

The Acton Free Press.

THURSDAY MORNING, SEPTEMBER 10, 1885.

WHY SHE WAS SALTERED.

The Sunday School was lashed and still Then the speech would now be made By a stranger who was there.

The lesson told, that day, the fate Of the great reward by fire, And of the great reward of those Who did the Lord's desire.

And then the stranger spoke of these, Who disobeyed God's law, Said they the end of such as sinned In the death of Lot's wife saw.

To impress the fact he asked a class, Small eight-year urchins they, Why God had turned Lot's wife to salt On that ill-fated day.

One little rascal made response, With grimy hand upthrust, His shrill voice sounded loud and clear: "She was too fresh," he yelled.

FACTS THAT SHOULD BE KNOWN.

An Opinion and its Basis.

Dr. Malou, a French physician, is said to have been so fond of drugging the sick, that when one of his patients had swallowed a dozen or two of his prescriptions without winning, he seized the poor victim's hand, in an ecstasy of admiration, exclaiming,

"My dear sir, it really affords me pleasure to attend you—you deserve to be ill." The remedial system of Holloway, with whose fame all the world is ringing, is in beautiful contrast with this wholesale indiscriminate use of the materia medica. It comprehends only two preparations, but they would seem to include the antidotes for nearly all maladies. As a case in point (for we cannot discuss so vast a subject in a couple of paragraphs), we may instance the extraordinary success of Holloway's Pills in disorders of the Liver and Stomach.

These complaints, we are informed by medical men, have greatly extended their ravages of late years, and assumed a more malignant form. Be that as it may, there can be no doubt that each disorder preyed in every section of the country at this season, and that they baffle the skill of our most eminent medical men. One of their worst features is that they paralyze industry at the busiest seasons of the year, and, if not fatal themselves, lay the foundation of many dangerous disorders. A remedy, therefore, that will at once break the chills and restore the energy of the patient, and correct the liver and stomach, must be of inappreciable value in our agricultural districts. Friends upon whom we can rely, and who have had full opportunities to form a correct judgment, inform us that Holloway's Pills are a positive specific for such complaints. They have been tried in the rice fields and cotton plantations of the South, in the valleys of the Ohio and the Mississippi, on the unhealthy banks of the Red River, on the western prairies, and among the canebrakes and swamps of Louisiana and Texas, with the same happy results; and multitudes who have heretofore trusted to dangerous curatives, and found them of little or no use, now rely entirely upon this powerful yet harmless vegetable remedy.

We state these facts, derived from competent sources, as matters of general interest.—Atlas.

Warning and Comfort.

National pills will cure constipated bowels and regulate the liver.

A lady writes: "I was enabled to remove the corns, root and branch, by the use of Holloway's Corn-Cure." Others who have tried it have the same experience.

If your children are stubborn or hard to administer medicine to, Dr. Low's Pleasant Worm Syrup will be appreciated.

Worms cause feverishness, moaning and restlessness during sleep. Mother Graves' Worm Expeller is pleasant, sure, and effectual. If your drooping has none in stock, get him to procure it for you.

Ayer's Eye Care acts directly on the liver and biliary apparatus, and drives out the material poison which induces liver complaints and bilious disorders.—Warranted to cure, or money refunded.

By taking Ayer's Sarsaparilla, many a poor sufferer who submits to the surgeon's knife because of malignant sores and scrofulous swellings, might be saved, sound and whole. This will purge out the corruption which pollute the blood, and by which such complaints are originated and fed.

Mr. Peter Vermett, Hochelaga, P. Q., writes: "Dr. Thomas' Electric Oil cured me of Rheumatism after I tried many medicines to no purpose. It is a good medicine." Just think of it—you can relieve the twinges of rheumatism, or the painful attack of neuralgia—you can check a cough, and heal bruises or broken skin, with a bottle of Dr. Thomas' Electric Oil, costing only 25 cents.

If attacked with cholera or summer complaint of any kind send at once for a bottle of Dr. J. L. Kellogg's Dysentery Cordial and use it according to directions. It acts with wonderful rapidity in subduing that dreadful disease that weakens the strongest man and that destroys the young and delicate. Those who have used this cholera medicine say, it acts promptly, and never fails to effect a thorough cure.

The great results which have attended the regular use of Quinine Wine, by people of delicate constitution and those affected with a general prostration of the system, speak more than all the words that we can say in its behalf. This article is a true medicine and a life-giving principle—a perfect renovator of the whole system—invigorating at the same time both body and mind. Its medical properties are a febrile tonic and anti-putrid. Small doses, frequently repeated, strengthen the pulse, create an appetite, enable you to obtain refreshing sleep, and to feel and know that every fibre and tissue of your system is being braced and renovated. In the fine Quinine Wine, prepared by Northrop & Lyman, Toronto, we have the exact tonic required; and to persons of weak and nervous constitutions we would say, Never be without a bottle in the house. It is sold by all druggists.

