THURSDAY MORNING, APRIL 30, 1885.

JUST WHAT WE USED TO BE.

Don't be hard on the young folks, father;
You liked a frolic as well as they
When you were young; it isn't in them
To think of nothing but work all day.
When study is over and work is done,
The young folks ought to have their fun.

You used to like an apple-paring,
As well as they like the skating rink;
You know how fond of skating you were,
And how the old folks used to think
You were a harum-scarum boy,
Yes father, youth must have its joy.

And just you look at our own children;
Our boys are just as smart, I know,
At anything they undertaken
As boys were forty years ago;
The girls are as bright and handsome now
As I was at their age, anyhow.

They wash and iron and cook and tidy
The house, as well as I can do;
They make their dresses and trim their bonnets,
And make "rick-rack" and lace-work too;
They play the organ and knit and paint;
I don't know who's busy if my girls ain't.

So, when they want a little frolic,
It's nothing worse than we have done;
Just let them go without fault-finding,
To damp their spirits and spoil their fun;
You know our children; they'll do no wrong
So give them a kiss and send them along.

The times have changed, as we have, father;
Their sports are not what ours have been;
But the boys and girls are just as lively
And just as useful as they were then;
And it doesn't seem so strange to me
That they are just what we used to be.

Interesting Items.

There are a number of varieties of corns. Holloway's Corn Cure will remove any of them. Call on your druggist and get a bottle at once.

The Secret Out

The secret of success of Burdock Blood Bitters is that it acts upon the bowels, the liver, the kidneys, the skin and the blood; removing obstructions and imparting health and vigor.

Do not delay in getting relief for the little folks. Mother Graves' Worm Exterminator is a pleasant and sure cure. If you love your child why do you let it suffer when a remedy is so near at hand?

Can Deafness Be Cured?

Mr. John Clark, of Milldridge, Ont., declares it can, and that Hagyard's Yellow Oil is the remedy that cured him. It is also a specific for all inflammation and pain.

Quantity in medicine is no indication of value. Ayer's Sarsaparilla is concentrated and powerful; requires a smaller dose, and is more effective, dose for dose, than any other Sarsaparilla. It is the best of all blood medicines.

A Great Mistake

It is a great mistake to suppose that dyspepsia can't be cured, but must be endured, and life made gloomy and miserable thereby. Alexander Burns, of Cobourg, was cured after suffering fifteen years. Burdock Blood Bitters cured him.

A Good Test

For over sixteen years S. M. Everest, of Forest, has sold Hagyard's Pectoral Balsam and its sales are steadily increasing. It cures coughs, colds and all lung complaints; is pleasant to take and always reliable.

Well To Remember

A stitch in time saves nine. Serious results often follow a neglect of constipated bowels and bad blood. Burdock Blood Bitters regulate and purify the stomach, bowels, liver, kidneys and the blood. Take it in time.

C. A. Livingstone, Plattsville, says: "I have much pleasure in recommending Dr. Thomas' Eclectric Oil, from having used it myself, and having sold it for some time. In my own case I will say for it that it is the best preparation I have ever tried for rheumatism."

Holloway's Ointment and Pills.—Sure relief.—The weak and enervated suffer severely from nervous affections when storms or electric disturbances agitate the atmosphere. Neuralgia, gouty pangs, and flying pains, very distressing to a delicate system, may be readily removed by rubbing this Ointment upon the affected part, after it has been fomented with warm water. The Pills, taken occasionally in the doses prescribed by the instructions, keep the digestion in order, excite a free flow of healthy bile, and replenish the impoverished blood with those richer constituents which result from thoroughly assimilated food—in the absence of which the strongest must inevitably soon sink into feebleness, and the delicate find it difficult to maintain existence. Holloway's Ointment and Pills are infallible remedies.

Those twin Foes to bodily comfort, Dyspepsia and Biliousness, yield when war is waged against them with Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure. Its use also insures the removal of Kidney and Uterine maladies, and promotes unobstructed action of the bowels. The purity of its ingredients is another point in its favor. As a blood purifier it has no equal. It is also a great favorite with the ladies.

McGregor's Speedy Cure

It is popularly admitted everywhere that McGregor's Speedy Cure is the safest, most reliable and by far the cheapest remedy for constipation, Liver Complaint, Indigestion Impure Blood, Loss of Appetite, and all similar troubles. It is not necessary to take a great quantity before any result is produced. A few doses will convince you of its merits. Trial bottle given free at McGarvin's Drug Store. 42

A Sensation

An unparalled sensation is being created all over Ontario by the wonderful and unequalled manner in which Neuralgia, Toothache, Rheumatism, Backache, Headache, is removed by but one application of Fluid Lightning. No offensive, disgusting drugs need be taken for days. It is an instant cure. Try a 25c bottle from J. E. McGarvin, Druggist. 42

Don't Be Deceived

Beware of any druggist who will try to introduce you to take anything in place of McGregor & Parke's Carbolic Cerate. It is a marvel of healing for Sores, Cuts, burns, etc. No family should be without it. It has no equal. Get McGregor & Parke's, and have no other. Only 25c. per box at McGarvin's Drug Store. 42

Warning and Comfort.

Much distress and sickness in children is caused by worms. Mother Graves' Worm Exterminator gives relief by removing the cause. Give it a trial and be convinced.

Holloway's Corn Cure destroys all kinds of corns and warts, root and branch. Who then would endure them with such a cheap and effectual remedy within reach?

