

THE COBBLER'S COURTSHIP.

By H. C. DODD.

"O, Peggy dear," the cobbler sighed, "Why am I like a horse?" "You'd lose your sole," she quick replied, "If Peg sticks not to you."

A Country Girl.

During the troubles in the reign of Charles I. a country girl came to London in search of a place as servant maid, but, not succeeding, she hired herself to carry out beer from a warehouse, and was one of those called tab women.

Pleasant as Syrup; nothing equals it as a worm medicine; the name is Mother Graves' Worm Exterminator. The greatest worm destroyer of the age.

The tenacity with which people abide by their early faith in Ayer's Sarsaparilla can only be explained by the fact that it is the best blood medicine ever used, and is not approached in excellence by any new candidate for public favor.

Messrs. Mitchell & Platt, druggists, London, Ont., write Dec., 1881: We have sold Dr. Thomas' Electric Oil since its first introduction, and we can safely say, no medicine on our shelves has had a larger sale, or gives better satisfaction.

If your hair is turning gray, don't use the poisonous dyes which burn out its life and produce many diseases of the scalp. Ayer's Hair Vigor is positively harmless, and will restore the natural color of the hair, stimulate its growth, and bring back its youthful gloss and beauty.

It is now in season to warn our readers against the sudden attacks of Cholera, Cramp, Colic, and the various Bowel Complaints incident to the season of ripe fruit, vegetables, etc. Dr. Fowler's Extract of Wild Strawberry is the grand specific for those troubles.

A Cure for Cholera Morbus.—A positive cure for this dangerous complaint, and for all acute or chronic forms of Bowel Complaint incident to Summer and Fall, is found in Dr. Fowler's Extract of Wild Strawberry; to be procured from your druggist.

We all admire a man of nerve, who is cool-headed and equal to any emergency, but nervous debility is the prevailing weakness of most people. Burdock Blood Bitters is a good nerve and general tonic, which regulates and strengthens the whole system, imparting bodily and mental vigor.

An honest medicine is the noblest work of man, and we can assure our readers that Dr. Fowler's Extract of Wild Strawberry is not only reliable, but is almost infallible to cure Cholera Morbus, Dysentery, Canker of the Stomach and bowels, and the various Summer Complaints, whose attacks are often sudden and fatal.

A Material Neighborhood. People so unfortunate as to reside in a malarial region should cleanse and thoroughly tone up the system with Burdock Blood Bitters, that promptly acts upon the Stomach, Bowels, Liver and Kidneys, thus preventing Ague and all Bilious Complaints. An ounce of prevention is worth a pound of cure.

Beware of Deceit. Beware of any druggist who will try to induce you to take anything in place of McGreggor & Parke's Carbolic Cerate. It is a marvel of healing for Sores, Cuts, Burns, etc. No family should be without it. It has no equal. Get McGreggor and Parke's, and have no other. Only 25c. per box at Dr. McGreggor's druggist.

Holloway's Pills.—In general debility, nervous excitement, and mental depression, these unrivalled Pills have a marvellous effect. They have won the confidence of millions in all parts of the civilized world. Constitutions shaken by sensual excesses, by long residence in unwholesome climates, by sedentary habits, overwork, worry, or anxiety, are wonderfully renovated by a course of this extraordinary medicine, which, powerful as is its action on the whole system, is perfectly harmless to the tenderest frame.

The most essential cannot question the fact that we see indigestion cured, liver complaints arrested, the oppressed lungs brought into beautiful play, and every physical function renewed and strengthened by their agency.

Warnings and Comfort.

National pills will cure constipated bowels and regulate the liver.

Worms cause much sickness among children that Freeman's Worm Powders will surely cure.

Low's Sulphur Soap should be found with every toilet. It is cleansing and healing.

If your children are stubborn or hard to administer medicine to, Dr. Low's Pleasant Worm Syrup will be appreciated.

Prof. Low's Sulphur soap is a cheap and handy form of obtaining the healing virtues of a sulphur bath.

How many people of both sexes are suffering from lost vitality, all broken down, and on the verge of Consumption that might be restored, as many have been when given up to die, if they would use Burdock Blood Bitters, which restores lost vitality and gives new vigor to the debilitated system.

It is popularly admitted everywhere that McGreggor's Speedy Cure is the safest, most reliable and by far the cheapest remedy for Constipation, Liver Complaint, Indigestion, Impure Blood, Loss of Appetite, and all similar troubles. It is not necessary to take a great quantity before any result is produced. A few doses will convince you of its merits. Trial bottle given free at McGreggor's Drug Store.

An unparallelled sensation is being created all over Ontario by the wonderful and unequalled manner in which Neuralgia, Toothache, Rheumatism, Backache, Headache, is removed by but one application of Fluid Lightning. No offensive, disgusting drugs need be taken for days. It is an instant cure. Try a 25c. bottle from Dr. McGreggor's Druggist.

Dollar upon dollar is frequently spent on the faith of recommendations for articles entirely worthless. Not so with McGreggor's Speedy Cure; you are not asked to purchase it until its merits are proven. Call at J. E. McGarvin's drug store and get a free trial bottle and if not convinced it will cure you of the worst forms of Dyspepsia, Liver complaint, etc., no matter of how long standing, it costs you nothing. Sold in 50c and \$1 bottles. See testimonials from persons in your own town.

Prominent among the greatest medical discoveries, by the many cures it has effected, McGreggor's Speedy Cure leads the van. Subjected to the minutest chemical analysis, it has been found to contain one of those injurious ingredients characterizing the worthless specifics daily offered to the public. Every ingredient possesses a peculiar adaptability to the various complaints for which it has been compounded, and its efficacy is being established by testimonials hourly received. We are therefore confident that we have a preparation which we can offer to the public with the assurance that it will be found not only a relief but an absolute cure for Dyspepsia, Liver Complaint, Indigestion, Constipation and Impure Blood. Free trial bottles at J. E. McGarvin's Drug Store.

The great results which have attended the regular use of Quinine Wine, by people of delicate constitution and those affected with a general prostration of the system, speak more than all the words that we can say in its behalf. This article is a true medicine and a life-giving principle—a perfect renovator of the whole system—invigorating at the same time both body and mind. Its medical properties are a febrifuge tonic and anti-periodic. Small doses, frequently repeated, strengthen the pulse, create an appetite, enable you to obtain refreshing sleep, and to feel and know that every fibre and tissue of your system is being braced and renovated.

In the fine Quinine Wine, prepared by Northrop & Lyman, Toronto, we have the exact tonic required; and to persons of weak and nervous constitutions we would say. Nervous debility is the prevailing ailment. It is sold by all druggists.

While in the country last winter my little boy, three years of age, was taken ill with croup; it seemed as if he would die from strangulation. One of the chemists suggested the use of Dr. Fowler's Cherry Pectoral. A bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor told that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely yours, Mrs. Emma J. Gray, 126 West 129th St., New York, May 10, 1882.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effective remedy for coughs and colds we have ever tried." Lake Crystal, Minn., March 10, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL." Hybla, Miss., April 6, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from croup. My little boy, three years of age, was taken ill with croup, and I was obliged to use it. It cured him in less than half an hour." Lake Crystal, Minn., April 22, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will always cure when the disease is not already beyond the control of medicine.

PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists.
