine... "It is composed of the genuine Honduras Sarsaparilla with Yellow Dock..."
