THURSDAY MORNING, Feb. 5, 1885.

A GIRL'S A GIRL FOR A' THAT.  
Is there a lady in the land,  
That boasts her rank and a' that?  
With sorrowful eye we pass her by,  
And little care for a' that;  
For nature's charm shall bear the palm,  
A girl's girl for a' that.

With though her neck with gams she deck,  
With folly's nose and a' that;  
And gaily ride in pomp and pride,  
We can dispense with a' that;  
An honest heart acts no such part,  
A girl's girl for a' that.

The noble born may proudly scorn  
A lowly lass and a' that;  
A pretty face has far more grace  
Than hasty looks and a' that;  
A bonny maid need no such aid—  
A girl's girl for a' that.

And let us trust that come it must,  
And sure't must for a' that;  
When faith and love, all arts above,  
Shall reign supreme and a' that;  
And every youth confesses the truth—  
A girl's girl for a' that.

## The Noble Art of Self-Defense.

"Do you think it would be wrong for me to learn the noble art of self-defense?" asked a religiously inclined Somerville youth of his pastor.

"Certainly not," answered the minister. "I learned it in my youth myself, and I have found it of great value during my life."

"Indeed, sir. Did you learn the old English system, or Sullivan's system?"

"Neither. I learned Solomon's system."

"Solomon's system?"

"Yes. You will find it laid down in the first verse of the fifteenth chapter of Proverbs: 'A soft answer turneth away wrath.' It is the best system of self-defense of which I have any knowledge."—Somerville Journal.

Holloway's Ointment and Pill—Notable Facts.—Intense heat augments the annoyances of skin disease, and encourages the development of febrile disorders; wherefore they should, as they may, be removed by these detergent and purifying preparations. The poorer inhabitants of large cities will find these remedies to be their best friend when any pestilence rages, or when unknown causes, eruptions, boils, abscesses, or ulcerations beset the presence of taints or impurities within the system, and call for instant and effective cures.

Mr. R. C. Winslow, Toronto, writes: "Northrop & Lyman's Vegetable Discoverer is a valuable medicine to all who are troubled with indigestion. I tried a bottle of it after suffering for some ten years, and the results are certainly beyond my expectations. It assists digestion wonderfully. I digest my food with no apparent effort, and am now entirely free from that sensation, which every dyspeptic well knows, of unpleasant fulness, after each meal."

**Druggists of Delay**  
If we were allowed to look into the future and see the fatal consequences that follow a neglected cold, how differently would our course be; could we realize our danger, how speedily we would seek a cure; but will many is it only when the monster disease has fastened its fangs upon our lungs that we awoke to our folly. What follows a neglected cold? It is not disease of the throat and lungs, bronchitis, asthma, consumption, and many other diseases of like nature. It is worse than madness to neglect a cold, and it is folly not to have some good remedy available for this frequent complaint. One of the most efficacious medicines for all diseases of the throat and lungs, is Bickel's Anti-Consumptive Syrup. This medicine is composed of several medical herbs, which exert a most wonderful influence in curing consumption and other diseases of the lungs and chest. It promotes a free and easy expectoration, soothes irritation and drives the disease from the system.

Prominent among the greatest medical discoveries, by the many cures it has effected, McGregor's Speedy Cure leads the van. Subjected to the minutest chemical analysis, it has been found to contain one of those injurious ingredients characterizing the worthless species daily offered to the public. Every ingredient possesses a peculiar adaptability to the various complaints for which it has been compounded, and its efficacy is being established by testimonial reports.

We are therefore confident that we have a preparation which we can offer to the public with the assurance that it will be found not only a *relief* but an *absolute cure* for Dyspepsia, Liver Complaint, Indigestion, Constipation and Impaired Blood.
