

IT LEAVES IT ALL

If I drink beer
It makes me queer
If I drink ale
It makes me pale
If I drink wine
My joy declines
If I drink gin
It leads to sin
If I drink rum
Sad sorrows come
If I drink grog
I'm all wrong
Try what I will
From vat or still
It gives me pain
And turns my brain
I'll have it all
Before I fall.

de affected part, constantly adding fuel brought from these supporting, pus-laden kidneys which here in our wash-bowl are very productive itself, and which should have been cured first.

But this is not all the kidneys have to do; for you must remember that each adult takes about seven pounds of nourishment every twenty-four hours to supply the waste of the body which is constantly going on, a waste equal to the quantity taken. This, too, the kidneys have to separate from the blood with all other decomposing matter.

But you say, "my kidneys are all right. I have no pain in the back." Mistaken man! People die of kidney disease of so bad a character that the organs are rotten, and yet they have never there had a pain nor an ache?

Why? Because the disease begins, as we have shown, in the interior of the kidney, where there are few nerves of feeling to convey the sensation of pain. Why this is so we may never know.

When you consider their great work, the delicacy of their structure, the ease with which they are deranged, can you wonder at the ill-health of our men and women? Health and long life cannot be expected where so vital an organ is impaired. No wonder some writers say we are degenerating. Don't you see the great, the extreme importance of keeping this machinery in working order? Could the finest engine do even a fractional part of this work, without attention from the engineer? Don't you see how dangerous this hidden disease is. It is lurking about us constantly, without giving any indication of its presence.

The most skillful physicians cannot detect it at times, for the kidneys themselves cannot be examined by any means which we have at our command. Even an analysis of the water, chemically and microscopically, reveals nothing definite in many cases, even when the kidneys are fairly broken down.

Then look out for us, as disease, no matter where situated, to 93 per cent., as shown by after-death examinations, has its origin in the breaking down of these secreting tubes in the interior of the kidney. As you value health, as you desire long life free from sickness and suffering, give these organs some attention. Keep them in good condition and thus prevent (as is easily done) all disease.

Warner's Safe Cure, as it becomes year after year better known for its wonderful cures and its power over the kidneys, has gone and is doing more to increase the average duration of life than all the physicians and medicines known. Warner's Safe Cure is a true specific, mild but certain, harmless but energetic and agreeable to the taste.

Take it when sick as a cure, and never take a month go by if you need it, without taking a few bottles as a preventive, that the kidneys may be kept in proper order, the blood pure, that health and long life may be your blessing.

If you have a cough or cold do not neglect it; many without a trace of their hereditary disease have drifted into a consumptive grave by neglecting what was only a slight cold. Had they used Bickel's Anti-Consumptive Syrup before it was too late, their lives would have been spared. Mr. A. W. Larr, Mitchell, writes: "I think Bickel's Anti-Consumptive Syrup the best preparation on the market for coughs and colds. About six years ago I caught a severe cold which settled on my lungs, and for three months I had a cough. I had a physician attending me, but gradually grew worse until I was on the verge of consumption, and had given up hope of being cured, when I was induced to try Bickel's Syrup. Before I had taken one bottle I found myself greatly relieved, and by the time I had finished the second bottle I was completely cured. I always recommend it for severe colds and consumptions."

Dr. McGarvin, Wyobridge, writes: "I have sold large quantities of Dr. Thomas' Electric Oil; it is used for colds, sore throat, croup, etc., and in fact for any affection of the throat it works like magic. It is a sure cure for burns, wounds, and bruises."

The probabilities are that we shall have much damp, chilly, sloppy weather during the coming season—just the weather to contract sudden colds. Be prepared for them by having on hand Hagyard's Peppermint, Balsam, a safe, agreeable and speedy cure for colds and their consequences.

Threatened Danger. In the fall of '84 Suddall Miller, of Maidland, N.S., was prostrated to his bed with an attack of incipient consumption. Cough remedies all failed. He rapidly debilitated, and friends despaired of his recovery. He tried Burdock Blood Bitters, with immediate relief, followed by a speedy cure.

The Earth Cure. The new theory of cure is rapidly growing in fashion but is illogical in reason and science. Faith without works is dead. Those who have faith in Hagyard's Yellow Oil have its good works to assure their faith. It is an unerring external and internal relief for aches, pains, lameness and soreness.

A Word of Explanation. The liver secretes bile to move the bowels; the kidneys secrete urine, to carry off uric acid, which would poison the blood; the stomach secretes gastric juice to digest or dissolve the food, etc. Burdock Blood Bitters act upon these organs and purify the blood by cleansing all the secretions of the system.

Of Vital Importance. It is just as essential that the human body should have pure blood, as that a tree or plant should have sap to nourish and invigorate its growth. Nearly all our bodily ills arise from unhealthy blood. Burdock Blood Bitters purifies this fountain of life, and regulates all the vital organs to healthy action.

Joyful News. It is certainly glad tidings to the poor invalid to be informed of a remedy that will give prompt and sure relief in case of painful suffering. Such a remedy is Hagyard's Yellow Oil, adapted for internal and external use in all ordinary aches, pains, lameness and soreness. It cures rheumatism, neuralgia, sore throat, croup and all inflammatory pains.

Fluid Lightning. There are but few that have never suffered almost intolerable pain from Toothache, Neuralgia, or like acute pains. To them such an instant relief as Fluid Lightning is an untold blessing in time of trouble. No disgusting offensive medicines to be taken or days. One application of Fluid Lightning cures. Sold at J. E. McGarvin's Drug Store.
