DON'T KICK.

Here's a piece of advice I'll give to you, bub,
Old man, old woman or chick;
No matter what comes, no matter what goes,
Don't permit yourself ever to kick.

If the world as it gravely goes jogging along,
Throws the thorns in your path, fast and thick,
Dodge all that you can, and step on the rest,
But of all things, I pray you, don't kick.

If you throw yourself into political strife,
And get hit with a political brick,
You will show your good sense by holding your jaw,
And never once making a kick.

Take things as they come, they'll be right in the end,
If you're hungry, rich, beggar or sick,
You'll only be wasting your valuable time,
If you use it in making a kick.

How Boys are Spoiled.

As a rule, the cause of the vicious or destructive habits of boys whose parents are in comfortable or affluent circumstances is a fundamental one. The primary and painfully fruitful error is the common teaching in such families either by precept or example, or both, that industry is discreditable. Boys are not trained or taught the necessity of usefulness; they are trained and taught only to enjoy the luxury of idleness, and vice comesas naturally as the night succeeds the day. Such boys, if they happen to worry through cigarettes and other enervating indulgences to manhood, are ever distanced in the race for honor and usefulness by alley boys or the mountain boys whose physical vigor is not destroyed by luxury and indulgence. They are taught not only in theory but in practice, that "hardness ever of hardiness is mother," and they bring the highest physical vigor to the development of their mental powers. They force to the front while the city cigarette boy must be supported by his friends or lag in the rear of the race for a livelihood if dependent upon his own efforts.—*Philadelphia Times.*

Susceptible to Flattery.

She answered the ring at the door to find a strange man on the steps. "Any fly-screens?" he asked. "No, sir." "Any fly-papers?" "No, sir." "Any powders for making lemonade?" "No, sir." "Any painting or whitewashing to do?" "No, sir." "Want some Paris green to kill garden insects?" "No, sir." "Got any old clothes to sell?" "No, sir." "Got any coal to put in or wood to split?" "No, sir?" "Couldn't you spare me——" "What's that, sir?" "Oh, never mind. My wife is barefoot, and I was going to ask for a pair of old shoes, but it would be no use. You have got such a dainty little foot that my wife couldn't get her big toe into one of your shoes." When he left he had an old coat on his arm, a quarter dollar in cash in his pocket, and there was a square meal stowed away behind his vest.

The Hair.

The hair is still worn high to a great extent, although sometimes young ladies arrange it with curls and braids descending low behind. This style is popular with low-necked evening dresses. Little, crinkling curls at the back of the neck are everywhere seen. The part does not appear in front, but is covered with short, fluffy locks. Fancy pins and combs, and pearl and bead ornaments, are much worn in the coils at the top of the head and elsewhere in the hair.

There is now a movement to shove the locks back from over the eyes and let the forehead show. Not at all improbable that the next thing will be to part the hair in the middle and brush it plain back, satin-smooth, from the forehead. How odd it would look, after the years our belles have been wearing it "doggy wise."

Itching Piles—Symptoms and Cure

The symptoms are moisture, like perspiration, intense itching, increased by scratching, very distressing, particularly at night, seems as if pin-worms were crawling to and about the rectum; the private parts are sometimes affected. If allowed to continue very serious results may follow. "SWAYNE'S OINTMENT" is a pleasant, sure cure. Also for Tetter, Itch, Salt Rheum, all scaly, crusty Skin Diseases. Sent by mail for 50 cents; 3 boxes, $1.25, (in stamps). Address, DR. SWAYNE & SON, Philadelphia, Pa. Sold by Druggists. 50

Fluid Lightning is simply a marvellous Rheumatic Remedy. I was for two months a cripple, unable to get out of the house from Sciatica. One bottle gave me instant relief, and placed me on my feet again. I have driven fourteen miles to-day (something I could not possibly have done were it not for Fluid Lightning) for the express purpose of procuring another bottle. So says Wm. Dixon, Gananoque. Only 25 cents per bottle at Dr. McGarvin's.

Years of experience and successful trial have proved McGregor & Parke's Carbolic Cerate the most complete and satisfactory compound for healing Old Sores, Festering's Ulcers, Cuts, Wounds, Burns, Frost Bites or Felons, and for keeping out the cold and to cleanse or prevent proud flesh, sloughing or decay. Insist on having McGregor & Parke's Carbolic Cerate, sold at 25c. by Dr. McGarvin.

Fluid Lightning.

Whether it is but few that have never suffered almost intolerable pain from Toothache, Neuralgia, or like acute pains. To them such an instant relief as Fluid Lightning is an untold blessing in time of trouble. No disgusting offensive medicines to be taken or days. One application of Fluid Lightning cures.—Sold at J. E. McGarvin's Drug Store. 29

There are a number of varieties of corns. Holloway's Corn Cure will remove any of them. Call on your druggist and get a bottle at once.

