— Mrs. Stafford is having her residence on Dover Avenue remodelled and improved. A bay window on the west side and a neat gothic window over the front door are among the transformations.
— We notice that those people who are continually speaking of people minding their own business, are the very kind whose gibes tongues seem to make a paper in a country town of little interest.
— Several hundred citizens retired from the banks of Nichol's pond on Sunday afternoon about five o'clock with rather disappointed countenances. The rumored immersions failed to take place.

THE WEEK'S TAKINGS.
Which are Principally Local and All Interesting.

Wool, Wool.
The highest price will be paid in cash or trade for any quantity of good, clean, merchantable wool delivered to McLennan, Atkinson & Co., Georgetown.

Sale of Fowls.
On Saturday evening, at 5 o'clock, Mr. Wm. Hemstreet, auctioneer, will hold a sale of valuable fowls, etc., at Agnew's Hotel. Upwards of 200 fowls of different breeds will be offered, and those desirous of obtaining some rare birds will not fail to attend. The whole consignment will be sold without reserve.

The Convention Next Monday.
The executive have arranged to have Mr. John A. Nichol, of Lowell, Mass., to address a mass meeting on the evening of the 22nd inst., in connection with the temperance convention in Milton. Mr. Nichol is spoken of in the very highest terms by the press as an able platform speaker, and thoroughly understands the question of prohibition. All delegates should go to stay for lecture in evening.

An Halton Boy an Honored Graduate.
We are pleased to notice among the graduates at the University of Manitoba Convocation at Winnipeg last week the name of Mr. W. A. McIntyre, formerly a public school teacher in Nassagaweya. Mr. McIntyre graduated with first-class honors; won the senior medal and the scholarship of \$100. The degree of B.A. was conferred upon him. We congratulate him. His many friends will rejoice to learn of his success.

Base Ball Matches.
The Maple Leafs, Guelph, and the Toronto had a most exciting base ball match at Guelph last Wednesday. Twelve innings were played and the score stood 2 to 3 in favor of the Leafs. On Saturday the return match was played in Toronto resulting in a victory for the Toronto by 3 to 8. There was every evidence that one of the Leafs' team sold the game to Toronto gamblers. The offending player has been expelled from the team. Referring to this *Mercury* says:—"The spirit of gambling on the chances of base ball games will lower the sport to a level beneath that of horse races which are fixed."

The Army's Jubilee.
The jubilee and banquet given by the Salvation Army last Thursday evening was quite a success. The parade, headed by Guelph Army Brass Band, was a most attractive feature. The banquet was a very liberal one, and the jubilee meeting was largely attended and conducted with very much less than usual eccentricities. Among the officers from a distance were Staff-Capt. Margate, A.D.C.; Capt. and Mrs. Freer, Guelph; Capt. Ida Leck, with Lieutenant and cadet, Brampton, and Lieut. Matton, Preston. The members of the Army here have reason to congratulate themselves on the success of this their first jubilee.

Grand Celebration on Dominion Day.
Arrangements have been completed for holding a grand celebration in Acton Driving Association's Park on Dominion Day on a scale to eclipse all former efforts. Prizes, amounting in the aggregate to nearly \$300, will be awarded for competition in races, games and sports, tug of war, etc., and the prizes offered for each several contest are higher than ever offered in Acton before. At 9 o'clock a.m. a gaily decorated procession, headed by the celebrated "General Whohalson and his marching band"; increase match at 10 a.m.; games, sports and bicycle races at 12:30 a.m., and horse races at 2:30 p.m. For the lovers of sport Acton will be a centre of attraction on Dominion Day.

Ordination Services.
Rev. A. T. Sowerby, minister in charge of the Baptist churches of Georgetown and Acton, was ordained at Georgetown last week. Rev. Dr. Stewart of Cheltenham was appointed moderator and Mr. R. D. Warren Acton, secretary. The service commenced at 7:30 p.m. Rev. Geo. Abbs read 1 Cor. 2, and led in prayer, after which Dr. Stewart preached from 1 Cor. 2:9-10. The candidate was then called forward. The ordination prayer was offered by Rev. M. P. Campbell, the right hand of fellowship by Rev. Alex. Warren, the charge to the candidate by Dr. Stewart, and the charge to the church by Rev. H. B. Cook, after which the benediction was offered by the candidate.

A County Bridge to Renew.
The bridge over the Credit at Barber's paper mills Georgetown fell through about a week ago as Mr. R. Leslie with his wife and father and two children were crossing. The horses were precipitated into the water, but fortunately the wagon with its human freight remained on the timbers. Ropes were procured and with the assistance of gentlemen connected with the paper mill, the horses were drawn out of the ten feet of water. No one was hurt, and the animals were not injured from their involuntary bath. The escape, however, was a narrow one, and the occupants of the vehicle were somewhat frightened, as well they might be. The county council will proceed at once to put in a new bridge.

