Just because 'tis winter, dear,
And no flowers are seen,
Don't forget the snow-drops' white
Gems of silver-green.

Have you tried Holloway's Corn Cure?
It has no equal for relieving these troublesome corns, as many have testified who have tried it.

Stop prying and hawking away at your corns. Try the sensible remedy, Dr. Starr's Corn Solvent, the Wonderful Corn Remover, and be happy. Sold by J. E. McGarvin, druggist, price 25c.

Holloway's Pills—Changes of temperature and weather frequently upset persons who are most careful to their health, and particular to their diet. These corrective, purifying, and gentle aperient Pills are the best remedy for all defective action of the digestive organs. They soothe the appetite, strengthen the stomach, correct biliousness, and carry off all that is noxious from the system. Holloway's Pills are composed of rare balsams, mixed with baser matter, and on that account are peculiarly well adapted for the young, delicate, and aged. As this peerless medicine has gained fame in the past, so will it preserve it in the future by its renovating and invigorating qualities, and the impossibility of its doing harm.

Take Ayer's Sarsaparilla in the spring of the year to purify the blood, invigorate the system, excite the liver to action, and restore the healthy tone and vigor of the whole physical mechanism.

The extraordinary popularity of Ayer's Cherry Pectoral is the natural result of its use by intelligent people for over forty years. It is indisputably proven itself the very best known specific for all coughs, colds, and pulmonary complaints.

To our Readers
If you suffer from headache, dizziness, back ache, biliousness or humors of the blood, try Burdock Blood Bitters. It is a guaranteed cure for all irregularities of the blood, liver and kidneys.

Dangers of Delay
If we were allowed to look into the future and see the fatal consequences that follow a neglected cold, how differently would our course be, could we realize our danger, how speedily we would seek a cure; but with many it is only when the monster disease has fastened its fangs upon our lungs that we awaken to our folly. What follows a neglected cold? It is the disease of the throat and lungs, bronchitis, asthma, consumption, and many other diseases of like nature. It is worse than madness to neglect a cold, and it is folly not to have some good remedy available for this frequent complaint. One of the most efficacious medicines for all diseases of the throat and lungs, is Bickel's Anti-Consumption Syrup. This medicine is composed of several medicinal herbs, which exert a most wonderful influence in curing consumption, and other diseases of the lungs and chest. It promotes a free and easy expectoration, soothes irritation and drives the disease from the system.

A MARVELOUS STORY

TOLD IN TWO LETTERS.
FROM THE SON:
"29 Cedar St., New York, Oct. 26, 1882.
Dear Mother: My father resides at Glover, Vt. He has been a great sufferer from rheumatism, and the enclosed letter will tell you what a marvelous effect Ayer's Sarsaparilla has had in his case. I think his blood must have contained the humor for at least ten years; but it did not show, except in the form of a scrofulous sore on the wrist, until about two years ago. From a few spots which appeared at that time, it gradually spread so as to cover his entire body. I assure you he was terribly afflicted, and an object of pity, when he began using your medicine. Now, here are five men of his age who enjoy as good health as he has. I could easily name fifty persons who would testify to the facts in his case."
Yours truly,
W. M. FULLERTON.

Ayer's Sarsaparilla

FROM THE FATHER:
"It is both a pleasure and a duty for me to state to you the benefit I have derived from the use of Ayer's Sarsaparilla. Six months ago I was completely covered with a horrible humor and scrofulous sore. The humor caused an incessant and intolerable itching, and the skin cracked so as to cause the blood to flow in many places whenever I moved. My sufferings were great and my life a burden. I commenced the use of the Sarsaparilla in April last, and have used it regularly since that time. My condition began to improve at once. The sores have all healed, and I feel perfectly well in every respect—being now able to do a good day's work, although 72 years of age. Many families who have bought a cure in my case, and I tell them, as I have here told to you, you will find it the best medicine for Scrofula, Eczema, Ringworm, Itches, Sores, Holes, Tumors, and Eruptions of the skin. It clears the blood of all impurities, aids digestion, stimulates the action of the bowels, and thus restores vitality and strength to the whole system."
