The Acton Free Press.

THURSDAY MORNING SEPTEMBER 3, 1885.

WHAT MAKES A MAN.

Not numerous years nor lengthened life,
Not pretty children and a wife,
Not pins and chains and fancy rings,
Nor any such-like trumpery things;
Not pipe, cigar, nor bottled wine;
Nor liberty with kings to dine;
Nor coat, nor boots, nor yet a hat,
A dandy vest or trimmed cravat,
Nor all the world's wealth laid in store;
Nor Mister, Reverend, Sir, nor Squire,
With titles that the memory tire;
Nor ancestry traced back to Will,
Who went from Normandy to kill;
Nor thousand volumes rambled o'er:
Not Latin, Greek, nor Hebrew lore,
Not judge's robe nor mayor's mace,
Nor crowns that deck the royal race,
These all united never can
Avail to make a single man.
A truthful soul, a loving mind,
Full of affection for its kind;
A spirit firm, erect, and free,
That never basely bends a knee;
That will not bend a feather's weight
Of slavery's chance for small or great;
That truly speaks from God within,
That never makes a league with sin;
That snaps the fetters despots make,
And loves the truth for its own sake;
That worships God, and Him alone,
And bows no more than at His throne;
And trembles at no tyrant's nod;
A soul that fears no one but God,
And thus can smile at curse or ban—
This is the soul that makes a man.

A Campaign Secret Given Away.

In the campaign of 1884 the two candidates for governor in a "pivotal" Western State arranged for a series of joint discussions. Both men were popular, both of fine appearance and were so well matched in mental force and as orators that the contest between them promised to be a magnificent one. For several weeks the scales balanced evenly.

But one day the brilliant Republican candidate came up ailing. He seemed overcome and spoke laboredly. The next day he was even less effective. Later he was compelled to ask his opponent for a postponement of certain appointments, which was granted. Before the campaign ended he had abandoned the field altogether.

Meantime the Democratic candidate continued his canvass, seeming to grow stronger, cheerier and more effective with each succeeding week. He was elected. One evening in December while entertaining several gentlemen he said:

"I will tell you a campaign secret—which gave me the election. With the opening of my campaign I began caring for my liver. I knew that a disordered or torpid liver meant dullness and possible sickness. I took something every day. When my opponent began failing I knew his trouble to be his liver and felt like prescribing for him, but feared if I did so he might beat me! I grew stronger as the campaign progressed, often making two speeches a day. Even my voice, to my surprise, did not fail me once. All because Warner's safe cure kept me in A 1 trim." Ex-Governor Jacob of Kentucky, also made a campaign tour under precisely similar circumstances and says he kept up under the exhausting strain by use of the same means.—*Rochester Union.*

Warning and Comfort.

Always required—A good cathartic medicine. National Pills will not disappoint you.

"What is a dude?" inquired one girl of another. "It is a delusion and a stare," was the response, as they passed one on the corner.

Worms derange the whole system. Mother Graves' Worm Exterminator deranges worms, and gives rest to the sufferer. It only costs twenty-five cents to try it and be convinced.

To the Rescue.

"When all other remedies fail" for Bowel Complaint, Colic, Cramps, Dysentery, etc., "then Dr. Fowler's Extract of Wild Strawberry comes to the rescue." Thus writes W. H. Crocker, druggist, Waterdown, and adds that "its sales are large and increasing."

Mrs. O'Hearn, River Street, Toronto, uses Dr. Thomas' Eclectric Oil for her cows, for Cracked and Sore Teats; she thinks there is nothing like it. She also used it when her horses had the Epizootic with the very best results. Do not be persuaded to take any other Oil in place of Dr. Thomas' Eclectric Oil.

Ayer's Ague Cure, when used according to directions, is warranted to eradicate from the system all forms of Malarial disease, such as Fever and Ague, Chill Fever, Intermittent, Remittent, and Bilious Fevers, and disorders of the liver. Try it. The experiment is a safe one, and will cost you nothing if a cure is not effected.

The gloomy fears, the desponding views, the weariness of soul that many complain of, would often disappear were the blood made pure and healthy before reaching the delicate vessels of the brain. Ayer's Sarsaparilla purifies and vitalizes the blood; and thus conduces to health of body and sanity of mind.

A Dangerous Condition.

One of the most dangerous conditions is a neglected Kidney complaint. When you suffer from weary aching back, weakness and other urinary troubles, apply to the back a Burdock Porous Plaster, and take Burdock Blood Bitters, the best system regulator known for the Liver, Kidneys, Stomach and Bowels.

A Fruitful Season.

The fruitful season of the year is prolific with many forms of Bowel Complaints, such as Diarrhoea, Dysentery, Colic, Cholera Morbus, Cholera Infantum, &c. As a safe-guard and positive cure for those distressing and often sudden and dangerous attacks nothing can surpass that old and reliable medicine, Dr. Fowler's Extract of Wild Strawberry.

Dr. J. D. Kellogg's Dysentery Cordial is prepared from drugs known to the profession as thoroughly reliable for the cure of cholera, dysentery, diarrhœa, griping pains and summer complaints. It has been used successfully by medical practitioners for a number of years with gratifying results. If suffering from any summer complaint it is just the medicine that will cure you. Try a bottle. It sells for 25 cents.

Interesting Items.

Hard and soft corns cannot withstand Holloway's Corn Cure; it is effectual every time. Get a bottle at once and be happy.

There is no Excuse.