Methodist Ministers' Changes.
The Methodist Conference controlling the church in this section have closed their annual proceedings and have made the following changes in the location of ministers in this district:
Guelph, Norfolk Street—J. W. Holmes, Sec. of Conference.
Guelph, Dublin Street—W. S. Griffin, D.D., Supt., and H. Carson.
Acton—Robert Phillips.
Rockwood—Francis Swan.
Fergus—J. S. Colling.
Georgetown and Glen Williams circuits have been amalgamated, and the new circuit has two ministers, a married and a single man—J. W. Shilton, B.A., and J. J. Rapp.
Port Dover—G. W. Calvert.
Chippawa—W. W. Sparling.
Milton—B. A. Russ, Pres. Niagara Conference.
Trafalgar—David Hunt.
Waterdown—C. Cookman.
Rev. R. Phillips, who is appointed to succeed Rev. Mr. Collins, was stationed here some twelve years ago, and during his stay there had a very successful pastorate. The ministrations of Mr. Phillips have been very generally attended with success, and we have no doubt he will accomplish much good on his return to this circuit. We trust he will receive a hearty removal. As shown above, Rev. Mr. Collins reverts to Fergus. His removal is deeply regretted by the people generally.

A Street Commissioner.
At the Council meeting on Tuesday night the Council, by By-law, appointed a street commissioner. Mr. Ismond is the new officer. In this matter we consider that the Council has acted wisely. Municipal work will now be carefully superintended and the interests of the village, in the matter of street improvements, will be zealously guarded.

Valuable Property for Sale.
By advertisement in another column it will be noticed that all the property belonging to the late Benj. W. Nicklin, Esq., will be sold by auction on Wednesday, 8th July. The estate embraces some valuable property. The steam flour mill and mill privileges should command ready sale at good prices. There is certainly no more favorable location for a profitable milling business than this. This mill is situated in the midst of a good wheat district, is six miles distant from any other mill in within a few hundred yards of the main line of the G.T.R., and there is every reason to lead us to believe it to be a rare and valuable site. We hope some enterprising and experienced capitalist will secure it. The brick dwelling and bakery on the corner of Mill and Main streets are comparatively new and well built. The other property named should also sell well. Messrs. Mowat & McLean, barristers, are prepared to give full particulars to intending purchasers.

His Worship's Field Day.
Last Thursday will be a memorable day with our Chief Magistrate, in the fact that nearly the whole day was devoted to the hearing and determining upon cases coming under the Magistrate's jurisdiction. The first case was one of assault, J. Cowen, plaintiff, E. Worsnop, defendant. After examination of a number of witnesses the Magistrate fined the accused \$2.50 and costs of thirty days in jail. The next was a case presented by the Salvation Army against the same party as above for disturbing their meeting. Five or six witnesses were heard, and the prisoner making no denial of the charge was fined \$5 and costs or thirty days, with the privilege of paying fine within two weeks. The third case was the most important and was one of those cases considered peculiarly sticky by courtroom frequenters. The charge was against Mrs. Jessie Garvin for neglecting to support her illegitimate child, D. McGibbon, Milton, for defendant; John Dewar, County Crown Attorney, for the Queen. The case occupied about three hours. The babe was produced in court, and seemed to be the centre of attraction. He is a fine, healthy, good-natured little cherub, gives every evidence of having been well cared for, and would be an object of pride on the part of most fathers and mothers. The case was—as is usual with such—found a most perplexing and difficult one to handle, and judgment was reserved. In the meantime the mother is looking after the welfare of the little one.

PURELY PERSONAL.
Paragraphs Respecting People with Whom our Readers are Individually or Collectively Acquainted.

Miss Nettie Bryers of Parkhill, made her Acton friends a brief visit last week.

Mrs. Z. A. Hall and children, of Penetanguishene, are the guests of friends here.

Mr. Thomas Ross, of York, with his daughter Emma, were guests of Mr. Thos. T. Moore last week.

Mr. B. Haslett and family left for their new home in Detroit on Monday night. We wish them every success.

Miss Maggie Cameron, of Elora, and Miss Kate Campaign, of Goderich, are guests at "Cedar Creek Farm."

Mrs. James Nicklin left for Lowell, Mich., on Tuesday morning. Mr. Nicklin will remain here until after the sale of his late father's estate.

We are pained at learning of the death of Mr. M. I. Magill, B.A., of Hamilton. Mr. Magill was a personal friend of the editor of the Fax Press during their college days. He graduated with honors and gave promise of becoming one of the shining lights in his day. Consumption blighted his bright young life just as he was entering upon a brilliant and useful career.

MEMORIAL.
Words of Appreciation, Respect, Regret and Sympathy.
BY THE COUNTY COUNCIL.

At the last meeting of the County Council Mr. W. H. Shery, on the behalf of the committee appointed to draft a memorial to Mrs. Little on the death of her late husband, presented the following:
County Council Chambers, Milton, June 2, 1885.

To Mrs. ROBERT LITTLE,
Acton, County of Halton.

Dear MADAM,—We, the Warden and members of the County Council of Halton, being now in session desire to express to you our deep and heartfelt regret at the loss sustained by you, as well as the county, by the death of your esteemed and lamented husband, Robt. Little, Esq., late Public School Inspector of this county. We desire to record our high appreciation of the services rendered by him to the county of Halton during the many years of his incumbency. The county of Halton loses by his death an efficient public servant, and one who during his association with the interests of education was fully devoted to the duty and assistance in promoting the welfare of the people. His exalted character, gentlemanly conduct, and amiability of disposition will continue to be remembered and will live in the memory of all. While we know how vain it is to gild a grief with words, still we feel that our sympathy may in some measure assist you to bear your affliction, knowing that others share your loss.

(Signed) JAMES MENZIES, Warden;
W. H. SHERY,
W. MCLEOD,
R. G. BAXTER,
N. LINDSAY.

The motion to adopt the memorial was carried by an unanimous standing vote.
