TWO NOTED MINSTRELS, Who Have Won Fortunes and what They Say About Stage Life.

From Stage Whispers. "Billy" Emerson has recently made phenomeral success in Australia, and

Emerson was born at Belfast in 1846. He began his career with Joe Sweeney's minstrels in Washington in 1857. Later on he jumped into prominence in connection with Newcomb's minstrels with whom he visited Germany. He visited Australia in 1874 and on his return to America joined Haverley's minstrels in San Francisco at \$500 a week and expenses. With this troupe he played before her majesty, the queen, the Prince of Wales, and royalty generally. After this trip he lessed the Standard theatre, San Francisco, where for three years he did the largest business ever known to ministrelsy. In April last he went to Australia again, where he has 'beaten the record."

"Billy" is a very handsome fellow, an excellent singer, dances gracefully, and is a true humorist.

"Yes, sir, I have travelled all over the world, have met all sorts of people, come in contact with all sorts of customers, and had all sorts of experiences. One must have a constitution like a locomotive to stand it."

"Yes, I know I seem to bear it like a major and I do, but I tell you candidly that with the perpetual change of diet, water and climate, if I had not maintained my vigor with regular use of Warner's safe cure I should have gone under long ago."

Gerge H. Primrose, whose name is known in every amusement circle in America, is even more emphatic, if possible, then "Billy" Emerson, in commendation of the same article to sporting and traveling men generally, among whom it is a great favor-

Emerson has grown rich on the boards and so has Primrose, because they have not squandered the public's "favors."

## MARVELOUS STORY TOLD IN TWO LETTERS.

FROM THE SON: "28 Cedar St., New York, Oct. 28, 1882. "Gentlemen: My father resides at Glover, Wt. He has been a great sufferer from Scrof-ula, and the inclosed letter will tell you what

Ayer's Sarsaparilla

has had in his case. I think his blood must have contained the humor for at least ten years; but it did not show, except in the form of a scrofulous sore on the wrist, until about five years ago. From a few spots which appeared at that time, it gradually spread so as to cover his entire body. I assure you lie was terribly afflicted, and an object of pity, when he began using your medicine. Now, there are few men of his age who enjoy as good health as he has. I could easily name fifty persons who would testify to the facts in his case.

Yourstruly, W. M. PHILLIPS." FROM THE FATHER: "It is both a pleasure and a duty for me to state to you the benefit I have derived from the use of

Ayer's Sarsaparilla.

Six months ago I was completely covered with a terrible humor and scrofulous sores. The himor caused an incessant and intolerable itching, and the skip cracked so as to cause the blood to flow in many places whenever I moved. My sufferings were great, and my life a burden. I commenced the use of the SARSAPARILLA in April last, and have used it regularly since that time. My condition began to improve at once. The sores have all healed, and I feel perfectly well in every respect - being now able to do a good day's work, although 73 years of age. Many inquire what has wrought such a cure in my case, and I tell them, as I have here tried to tell you, AYER'S SARSAPARILLA. Glover, Vt., Oct.
