SONG OF THE PRINTER.

Forever bending o'er my KK,
My life's not filled with it;
Forever sticking to my stick,
My labors never end.

To do what's right I make my rule,
I mind my PP and QQ,
I've got my faults, I will confess,
Nor try them 2x QQ.

I loved a girl named Emilie,
My love for her was great,
And she among a thousand Emma,
None could her M.I.U. take.

And when she said she did return
My love, with blushing grace,
I printed on her lips a kiss
And did my Emp. -

But He Didn't!

At one of Mr. Ashford-Bartlett's meetings at Shiffield a questioner was anxious the candidate should answer—“Yes or no?” Fixing him with his eye-glass, Mr. Bartlett took the measure of his interrogator, and asked, “Can you answer every question put to you—yes or no?” “Yes, I can,” retorted the man. Said Mr. Bartlett, “Will you answer me one question—yes or no?” “Yes, I will,” was the reply; “put your question.” “Well,” said Mr. Bartlett, wiping his eye-glass as he picked him out for impeachment; “are you as big a fool as you look—yes or no?” The man left—Eng. The Point Was Apparent.

The following good news is at the expense of a doctor. He was about to anesthetize a patient, when, in answer to a question, he informed the victim that he would be entirely unconscious, and know nothing until the offending growth had been removed. The patient accordingly commenced to fish loose change out of his pocket. “Oh, you need not mind the fee until I am through,” remarked the considerate doc. “I don’t intend to pay you yet,” returned the patient. “I wish merely to count my money to see how much I have.” The doctor saw the point and was much amused.

—Now is the time to secure a first-class suit or overcoat, we are giving special values from now till 1st January, and we have a first class cutter and give perfect fitting garments every time. Nelson, McRae & Co.

Do not delay in getting relief for the little folks. Mother Graves’ Worm Exterminator is a pleasant and sure cure. If you love your child why do you let it suffer when a remedy is so near at hand?

Diseases.

The proprietors of Haggard’s Yellow Oil have some certificates of some most remarkable cures of Diseases, by that most carefree for pain. Yellow Oil also cures Rheumatism, Sprains, Bruises, Scrofula, Throat, and all inflammatory troubles.

Hoarseness and Loss of Voice.

Public speakers and singers are often distressed with hoarseness, and much danger is lurking in the bronchial pipes. Haggard’s Pectoral Balsam is a prompt remedy for the irritation, and cures all throat and lung difficulties.

Swelled Neck.

Mrs. Henry Dobbs, of Berridale, Parry Sound, testifies to a prompt cure of enlarged glands of the neck and sore throat by the internal and external use of Haggard’s Yellow Oil. Yellow Oil is a sure relief for all painful conditions.

Disease of the Skin.

Most diseases of the skin arise from bad blood and lack of cleanliness, except when caused by grubs or insects. Erysipelas, Salt Rheum, Tetter, Pimples and all Humors of the blood are cured by Burdock Blood Bitters, which purifies the blood.

Headache.

If you suffer from Headache you may be sure that your Stomach, Liver or Blood, is at fault, and perhaps all three are combined in bad action. If so, the best remedy is Burdock Blood Bitters, which cures Headache by regulating the organic action generally.

Nervousness.

The unhappy and distressing condition called nervousness arises from debility, irritation, poor circulation and blood or low vitality. Reorganize the system by Burdock Blood Bitters, which gives permanent strength by invigorating the blood and toning all the organs to perfect action.

Gastritis.

Haggard’s Pills are securities of health to all nations, of whatever clime. They have given hope, relief, and comfort to millions. In constitutions debilitated by excesses of any kind, or in general prostration of the system, their effect is tonic and restorative. They eradicate from the system the mortal cause of ailment, and renew in the frame its pristine animation, health and vigour. They greatly increase the appetite, give tone to the stomach, assist the digestion, and impart elasticity to the spirits; their essence enters the circulation, and carried through its course exerts its cleansing power over every organ. In the lungs they effect most striking changes, converting the impure venous into pure arterial blood, by which the whole frame is recruited and interstitial deposits removed.

Dangers of Delay.

If we were allowed to look into the future and see the fatal consequences that follow a neglected cold, how differently would our course be; could we realize our danger, how speedily we would seek a cure; but with many it is only when the monster disease has fastened its fangs upon our lungs that we awaken to our folly. What follows a neglected cold? Is it not diseases of the throat and lungs, bronchitis, asthma, consumption, and many other diseases of like nature. It is worse than madness to neglect a cold, and it is folly not to have some good remedy available for this frequent complaint. One of the most efficacious medicines for all diseases of the throat and lungs, is Bickie’s Anti-Consumptive Syrup. This medicine is composed of several medicinal herbs, which exert a most wonderful influence in curing consumption and other diseases of the lungs and chest. It promotes a free and easy expectoration, soothes irritation and drives the disease from the system.