I had for years been a miserable sufferer from Dyspepsia, and tried all known remedies and the best medical skill of my acquaintance, but still grew worse, until unable to eat anything without great suffering, or do any kind of work. I began to think there was no hope for me, and that I must surely die; when, like a drowning man catching at a straw, I determined to give McGregor's Speedy Cure a trial. I at once began to improve so rapidly that in two months I was as well as I had ever been in my life.—WM. EVERS LEAMINGTON. Sold by Dr. McGarvin. Free trial bottles.

Merit Proves.

Dollar upon dollar is frequently spent on the faith of recommendations for articles entirely worthless. Not so with McGregor's Speedy Cure; you are not asked to purchase it until its merits are proven. Call at J. E. McGarvin's drug store and get a free trial bottle and if not convinced it will cure you of the worst forms of Dyspepsia, Liver complaint, etc., no matter of how long standing, it costs you nothing. Sold in 50c and $1 bottles. See testimonials from persons in your own town. 29

Rest and Comfort to the Suffering

"Brown's Household Panacea" has no equal for relieving pain, both internal and external. It cures Pain in the Side, Back or Bowels, Sore Throat, Rheumatism, Toothache, Lumbago and any kind of a Pain or Ache. "It will most surely quicken the Blood and Heal, as its acting power is wonderful." "Brown's Household Panacea," being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Liniment in the world, should be in every family handy for use when wanted, "as it really is the best remedy in the world for Cramps in the Stomach, and Pains and Aches of all kinds" and is for sale by all Druggists at 25 cents bottle. 44

Prominent among the greatest medical discoveries, by the many cures it has affected, *McGregor's Speedy Cure* leads the van. Subjected to the minutest chemical analysis, it has been found to contain one of those injurious ingredients characterizing the worthless specifics daily offered to the public. Every ingredient possesses a peculiar adaptability to the various complaints for which it has been compounded, and its efficacy is being established by testimonials hourly received. We are therefore confident that we have a preparation which we can offer to the public with the assurance that it will be found not only a *relief* but an *absolute cure* for Dyspepsia, Liver Complaint, Indigestion, Constipation and Impure Blood. Free trial bottles at J. E. McGarvin's Drug Store. 31

Holloway's Ointment and Pills.—Indisputable Remedies.—In the use of these medicaments there need be no hesitation or doubt of their cooling, healing, and purifying properties. Imagination can scarcely conceive the marvellous facility with which this Unguent relieves and heals the most inveterate sores and ulcers, and in cases of bad legs and bad breasts they act like a charm. The Pills are the most effectual remedy ever discovered for the cure of liver and stomach complaints, diseases most disastrous in their effects, deranging all the proper functions of the organs affected inducing restlessness, melancholy, weariness, inability to sleep, and pain in the side, until the whole system is exhausted. These wonderful Pills, if taken according to the printed directions accompanying each box, strike at the root of the malady, stimulate the stomach and liver into a healthy action, and effect a complete cure.

Dangers of Delay.

If we were allowed to look into the future and see the fatal consequences that follow a neglected cold, how differently would our course be; could we realize our danger, how speedily we would seek a cure; but with many it is only when the monster disease has fastened its fangs upon our lungs that we awaken to our folly. What follows a neglected cold? Is it not diseases of the throat and lungs, bronchitis, asthma, consumption, and many other diseases of like nature. It is worse than madness to neglect a cold, and it is folly not to have some good remedy available for this frequent complaint. One of the most efficacious medicines for all diseases of the throat and lungs, is Bickle's Anti-Consumptive Syrup. This medicine is composed of several medicinal herbs, which exert a most wonderful influence in curing consumption and other diseases of the lungs and chest. It promotes a free and easy expectoration, soothes irritation and drives the disease from the system.

CATARRH—A NEW TREATMENT.

Perhaps the most extraordinary success that has been achieved in modern medicine has been attained by the Dixon treatment for Catarrh. Out of 2,000 patients treated during the past six months, fully ninety per cent. have been cured of this stubborn malady. This is none the less startling when it is remembered that not five per cent. of patients presenting themselves to the regular practitioner are benefitted, while the patent medicines and other advertised cures never record a cure at all. Starting with the claim now generally believed by the most scientific men that the disease is due to the presence of living parasites in the tissue. Mr. Dixon at once adapted his cure to their extermination—this accomplished, he claims the Catarrh is pratically cured, and the permanency is unquestoned, as cures effected by him four years ago are cures still. No one else has ever attempted to cure Catarrh in this manner, and no other treatment has ever cured Catarrh. The application of the remedy is simple, and can be done at home, and the present season of the year is the most favorable for a speedy and permanent cure, the majority of cases being cured at one treatment. Sufferers should correspond with Messrs. A. H. DIXON & SON, 305 King street west, Toronto, Canada, and enclose stamp for their treatise on Catarrh.—*Montreal Star*, Nov. 17, '82

MANHOOD
HOW LOST, HOW RESTORED.

☞ Price, in a sealed envelope, only 6 cent or two postage stamps.

The celebrated author, in this admirable Essay, clearly demonstrates, from thirty years' successful practice, that alarming consequences may be radically cured without the dangerous use of internal medicines or the use of the knife, pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be may cure himself cheaply, privately and radically.