Prof. Low's Sulphur Soap is a cheap and handy form of obtaining the healing virtues of a sulphur bath.

There is no excuse.

There is no excuse for the many pale, sallow, weary looking females throughout our land, when Barlock Blood Bitters will regulate their troubles and renew their health, strength and vigor at so small a cost.

A Sure Thing.

A Sure Cure for Summer Complaints.—Procure from your druggist one 874-cent bottle of Dr. Fowler's Extract of Wild Strawberry and use according to directions. It is infallible for Diarrhoea, Cholera Morbus, Canker of the Stomach and Bowels, and Cholera Infantum.

Poisoned.

Scarcely a family exists but that some member is suffering with bad blood and poisoned secretions from constipation, giving rise to Rheumatism, Scrofula, Eruptions, Cancers and other complaints, indicating lurking blood poison, which a few bottles of Burdock Blood Bitters would eradicate from the system.

To the Reader.

"When all other remedies fail" for Bowel Complaint, Colic, Cramps, Dysentery, etc., then Dr. Fowler's Extract of Wild Strawberry comes to the rescue. Thus writes W. H. Crocker, druggist, Watertown, and adds that "its sales are large and increasing."

A Dangerous Condition.

One of the most dangerous conditions is a neglected Kidney complaint. When you suffer from weary aching back, weakness and other urinary troubles, apply to the back a Burdock Porous Plaster, and take Burdock Blood Bitters, the best system regulator known for the Liver, Kidneys, Stomach and Bowels.

A Fruitful Season.

The fruitful season of the year is prolific with many forms of Bowel Complaints, such as Diarrhoea, Dysentery, Colic, Cholera Morbus, Cholera Infantum, &c. As a safe-guard and positive cure for those distressing and often sudden and dangerous attacks nothing can surpass that oil and reliable medicine, Dr. Fowler's Extract of Wild Strawberry.

McGregor & Parke's Carbolic Cerate

is invaluable for Wounds, Sores, Salt Rheum, Cuts, Burns, Scalds and Fester, as a healing and purifying dressing. Do not be imposed on with other useless preparations, recommended to be as good. Use only McGregor & Parke's Carbolic Cerate. Sold by Dr. McGarvin, druggist.

The discovery of the instantaneous process of taking photographs has been quickly followed in the medical world by a perfect and instantaneous remedy for all acute aches and pains, as Neuralgia, Toothache, Rheumatism, &c.

This valuable remedy is called Fluid Lightning, and is sold at 25 cents a bottle by Dr. McGarvin, druggist.

Rev. J. G. Falls, Duffin, certifies: "For some years my wife has been troubled with Dyspepsia, and has tried one thing after another recommended with but little or no effect till advised to give McGregor's Speedy Cure a trial. Since taking the first bottle I have noticed a decided improvement, and can with confidence recommend it to be one of, if not the best medicine extant for Dyspepsia. This invaluable medicine for Liver Complaint, Indigestion, Kidney Complaint, is purely vegetable. Sold at McGarvin's Drug Store. Trial bottles given free.

Holloway's Ointment and Pills.—Rheumatism and Gout.

These purifying and soothing remedies demand the earnest attention of all persons liable to gout, sciatica, or other painful affections of the muscles, nerves, or joints. The Ointment should be applied after the affected parts have been patiently fomented with warm water, when the patient should be diligently rubbed upon the adjacent skin, unless the friction should cause pain. Holloway's Pills should be simultaneously taken to reduce inflammation and to purify the blood. This treatment abates the violence, and lessens the frequency of gout, rheumatism, and all spasmodic diseases, which spring from hereditary predisposition, or from any accidental weakness of constitution. This Ointment checks the local mischief. The Pills restore the vital powers.

Ayer's Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs; none so trifling with the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung disease, and should be taken in all cases without delay.

A Terrible Cough Cured.

"In 1827 I took a severe cold, which affected my lungs. It was a terrible cough, and would not stop night or day. The doctor gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my cough, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved my life." HON. J. J. HARRIS, Rockingham, Vt., July 15, 1882.

Croup.—A Mother's Tribute.

"While in the country last winter my little boy, three years old, was taken ill with croup. It seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely yours, MRS. EMMA GIBNEY, 150 West 128th St., New York, May 16, 1882.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effectual remedy for coughs and colds we have ever tried." Lake Crystal, Minn., March 13, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL." Bismarck, Minn., April 6, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have lived from lung troubles." Palestine, Texas, April 22, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will always cure when the disease is not already beyond the control of medicine.
