NAE KISS BEFORE FOLK.

Behave yourself before folk,
And dinna be sae rude to me
An' kiss me sae before folk;
It's me through hatred o' a kiss
That I see plainly tell ye this;
But ah! I take it sae amiss
To be sae teased before folk.
Behave yourself before folk;
When we're alone, ye mak ta' aue,
But next a aue before folk.

Ye tell me that my face is fair;
It may be sae—I dinna care—
But ne' er again ga'rt blash usair
As ye ha'e done before folk.
Ye tell me that my face is sweet;
Sic like a deoch, are a deoch—
At any rate, it's hardly meet
To pris their sweets before folk.

Old Paper.

A Cure for Bashfulness.

Sydney Smith told a lady once that in the early part of his life he was very bashful. She was very much astonished, and asked him how he cured himself. His answer may be useful to some young readers: "Why," he said: "it was not long till I made two very useful discoveries. First, that all mankind were not solely employed in observing me—a belief that all young people have; and next that shamming was of no use—that all the world was clear-sighted, and soon estimated a young man at his just value. This cured me, and I determined to be natural, and let the world find me out."

"How's Your Liver?"

In the comic opera of "The Mikado" his imperial highness says:

"To make, to some extent,
Each evil Liver
A running river,
Of harmless merriment."

A nobler task than making evil livers, rivers of harmless merriment no person, king or layman, could take upon himself. The liver among the ancients was considered the source of all man's evil impulses, and the chances are ten to one to-day that if one's liver is in an ugly condition of discontent, someone's head will be mashed before night!

"How's your liver?" is equivalent to the inquiry: "Are you a bear or an angel today? Nine-tenths of the "pure-cussedness," the actions for divorce, the curtain lectures, the family rows, not to speak of murders, crimes and other calamities" are prompted by the irritating effect of the inactivity of the liver upon the brain. Pothergill, the great specialist, says this, and he knows: "He also knows that to prevent such catastrophes nothing equals Warner's safe cure renowned throughout the world, as a maker of

"Each evil liver
A running river
Of harmless merriment."

Use the safe, pleasant, and effectual worm killer, Mother Graves' Worm Exterminator; nothing equals it. Procure a bottle and take it home.

Have you tried Holloway's Corn Cure? It has no equal for removing these troublesome excrescences, as many have testified who have tried it.

"Let me see," said a minister, who was filling out a marriage certificate and had forgotten the date; "this is the fifth, is it not?" "No, sir," replied the bride, with some indignation, "this is only my second."

Advice To Mothers.

Are you disturbed at night and broken over your rest by a sick child suffering and crying with pain of cutting teeth? If so send at once and get a bottle of Mrs. Winslow's Soothing Syrup for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers, there is no mistake about it. It cures dysentery and diarrhoea; regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. Mrs. Winslow's Soothing Syrup for Children Teething is pleasant to the taste, and is the prescription of one of the oldest and best female nurses and physicians in the United States; and is for sale by all druggists throughout the world. Price 25 cents a bottle. 44

A Quadruple Force.

The reason why disease is so soon expelled from the system by Burdock Blood Bitters is because that excellent remedy acts in a four-fold manner—that is to say, upon the Bowels, the Liver, the Blood and the Kidneys, driving out all bad humor, and regulating every organic function.

The discovery of the instantaneous process of taking photographs has been quickly followed in the medical world by a perfect and instantaneous remedy for all acute aches and pains, as Neuralgia, Toothache, Rheumatism, etc. This valuable remedy is called Fluid Lightning, and is sold at 25 cents a bottle by Dr. McDarvin, druggist.

* It Acting Right?

If you are troubled with inactive Liver, your complexion will be sallow, frequent sick headache, aching shoulders, dizziness, weakness, irregular bowels, and many other serious complaints. Burdock Blood Bitters regulate the Liver and all the secretions to a healthy action.

For its soothing and grateful influence on the scalp, as for the removal and prevention of dandruff, Ayer's Hair Vigor has no equal. It restores faded or gray hair to its original dark color, stimulates the growth of the hair, and gives it a beautiful, soft, glossy and silken appearance.

Ayer's Sarsaparilla is designed for those who need a medicine to purify their blood, build them up, increase their appetite, and rejuvenate their whole system. No other preparation so well meets this want. It touches the exact spot. Its record of forty years is one of constant triumph over disease.

Joseph Russel, Percy, writes: "I was induced to try Dr. Thomas' Electric Oil for a lameness which troubled me for three or four years, and I found it the best article I ever used. It has been a great blessing to me." Friends may imitate Dr. Thomas' Electric Oil in appearance, and name, but in everything else they are dead failures.

Very many persons die annually from cholera and kindred summer complaints, who might have been saved if proper remedies had been used. If attacked do not delay in getting a bottle of Dr. J. D. Kellogg's Dysentery Cordial, the medicine that never fails to effect a cure. Those who have used it say it acts promptly, and thoroughly, subdues the pain and disease.

McGregor & Park's Carbolic Cerate is invaluable for Wounds, Sores, Salt Rheum, Cuts, Burns, Scalds and Fester, as a healing and purifying dressing. Do not be imposed on with other useless preparations, recommended to be as good. Use only McGregor & Park's Carbolic Cerate. Sold by Dr. McGarvin.

Just The Thing

W. J. Guppy, druggist, of Newbury writes: "Dr. Fowler's Wild Strawberry is just the thing for Summer Sickness. I sold out my stock three times last summer. There was a good demand for it." Dr. Fowler's Extract of Wild Strawberry is infallible for Dysentery, Colic, Sick Stomach, and all Skin Diseases, it has no rival; and for contractions and stiffness it acts like a charm.
