SIX LITTLE WORDS.

Six little words there are

Which bind me every day." I shall," "I must," "I can," "I will," "I dare," "I may. "I shall" is that high law Inscribed upon the heart,
Impelling to its goal
My being's every part.
"I must" the metes and bounds In which, on every hand, Mankind restrains my acts, And nature bids me stand. "I can" that is the dole Of action, strength, and art, Of science, and of skill, The Supreme may impart. "I will," the richest crown Which glorifles the whole The seal of freedom true mpressed upon the soul. "I dare," the mystic words To be read right, before "I may," the finite is; Midst infinite it floats; Infinite light which gleams

They'll move the lock which bars My freedom's swinging door. On finite sunbeam motes. "I shall," "I must," "I will," "I can," "I dare," "I may," These six words bind me just In life, from day to day. Only as I am taught, Know I what every day, I shall, I must, I will,

I can, I dare, I may.

SURD WILLING.

Baldness is only incurable when the hair roots are dead and absorbed, which is a rare condition. In nearly all cases they are simply torpid, and can be stimulated to put forth a new growth of hair by the use of AYER'S HAIR VIGOR, the only preparation that cures buildness and restores youthful color to gray hair.

Baldness Cured and Age Rejuvenated.

J. W. HAMMOND, Lake Preston, D. T., when he was but 40 years old found his hair growing gray. At 50, his hair and whiskers were entirely white. So they continued until he reached 00 years of age, when he began using AYER'S HAIR VIGOR, four bottles of which coverestore their original rich, dark brown color.

MRS. O. DAVENPORT, Williamstonen, Vt., became entirely bald at the age of 20 and remained so 28 years, during which time she tried many hair "restorers" without success. Eventually she used AYER'S HAIR VIGOR, four bottles of which covered her head with a fine growth of silky brown hair, twelve inches long.

restore their original rich, dark brown color.

Mrs. August Valentine, of Buffalo. N. Y., had become nearly bald, and though she made use of many of the so-called hair restorers, none had any effect. Ayer's Hair Vigor did what nothing else could do, and now the lady again has a fine head of hair, thanks entirely to it.

Geo. Mayer, Flatonia, Texas, presented an apparently hopeless case. Baldness was hereditary in his family. By the time he was 23 years old he had scarcely any hair left. One bottle of Ayer's Hair Vigor started a soft, downy growth all over his scalp, and in a few months his head was covered with soft, dark and abundant hair.

Medicinal Virtues.

The rare medicinal powers, emollicnt, stimulative and tonic, possessed by AYER'S HAIR VIGOR enable it to cure speedily Salt Rheum, Scald Head, Tetter-sores, Dandruff, Humors of various kinds, and other diseases of the scalp liable to cause baldness. It is not a dye, contains no coloring matter, and effects its rejuvenation of faded or gray hair simply by bringing back the vigor of youth to the roots and color glands of the hair.

The wife of DR V. S. LOVELACE.

Where the hair is brittle, dry, harsh, weak, or thin, the use of AYER'S HAIR VIGOR speedily renders it pliant, soft, glossy, and stimulates it to a rich and luxurious growth: it also keeps the scalp free from dandruff, and affords a perfect assurance against the hair falling out or turning gray. No other dressing is so clean or has such a delicate and delightful perfume. Without it the toilet cannot be complete.

The wife of Dr. V. S. LOVELACE, Lorelace, Ky., had very bad Tetter Sores on her head. AYER'S HAIR VIGOR never after prefer any other hair-dressing, and many of them voluntarily offer such testimonials as the following, from Miss Kate Rose, Ingersoll, Ont., who writes: The son of JAMES N. CARTER, Occo-quan, Va., was cured on Scald-Head by AYER'S HAIR VIGOR. by AYER'S HAIR VIGOR.

HERBERT BOYD, Minneapolis, Minn., was cured by AYER'S HAIR VIGOR of intolerable Itching of the Scalp.

"While keeping my head clear of Dandruff, and preventing Scald Head, it has also caused my hair to grow luxuriantly, resulting in my now possessing hair forty-two inches long, and as thick as any one could wish it."