There is no excuse for the many pale, sallow, weary looking females throughout our land, when Burdock Blood Bitters will regulate their troubles and renew their health, strength and vigor at so small a cost.

A Sure Thing.

A Sure Cure for Summer Complaints.—Procure from your druggist one 37½-cent bottle of Dr. Fowler's Extract of Wild Strawberry and use according to directions. It is infallible for Diarrhœa, Cholera Morbus, Canker of the Stomach and Bowels, and Cholera Infantum.

Poisoned.

Scarcely a family exists but that some member is suffering with bad blood and poisoned secretions from constipation, giving rise to Rheumatism, Scrofula, Eruptions, Catarrh and other complaints, indicating lurking blood poison, which a few bottles of Burdock Blood Bitters would eradicate from the system.

The discovery of the instantaneous process of taking photographs has been quickly followed in the medical world by a perfect and instantaneous remedy for all acute aches and pains, as Neuralgia, Toothache, Rheumatism, etc. This valuable remedy is called Fluid Lightning, and is sold at 25 cents a bottle by Dr. McGarvin, druggist.

McGregor & Parke's Carbolic Cerate is invaluable for Wounds, Sores, Salt Rheum, Cuts, Burns, Scalds and Festers, as a healing and purifying dressing. Do not be imposed on with other useless preparations, recommended to be as good. Use only McGregor & Parke's Carbolic Cerate. Sold by Dr. McGarvin.

Rev. J. G. Fallis, Dutton, certifies: "For some years my wife has been troubled with Dyspepsia, and has tried one thing after another recommended with but little or no effect till advised to give McGregor's Speedy Cure a trial. Since taking the first bottle I have noticed a decided improvement, and can with confidence recommend it to be one of, if not the best medicine extant for Dyspepsia. This invaluable medicine for Liver Complaint, Indigestion, Kidney Complaint, is purely vegetable. Sold at Dr. McGarvin's Drug Store. Trial bottles free.

Advice To Mothers.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so send at once and get a bottle of *Mrs. Winslow's Soothing Syrup for Children Teething.* Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers, there is no mistake about it. It cures dysentery and diarrhœa, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. *Mrs. Winslow's Soothing Syrup for Children Teething* is pleasant to the taste, and is the prescription of one of the oldest and best female nurses and physicians in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle. 44

Why suffer from weak nerves, want of appetite, and general debility, letting the loss of sleep and rest impoverish the system and thin the blood, when such a really meritorious remedy as Northrop & Lyman's Quinine Wine may be had at any drug store? This article is recommended by the highest members of the medical faculty in cases of indigestion, general debility, loss of appetite, and nervous affections of all kinds. It is also specially beneficial to children and delicate females, and to business men, students and those who have much brain work. We would say, never be without it. It will strengthen you, keep your system in regular order, and enable you to successfully grapple with the work you have to do. It is pleasant to the taste, and contains nothing injurious to the most delicate constitution. Remember to ask for the Quinine Wine, prepared by Northrop & Lyman, Toronto, and we are sure you will be satisfied that you have full value for your money. Druggists sell it.

KING'S EVIL

Was the name formerly given to Scrofula because of a superstition that it could be cured by a king's touch. The world is wiser now, and knows that

SCROFULA

can only be cured by a thorough purification of the blood. If this is neglected, the disease perpetuates its taint through generation after generation. Among its earlier symptomatic developments are **Eczema, Cutaneous Eruptions, Tumors, Boils, Carbuncles, Erysipelas, Purulent Ulcers, Nervous and Physical Collapse,** etc. If allowed to continue, **Rheumatism, Scrofulous Catarrh, Kidney and Liver Diseases, Tubercular Consumption,** and various other dangerous or fatal maladies, are produced by it.

Ayer's Sarsaparilla

Is the only powerful and always reliable blood-purifying medicine. It is so effectual an alterative that it eradicates from the system **Hereditary Scrofula,** and the kindred poisons of contagious diseases and mercury. At the same time it enriches and vitalizes the blood, restoring healthful action to the vital organs and rejuvenating the entire system. This great

Regenerative Medicine

Is composed of the genuine *Honduras Sarsaparilla,* with *Yellow Dock, Stillingia,* the *Iodides of Potassium* and *Iron,* and other ingredients of great potency, carefully and scientifically compounded. Its formula is generally known to the medical profession, and the best physicians constantly prescribe AYER'S SARSAPARILLA as an

Absolute Cure

For all diseases caused by the vitiation of the blood. It is concentrated to the highest practicable degree, far beyond any other preparation for which like effects are claimed, and is therefore the cheapest, as well as the best blood purifying medicine, in the world.

Ayer's Sarsaparilla

PREPARED BY

Dr. J. C. Ayer & Co., Lowell, Mass.

[Analytical Chemists.]

Sold by all Druggists; price $1; six bottles for $5.

MANHOOD

HOW LOST, HOW RESTORED.

We have recently published a new edition of Dr. Culverwell's Celebrated Essay on the radical and permanent cure (without medicine) of Nervous Debility, Mental and Physical Incapacity, Impediments of Marriage, etc., resulting from excesses.

Price, in a sealed envelope, only 6 cent or two postage stamps.

The celebrated author, in this admirable Essay, clearly demonstrates, from thirty years' successful practice, that alarming consequences may be radically cured without the dangerous use of internal medicines or the use of the knife, pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be may cure himself cheaply, privately and radically.

This Lecture should be in the hands of every youth and everyman in the land.
