Very Pleasantly Spent at Home by Many of Our Citizens and Their Friends.

NO ACCIDENTS TO RECORD.

The sixty-seventh anniversary of the birthday of Queen Victoria was ushered in by our citizens with the usual discharge of cannon and other frearms. At six a.m. Acton Cornet Band took a position on the roof of the Canada Glove Works, and reu dered several loyal and inspiring selections after which they played several pieces on

At nine o'clock the lacrosse inatch be-

tween the Berlins and the Crescents took place. The Crescents looked exceedingly well in their new suits of gray pants, dark blue stockings, white and blue striped shirts and gray hats. Their playing was much superior to that of any fermer game, and they won the admiration of the spectators assembled. The Berlins are a strong team of several years' playing. They did some fine work but the Crescents were too much for them The first goal was won by the home team in about fifteen minutes, the second by Berlin, and the third and fourth by the Crescents; the four games occupying a

The Berlin team left by the 11 a.m train, apparently well pleased with their visit, and with the conclusion that their Acton opponents were better players than they had expected to meet.

In the afternoon a base ball match was played between the Clippers and a team of the players of by gone days. The Clippers were, however, altogether too much for them, a general walk over being the result ceived their new suit of white shirts and pants with red stockings and caps. They present an attractive appearance on the field, and show up well in their play. The new diamond is now in excellent order. It is probable that the base ball and lacrosse clubs may both have matches on Dominion

Day with outside clubs. The day closed quietly and in order, no serious mishaps of any kind having occured