Holloway's Pills.—Weakening Weather.—The sultry summer days strain the nerves of the feeble and decrepit, and disease may even ensue unless some restorative, such as these purifying Pills, be found to correct the disordering tendency. Holloway's medicine gives potency to the nervous system, which is the source of all vital movements, and presides over every action which maintains the growth and well-being of the body. No one can over estimate the necessity of keeping the nerves well strung, or the ease with which these Pills accomplish that end. They are the most unfailing antidotes to indigestion, irregular circulation, palpitation, sick headache, and costiveness, and have therefore attained the largest sale and highest reputation.

Merit Proves

Dollar upon dollar is frequently spent on the faith of recommendations for articles entirely worthless. Not so with McGregor's Speedy Cure; you are not asked to purchase it until its merits are proven. Call at J. E. McGarvin's drug store and get a free trial bottle and if not convinced it will cure you of the worst forms of Dyspepsia, Liver complaint, etc., no matter of how long standing, it costs you nothing. Sold in 50c and $1 bottles. See testimonials from persons in your own town. 29

Itching Piles—Symptoms and Cure

The symptoms are moisture, like perspiration, intense itching, increased by scratching, very distressing, particularly at night, seems as if pin-worms were crawling in and about the rectum; the private parts are sometimes affected. If allowed to continue very serious results may follow. "SWAYNE'S OINTMENT" is a pleasant, sure cure. Also for Tetter, Itch, Salt Rheum, all scaly, crusty Skin Diseases. Sent by mail for 50 cents; 3 boxes, $1.25, (in stamps). Address, DR. SWAYNE & SON, Philadelphia, Pa. Sold by Druggists. 50

Prominent among the greatest medical discoveries, by the many cures it has affected, *McGregor's Speedy Cure* leads the van. Subjected to the minutest chemical analysis, it has been found to contain one of those injurious ingredients characterizing the worthless specifics daily offered to the public. Every ingredient possesses a peculiar adaptability to the various complaints for which it has been compounded, and its efficacy is being established by testimonials hourly received. We are therefore confident that we have a preparation which we can offer to the public with the assurance that it will be found not only a *relief* but an *absolute cure* for Dyspepsia, Liver Complaint, Indigestion, Constipation and Impure Blood. Free trial bottles at J. E. McGarvin's Drug Store. 33

CATARRH—A NEW TREATMENT.

Perhaps the most extraordinary success that has been achieved in modern medicine has been attained by the Dixon treatment for Catarrh. Out of 2,000 patients treated during the past six months, fully ninety per cent. have been cured of this stubborn malady. This is none the less startling when it is remembered that not five per cent. of patients presenting themselves to the regular practitioner are benefitted, while the patent medicines and other advertised cures never record a cure at all. Starting with the claim now generally believed by the most scientific men that the disease is due to the presence of living parasites in the tissue, Mr. Dixon at once adopted his cure to their extermination;—this accomplished, he claims the Catarrh is practically cured, and the permanency is unquestioned, as cures effected by him four years ago are cures still. No one else has ever attempted to cure Catarrh in this manner, and no other treatment has ever cured Catarrh. The application of the remedy is simple, and can be done at home, and the present season of the year is the most favorable for a speedy and permanent cure, the majority of cases being cured at one treatment. Sufferers should correspond with Messrs. A. H. DIXON & SON, 305 King street west, Toronto, Canada, and enclose stamp for their treatize on Catarrh.—*Montreal Star*, Nov. 17, '82.

AYER'S
Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs; none so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured.

"In the Winter I took a severe cold, which affected my lungs. I had a terrible cough, and passed nights without sleep. The doctors gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of this PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me.
HORACE FAIRBROTHER."
Rockingham, Vt., July 15, 1882.

Croup.—A Mother's Tribute.

"While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely yours,
MRS. EMMA GEDNEY."
159 West 125th St., New York, May 16, 1882.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effectual remedy for coughs and colds we have ever tried. A. J. CRANE."
Lake Crystal, Minn., March 13, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL. JOSEPH WALDEN."
Lumpkin, Miss., April 5, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles. F. BRAGDON."
Palestine, Texas, April 22, 1882.

"No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will *always cure* when the disease is not already beyond the control of medicine.

THE GOLDEN LION!

OF GUELPH.

Our new system of doing business is already producing its effect on the multitude.

The LION has never in the past had so much reason to know that its efforts are appreciated by the public as at the present time.

We have taken as our motto—**Honest Goods, One Price, and Cash Only**—and are determined to follow it out to the very letter. Although our friends have said we could not do an entirely cash trade we have committed ourselves to it and our success far exceeds our most sanguine expectations. The only way such is to be done successfully, is to strictly adhere to the only true system of doing business, having the very lowest prices for goods and giving no credit, and by having that price far below any other store as an inspection of our prices will convince any one.

We quote such astonishingly low prices for our goods as to make our opponents say that we can not do as we advertise.

Now what we do say you have in our advertisement. We quote the prices of some of our goods. Come and see and judge whether our statements are reliable or not, as all our goods are marked in plain marks, that a child, if he knows letters, can read at a glance and know all our prices.

We are not responsible for the chagrin felt by those who cannot compete with us in prices for we are bound to keep prices down, let them say or feel as they may. Just to show what we are doing at

MANHOOD
HOW LOST, HOW RESTORED.

We have recently published a new edition of **Dr. Culverwell's Celebrated Essay** on the radical and permanent cure (without medicine) of Nervous Debility, Mental and Physical Incapacity, Impediments of Marriage, etc., resulting from excesses.

Price, in a sealed envelope, only 6 cent or two postage stamps.

The celebrated author, in this admirable Essay, clearly demonstrates, from thirty years' successful practice, that alarming consequences may be radically cured without the dangerous use of internal medicine or the use of the knife, pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically. This Lecture should be in the hands of every youth and everyman in the land.
